

# Where is Your Hair?

In your comb? Why so? Is not the head a much better place for it? Better keep what is left where it belongs! Ayer's Hair Vigor, new improved formula, quickly stops falling hair. There is not a particle of doubt about it. We speak very positively about this, for we know.

Does not change the color of the hair.

Formula with each bottle. Show it to your doctor. Ask him about it, then do as he says.

Indeed, the one great leading feature of our new Hair Vigor may well be said to be this—it stops falling hair. Then it goes one step further—it aids nature in restoring the hair and scalp to a healthy condition. Ask for "the new kind."

Made by the J. C. Ayer Co., Lowell, Mass.

# Weak Kidneys

Weak Kidneys, surely point to weak kidney nerves. The kidneys, like the heart, and the stomach, and their weakness, not in the organ itself, but in the nerves that control and guide and strengthen them. Dr. Shoop's Restorative is a medicine specifically prepared to reach these controlling nerves. To doctor the kidneys alone, is futile. It is a waste of time, and of money as well.

If your back aches or is weak, if the urine is cloudy, or is dark and strong, if you have symptoms of Bright's or other distressing or dangerous kidney disease, try Dr. Shoop's Restorative a month—Tablets or Liquid—and see what it can and will do for you. Druggists recommend and sell.

Judson Harmon was nominated for Governor by Ohio Democrats, in the face of a bitter fight by Tom L. Johnson.

President Roosevelt, in letters to three Senators, asserts his supreme authority over the army without regard to the Senate.

The Interstate Commerce Commission states that it knows of no promise of immunity for the railroads which are not complying with the "commodity clause."

Mrs. Russell Sage has offered \$500,000 toward an endowment fund for the American Bible Society if the latter will raise a like amount.

The United States Supreme Court issued an order setting forth the extent of the Virginia-West Virginia debt inquiry.

Publishers before the House investigators were unanimous in their demand that the tariff be taken off paper and wood pulp.

Standing up in the gallery, George Gridley, of Rhode Island, startled the House by shouting at the members and waving a flag.

High water in the Monogahela river swept away the steel ends that Marion county is erecting at Fairmont.

# STORM IN NEBRASKA

Seven People Known to Be Killed and Many Injured

A FEMALE COLLEGE WRECKED

Wires Are Down Through Nebraska and Communication Cut Off, But Considerable Loss of Life and Much Property Damage is Reported.

Lincoln, Neb., Special.—A special from Springfield, Neb., says a tornado wrecked the towns of Louisville, Bellevue and Ritchfield, killing several persons and injuring a large number.

The heaviest loss of life and injured is reported from Louisville, a junction point of the Missouri Pacific and Burlington railroads in Cass county. The number of deaths is unknown and no names have been secured, but it is said between 40 and 60 are injured, many seriously and many fatally. The town of Bellevue is declared practically wiped out, but it is not known that there are any fatalities. Bellevue is the seat of Presbyterian College.

It is difficult to get and definite news from Louisville.

Reports are to the effect that the town is blown away and the people in a panic. The Burlington station was torn to pieces, most of the business houses wrecked and 30 residences destroyed. The Missouri Pacific depot is standing but both telegraph and telephone wires are down.

There were four distinct tornado clouds as seen at Springfield and they made their appearance shortly before 5 o'clock. Heavy damage was done in the country and it is feared there was some loss of life.

Despatches received at Lincoln say there were severe storms along the Missouri river further south, at Nemaha City and Falls City.

Omaha, Neb., Special.—Twelve persons are known to have been killed and a score injured by a tornado which swept the northern part of Sharp county at 5 o'clock in the afternoon. The storm, which gained velocity on its way south, started in Omaha about 4:30. At Bellevue the college buildings were damaged to the extent of probably \$50,000 and several persons were injured, none fatally.

The casualty list, so far as known is as follows:

Dead: Mrs. Frank Hester, living near Louisville.

Charles Leader, near Richfield.

Two unknown, at Louisville village.

Seven persons, names unknown, in sand pit, near Louisville.

Charles Marlin, fatally injured, near Meadow.

The storm was the most severe that ever struck eastern Nebraska. The damage done to the college buildings at Bellevue was heavy. The tower was blown from Park Hall, and the building was wrecked. Lowry Hall and Rankin Hall were unroofed.

The panic stricken students ran to the basement and in this way many fatalities were probably averted. The college stables were wrecked and all the horses killed. A number of small buildings and stores in the village were blown down.

Moving south the tornado struck Fort Crook, damaging several of the barrack buildings but nobody was injured. In the town of Fort Crook, however, a number of buildings were entirely wrecked and other damage done.

Cotton Mills Declare Dividends.

Spartanburg, S. C., Special.—The cotton mills of this county have commenced holding their semi-annual stockholders' meeting. Meetings of the stockholders of the Clifton, Glendale and Tucapau were held here.

Tucapau declared a semi-annual dividend of 4 per cent.; Glendale, 3 1/2 per cent.; Clifton, 3 per cent.

F. J. Pelzer, Sr., of Charleston, who has been a director in the Clifton Mills for many years, retired on account of his advanced years and his son, F. J. Pelzer, Jr., was elected to fill the vacancy. J. C. Evans was also elected a member of the board.

# THE WORK OF CONGRESS

Doings of Our National Law-Makers Day by Day.

Senator Rayner Speaks.

The Senate passed the postoffice appropriation bill carrying amounts aggregating \$229,027,867. As passed the bill allows \$1 per day expenses for railway postal clerks when away from terminals which will incur a total expense of about \$1,000,000.

