### Good For Everybody.

Mr. Norman R. Coulter, a prominent architect, in the Delbert Building, San Francisco says: "I fully endorse all that has been said of Electric Bitters as a tonic medicine. It is good for everybody. It corrects stomach, liver and kidney disorders in a prompt and efficient manner and builds up the system." Electric Bitters is the best spring medicine ever sold over a druggist's counter; as a blood purifier it is unequalled. 50c. at All Druggist.

### Given Up To Die

B. Spiegel, 1204 N. Virginia St., Evansville, Ind., writes: "For over five years I was troubled with kidney and bladder affections which caused me much pain and worry. I lost flesh and was all run down, and a year ago had to abandon work entirely. I had three of the best physicians who did me no good and I was practically given up to die. Foley's Kidney Cure was recommended and the first bottle gave me great relief, and after taking the second bottle I was entirely cured." Why not let it help you? C. C. Chase, S. R. Biggs.

## Twenty-Fifth Annual Convention of the North Carolina Sunday School Association

The greatest Sunday School meeting of the year will take place in Burlington on Tuesday, Wednesday and Thursday, April 7-9, in the Christian Church. This will probably be the best Convention the State Association has ever held. The Burlington people are making every effort to make the delegates welcome. The entertainment will be free, and any one interested in Sunday School work may attend.

The music will be in charge of Messrs. Tullar and Meredith, of New York City, both of whom are known and loved in our State. It will be worth a trip to Burlington from any part of our State just to be in the song service of the Convention. They have few superiors as leaders of gospel music.

Among the speakers on the program are W. C. Pearce, of Chicago, the Teacher Training and Organized Adult Department Superintendent of the International Sunday School Association; Mrs. J. W. Barnes, Superintendent of the Elementary Department of the International Association; Rev. B. W. Spilman, of our own State; Dr. Jas. A. B. Scherer, President of Newberry College, S. C., besides many other Sunday School workers in our State.

It will be of interest to all Sunday School workers to know that the afternoons are to be given to Conference Work. There will be Conferences on Primary Work, on County and Township Officers, on Organized Adult Class Work, on Baraca and Philathea Work and on Teacher Training.

Some of the subjects to be discussed are:—"America in Sunday School Work", "World's Sunday School Convention at Rome", "Studies of Jesus as a Teacher", "The Pastor's Relation to the Sunday School", "The Making of a Teacher", "Marks of a Well-Organized Sunday School", "How to Win and Hold Men", "The Boy Problem", "Children", "Temperance", "The Adult Organized Class Movement" and other subjects vitally connected with the Sunday School.

This is an inter-denominational Sunday School Convention and every Sunday School in the State should have a representative in Burlington.

Any one wishing to attend should send their name to Mr. W. K. Holt, Burlington, and entertainment will be provided.

## A PRETTY COUNTRY WEDDING

Mr. W. J. Griffin Leads the Popular and Accomplished Miss Mary E. Robertson to the Altar

The home of Mr. N. T. Robertson last Wednesday was the scene of one of the prettiest weddings that has ever occurred in Griffin Township; when Mr. William J. Griffin and Miss Mary E. Robertson were married at 2:30 p. m., by Elder Ashley Mizell of the Primitive Baptist Church. After the marriage refreshments were served and then the bridal party drove to the home of Mr. Simon D. Griffin, where an elaborate feast was prepared of which about one hundred partook.

The attendants were: Mr. Claudious Robertson with Miss Ludie Griffin; Mr. T. C. Griffin with Miss Cordelia Whitley; Mr. S. C. Griffin with Miss Sallie Peele and Mr. Mathew Bissell with Miss Mary Tice.

Mr. Griffin is one of our most popular young men. He is a prosperous farmer and a successful merchant. The bride is a daughter of Mr. N. T. Robertson and a great grand-daughter of the late Col. Noah Peele, and a lady of fine accomplishments, and for the last few years has been the leader of society in this section.

The number of presents, consisting of silver-ware, cut glass, table-ware and many other useful articles proves the popularity of the young couple. After a few days they will be at their beautiful residence about one-half mile south of Smithwick Creek church. The people of this neighborhood are glad to welcome them and extend a hearty welcome and wish them success through life and that their days may be of great number.

THE ENTERPRISE joins the people of Griffin Township in congratulations and wishes for the young couple unbounded success and happiness.

Two papers for practically the price of one! It is not often that a subscription offer like this is made. For a limited time we will receive subscriptions for THE ENTERPRISE one year, in advance, and the FARM JOURNAL for five years; for the balance of 1908, and all of 1909, 1910, 1911 and 1912, for only \$1.25.
