### Causes 95 per cent of Diseases

#### Advice Concerning Stomach Troubles and How to Remedy Them

Do not neglect indigestion which leads to all sorts of ills and complications. An eminent doctor once said that 95 per cent of all the ills of the human body have their origin in a disordered stomach.

A physician who made a specialty of stomach troubles, particularly dyspepsia, after years of study perfected the formula from which Rexall Dyspepsia Tablets are made. Our experience with Rexall Dyspepsia Tablets leads us to believe them to be the greatest remedy known for the relief of acute indigestion and chronic dyspepsia. Their ingredients are soothing and healing to the inflamed membranes of the stomach. They are rich in pepsin, one of the greatest digestive aids known to medicine. The relief they afford is almost immediate. Their use with persistency and regularity for a short time brings about a cessation of the pains caused by stomach disorders.

Rexall Dyspepsia Tablets will insure healthy appetite, aid digestion and promote nutrition. As evidence of our sincere faith in Rexall Dyspepsia Tablets, we ask you to try them at our risk. If they do not give you entire satisfac-

tion, we will return you the money you paid us for them, without question or formality. They come in three sizes, price 25 and 50 cents and \$1.00.

Remember, you can obtain Rexall Remedies in Williamston only at our store—The Rexall Store, The S. R. Biggs Drug Co.
