Truly, "Something For Nothing"

To the Young Man or Young Lady Who Wishes to Take a FREE Business Course in Either Book-Keeping or Shorthand and Typewriting at an Up-To-Date Business College.

We have made arrangements with the American Shorthand and Business College of Durham, N. C., to enter one student in that College before and not later than September 14th, 1911.

The certificate that we hold to give to some bright young person in this contest is good for and will be accepted, in full payment (\$50) for tuition in the above named institution entitling the holder to an entire course in either Bookkeeping or Shorthand and Typewriting absolutely FREE without any "strings" to it.

We are going to make somebody a present of this scholarship—and pure hard cash, too.

The proposition is briefly this: We want some new subscribers to THE ENTERPRISE. We'll give every contestant 15 per cent on the dollar for all cash subscriptions. The individual that secures the greatest number of cash subscriptions above 10 between now (Sept. 17) and Nov. 1st, 1909, gets this free fifty-dollar (\$50) tuition certificate for their trouble, and besides 15c on the dollar for every cash subscription.

This is the most honorable contest we could think to put on for the young people and besides it affords pure cash for ALL who try. How can your friends afford to say "no" when you explain what you are working for? There is not a more desirable time of year to work than the Fall of the year, for every man has money during the Fall of the year. Taking all these desirable points under consideration we cannot urge you too greatly to enter this contest.

SPECIAL: To the one sending us the first cash subscription we are going to credit him or her with five gift votes to start with for being first. WHO SHALL BE FIRST?

Write today for your name to be entered and sample bundle of papers.

Sincerely,
MANNING & HASSELL,
Publishers THE ENTERPRISE,
