OUR PARAGRAPHER

Only one Senator from Rhode Island this month, but he has the state so well trained that it will eat out of his hand.

The football season is over, and the doctors and undertakers can turn their attention to the dying and the dead.

There are a whole lot of people who are constantly crying justice who would be in jail if they got it.

Of course, New Mexico and Arizona must in. The country is getting shy on names for battleships.

It is a poor Congressman who has not at least one plan of currency reform.

Looks like the same old Congress, doesn't it? Acts like it, too.

Be sure to keep your Christmas pocketbook on straight.

Mr. Tillman rates Mr. Roosevelt as a grandstand player. As we understand it, Mr. Tillman plays to the bleachers.

We have been saved a dose of the Thaw trial in our Christmas stockings anyway.

When you plant a boom in Ohio they require constant and unremitting personal attention.

Thirty thousand words of it! Oh, that our President would not write a book!

President Roosevelt wants the entire country run from the central power plant in Washington.

The man who wrote the Democratic platform of 1896 may now accuse the 1907 president of plagiarism.

It has been discovered that Tim Woodruff has got the Vice Presidential bee in his bonnet. Excuse us while we laugh.

Mobile Ala. now threatens to go Republican, because they are going to close her saloons. Maybe not so bad as that. When the pinch comes she will merely throw herself into the sea.

Passed Examination Successfully

James Donahue, New Britain, Conn., writes: "I tried several kidney remedies, and was treated by our best physicians for diabetes, but did not improve until I took Foley's Kidney Cure. After the second bottle I showed improvement, and five bottles cured me completely. I have since passed a rigid examination for life insurance. Foley's Kidney Cure cures back-ache and all forms of kidney and bladder trouble. C. C. Chase and S. R. Biggs.

Throat Coughs

Ask your doctor about these throat coughs. He will tell you how deceptive they are. A tickling in the throat often means serious trouble ahead. Better explain your case carefully to your doctor, and ask him about your taking Ayer's Cherry Pectoral.

We publish our formulae. We banish alcohol from our medicines. We urge you to consult your doctor.

Who makes the best liver pills? The J. C. Ayer Company, of Lowell, Mass. They have been making Ayer's Pills for over sixty years. If you have the slightest doubt about using these pills, ask your doctor. Do as he says, always.

Made by the J. C. Ayer Co., Lowell, Mass.

Congress might solve the problem by putting all the currency reform bills in a hat and let a blind-fold boy draw one out.

With Mr. Roosevelt as manager of the Republicans and Mr. Bryan as manager of the Democrats, Congressmen need not lack for bountiful advice.

Colored Teachers Association

The Colored Teachers Association met November 23, 1907, at the Colored Graded School for the purpose of reorganization. The meeting was presided over by Prof. J. P. Butler.

The meeting was opened by reading the tenth Division of the Psalms; "Work for the Night is Coming," was sung. Supt. R. J. Peel led in a fervent prayer. My Country tis of Thee" was then sung.

Our Superintendent declared the meeting open for business. The first in order being the election of officers for this school year. The election was as follows: N. A. Scott President, J. P. Butler Vice-President, Emma E. Andrews Secretary, W. V. Ormond ass't Secretary and Treasurer.

Owing to the inclement weather the opening of our association was not as largely attended as we had hoped for. We hope, however, that we will accomplish much during these meetings both for the teacher and the pupils.

The program committee presented the following program to be rendered the fourth Saturday in January, it being agreed that we meet the fourth Saturday of each month. Program: Music, Prayer, Scripture Reading, The Benefit of a County organization by Supt. R. J. Peel; First days in a county school.—Mr. J. C. Corden Jr How shall the teachers secure the cooperation of the patrons of the schools? Mr. C. R. Reapass.

Each subject is opened for public discussion teachers limited to three minutes on each topic.