Amendments adopted by the Senate provide for weighing the mails annually instead of every four years, and add to the Gallinger provision concerning the improvement of ocean mail service to the Philippine, China, Japan, Australia and South American ports.

Senator Rayner spoke on his resolution directing the President to order a court of inquiry into charges against Colonel William F. Stewart, United States army, now stationed at Fort Grant, Ariz. Mr. Rayner read a letter from the President giving reasons for the action that had been taken against Colonel Stewart, which the Senator declared to be trivial. The President in his letter said Colonel Stewart was "impossible" as a commanding officer, mistreating privates under him, quarreling with civilians, being contentious and incompetent.

Mr. Rayner declaring that charges had never been furnished to the army officer said the "punishment" which the President was meting out to him was unparalleled and in defiance to all precedents. He gave notice that he would call the resolution up for action by the Senate later.

Several pension bills were passed and at 5:30 p. m. the Senate adjourned.

House Summary.

After a debate lasting practically the entire session, the House by a vote of 130 to 124, agreed to the conference report on the naval appropriation bill. The insertion of a new provision relating to increase in pay for officers and men of the marine corps and navy, drew forth a good deal of criticism of the conferees who were charged with having taken liberties and with having violated the trust reposed in them by the House. As the conferees reached a complete agreement, the bill now goes to the President.

Considerable interest was manifested on the floor in the announcement that the currency bill would be considered and disposed of on Thursday next.

Postoffice Bill Passes.

Consideration of the postoffice appropriation bill was concluded in the Senate after which the bill was passed.

A point of order was made by Senator Clay, of Georgia, against the amendment providing for increase of ocean mail service to the Philippine, China, Australia and South American ports as general legislation. The amendment was declared in order by a vote of 46 to 12 and adopted.

The committee provision for weighing the mails annually instead of every four years and the allowance of \$1 a day expenses for railway mail clerks which will incur an expense of \$1,000,000 annually were adopted.

When the committee amendment excluding from the second-class mailing privilege "any publication which contains matter that suggests, advocates or approves the abolition, overthrow or destruction of any and all government," etc., was reached, Senator Hale said he hoped that Senators generally understood its effect in suppressing the freedom of the press. The amendment was agreed to. The bill was then passed.

Senate Votes to Restore Motto.

The Senate committee on finance voted unanimously to report the bill already passed by the House providing for the permanent restoration of the words "In God We Trust" to gold and silver coins of the United States. The motto was taken off the coins by order of the President.

The Agricultural Bill.

The Senate passed the agricultural appropriation bill carrying an appropriation aggregating \$12,142,146. For building roads and making other permanent improvements in the national forests \$1,000,000 instead of \$500,000 as provided by the House of Representatives was provided, giving one-half the amount asked by the chief forester. The bill provides that 25

per cent. of the income from the national forests shall be paid to the States in which they are located, this money to be expended for road and school improvements in the countries in which the reserves are situated. An amendment prohibits expenditures for the publication of any article in relation to the forestry service, but it is stipulated that this shall not prevent the service giving out information on any subject of public interest.

News of the Day.

Atlanta, Georgia, suffered another serious fire, seventy-five horses and much other property being burned.

Secretary Taft sailed from Colon Tuesday afternoon. It is reported that he accomplished the object for which he went to Panama.

Seven men were killed instantly in a mine explosion near Wilkesbarre, Pa.

The meeting of the President and the Governors of the several States to consult about the country's natural resources and their protection, began Wednesday.

The North Carolina case workers met in Greensboro last week.

Virginians Asked to Observe Davis' Birthday.

Richmond, Va., Special.—Governor Swanson has issued a proclamation requesting the people of Virginia to observe June 3d, the centennial of President Davis' birth, as a holiday. On that day the Davis monument erected here by the Jefferson Davis Monument Association will be turned over to the city.

Negro Children Killed Their Father.

Carthage, N. C., Special.—Saturday night at Cameron Tom Kelly, a colored brick mason, well known in this section, got into a drunken row with his family, and two of his sons nearly grown and a daughter in her teens jumped on him with all kinds of erule implements of warfare and flogged him so awfully that he died. The young patriotes are now in jail here.

Michigan For Taft.

Grand Rapids, Mich., Special.—Michigan's delegation to the Republican national convention was instructed by the State Republican convention, which met here to select four delegates at large, two presidential electors at large and a new State chairman to "cast an undivided vote of the whole State in favor of the nomination of Secretary Taft." It was an unusually harmonious convention.

# DO YOU GET UP WITH A LAME BACK?

Kidney Trouble Makes You Miserable.

Almost everybody who reads the newspapers is sure to know of the wonderful cures made by Dr. Kilmor's Swamp-Root, the great kidney, liver and bladder remedy.

It is the great medical triumph of the nineteenth century; discovered after years of scientific research by Dr. Kilmor, the eminent kidney and bladder specialist, and is wonderfully successful in promptly curing lame back, kidney, bladder, uric acid troubles and Bright's Disease, which is the worst form of kidney trouble.

Dr. Kilmor's Swamp-Root is not recommended for everything but if you have kidney, liver or bladder trouble it will be found just the remedy you need. It has been tested in so many ways, in hospital work, in private practice, among the helpless too poor to purchase relief and has proved so successful in every case that a special arrangement has been made by which all readers of this paper who have not already tried it, may have a sample bottle sent free by mail, also a book telling more about Swamp-Root and how to find out if you have kidney or bladder trouble. When writing mention reading this generous offer in this paper and send your address to Dr. Kilmor & Co., Binghamton, N. Y. The regular fifty cent and one dollar size are sold by all good druggists.

Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmor's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.
