About eighteen months ago I had grown so much worse that I could not digest a crust of corn bread and could not retain anything on my stomach, I lost 25 lbs.; in fact I made up my mind that I could not live but a short time, when a friend of mine recommended Kodol. I consented to try it to please him and I was better in one day. I now weigh more than I ever did in my life and am in better health than for many years. Kodol did it. I keep a bottle constantly, and write this hoping that humanity will be benefitted. Yours very truly, Jake C. Moore, Atlanta, Aug. 10, 1904." Sold by S. R. Biggs.
