Excellent Health Advice

Mrs. M. M. Davison, of No. 379 Gifford Ave., San Jose, Cal., says: "The worth of Electric Bitters as a general family remedy, for headache, biliousness and torpid of the liver and bowels is so pronounced that I am prompted to say a word in its favor, for the benefit of those seeking relief from such afflictions. There is more health for the digestive organs in a bottle of Electric Bitters than in any other remedy I know of." Sold under guarantee at All Druggists, 50c.

NEWS FROM THE COUNTY

(Continued from first page.)

Miss Estelle Darden of Long Acre spent last week here visiting relatives.

Miss Minnie Riddick spent last week with her grandmother, Mrs. A. B. Waters.

Miss Belle Jones is some what improved and is visiting relatives near Jamesville.

Grover Gurkins and the "Belle" of Dardens were out driving Sunday afternoon.

Mr. and Mrs. Satterthwaite of near Plymouth attended church here Sunday night.

Miss Mae Phelps of near Plymouth is the guest of her cousin Mrs. Annie Bateman.

Mrs. Lewis Harrison of Williamston is a guest in the home of her parents, Mr. and Mrs. J. C. Smith.

Prof. Vann Hudson spent Sunday in Jamesville admiring the lassie with eyes like dew washed violets, and hair like spun gold.

Mrs. Lula Clements and children of Portsmouth, Va. returned to her home last week after spending several weeks here visiting relatives.

Diarrhoea Cured

"My father has for years been troubled with diarrhoea, and tried every means possible to effect a cure, without avail," writes John H. Zirkle of Philippi, W. Va. "He saw Chamberlain's Colic, Colera and Diarrhoea Remedy advertised in the Philippi Republican and decided to try it. The result is one bottle cured him and he has not suffered with the disease for eighteen months. Before taking this remedy he was a constant sufferer. He is now sound and well, and although sixty years old, can do as much work as a young man." Sold by All Druggists and Dealers in Patent Medicine.

Selecting Breeding Hens.

For breeding purposes select stock raised with some regard for nature's way. A scratching hen for breeding purposes is worth double a nonscratcher. A portion of our hens hang around waiting for something to turn up. Others are right out ready to scratch for bugs, gravel and green stuff, thus securing a variety of food and getting proper and natural exercise. It is better for all hands for the hen to rustle for a part of her food than for her owner to hustle and tussle for her. Carl Felmer in Farmers Advocate.

Artichokes For Hog Feeding.

Artichokes are recommended for hog feeding by F. A. Eilford of Holmesville, Ont. He plants them the same as potatoes and roots, and the pigs harvest the crop, enough seed being left below the reach of the hogs for the next year's crop. He claims that 600 to 2,000 bushels should be grown per acre. The only cultivation given is to go over the land in the spring with a spring tooth cultivator, working the surface level.

Hay Fever and Summer Colds

Victims of hay fever will experience great benefit by taking Foley's Honey and Tar, as it stops difficult breathing immediately and heals the inflamed air passages, and even if it should fail to cure you it will give instant relief." The genuine is in a yellow package. C. C. Chase; S. R. Biggs.

If Mr. Bryan happens to be defeated, superstitious people will say that it was because he was nominated on Friday.

While Kennedy's Laxative Cough Syrup is especially recommended for children, it is, of course, just as good for adults. Children like to take it because it tastes nearly as good as maple sugar. Its laxative principle drives the cold from the system by a gentle, natural yet copious action of the bowels. Sold by Chase's Drug Store; Biggs' Drug Store.

"A good man obeys his wife", says Mr. Wu Ting-fang. Certainly a wise one does.

The little attacks of stomach trouble and stomach disorder will undoubtedly lead to chronic dyspepsia unless you take something for a sufficient time to strengthen the stomach and give it a chance to get well. If you take Kodol in the beginning the bad attacks of Dyspepsia will be avoided, but if you allow these little attacks to go unheeded it will take Kodol a longer time to put your stomach in good condition again. Get a bottle of Kodol today. Sold by Chase's Drug Store; Biggs' Drug Store.

I was informed by some friends during Court week that the report was being circulated that I would not be a candidate for the office of County Treasurer before the next Convention. I wish to say through your columns that I will be a candidate for renomination, and ask the support of all Democrats.

Very Respectfully,

YOU CAN EASILY OPERATE THIS TYPEWRITER YOURSELF

Don't worry your correspondent. Don't write him any thing by hand that takes him time to make out—that may leave him in doubt—that he can't easily read.

And don't fill out legal papers or card memos—or make out accounts or hotel menus in your own handwriting. It looks bad, reflects on your standing, makes people think you can't afford a stenographer, and is sometimes ambiguous. You can write out your letters—make out an abstract—fill in an insurance policy—enter your card memos—make out your accounts, or a hotel menu—or do any kind of writing you need, on ANY size or thickness of paper, and space any way you want on

The OLIVER Typewriter The Standard Visible Writer

You can write any of these things yourself if you do not happen to have a stenographer. For you can easily learn, with a little practice, to write just as rapidly, and as perfectly, as an expert operator on the OLIVER. Because the OLIVER is the SIMPLIFIED typewriter. And you can see every word you write. About 50 per cent. MORE DURABLE than any other typewriter, because it has about 50 per cent. LESS WEARING POINTS than most other typewriters.

50 per cent. EASIER to write with than these other COMPLICATED, INTRICATE MACHINES that require "homoring"—technical knowledge—long practice and special skill to operate. These machines which cannot be adjusted to any special space—with which it is impossible to write abstracts, insurance policies, odd size documents except you buy expensive SPECIAL attachments requiring experts to operate.

You can adjust the OLIVER to any REASONABLE space—you can write on ANY reasonable size or thickness of paper, right out to the very edge, without the aid of ANY EXPENSIVE ATTACHMENT or special skill, and your work will be neat appearing, legible and clear.

For the OLIVER is the Typewriter for the doctor, lawyer, the insurance agent, the merchant, the hotel proprietor—or any one who does his own writing. Write us now for our booklet on the SIMPLIFIED features of the OLIVER.
