

A LOVELY WEDDING IN WILSON

Mr. Cushing Biggs Hassell Weds Miss Mary Lee Woodard Wednesday Evening--Brilliant Social Event--Many Out of Town Guests Present

St. Timothy's, the beautiful Episcopal Church in Wilson, was a scene of unusual beauty and brilliancy on the evening of Wednesday, the 6th instant when the marriage of Miss Mary Lee Woodard, the daughter of Hon. and Mrs. John E. Woodard, and Cushing Biggs Hassell was solemnized.

The church was decorated with spring flowers of remarkable beauty and perfume, and was an ideal place for the marriage vows to be given. Mrs. Thomson, organist of the church, rendered several selections from the bride's favorite composer, and just before the bridal party entered, Mr. H. D. Brown sang "Oh Perfect Love."

The wedding party entered as follows: Col. Burton and Mr. E. G. Rallings, of Mebane; Mr. Kader B. Crawford and Frank F. Fagan, of Williamston, who were followed by the bridesmaids, Miss Mary Hassell, of Williamston, and Miss Clara Daniel, of Wilson. These ladies wore white satin gowns and veils and carried Easter lilies. Then came the groomsmen, Mr. John L. Hassell and Mr. Harry A. Biggs, of Williamston. The Matron of Honor, Mrs. Frederick W. Hoyt, of Williamston, wearing a white satin gown with veil and carrying roses, came next. She was followed by Mr. Frank Hassell, of Wilson. Next came the Maid of Honor, Miss Delzelle Woodard, who was dressed in pink satin and carried pink roses. The bride now entered on the arm of her father, Hon. John E. Woodard, by whom she was given away. She wore a gown of white satin with veil and orange blossoms. She was met at the altar by the bridegroom, who had as his best man, Dr. James S. Rhodes, of Williamston.

The beautiful ceremony of the Episcopal Church was read by the rector, Rev. Alexander Evans assisted by the Rt. Rev. Joseph Blount Cheshire, Bishop of North Carolina.

After the wedding, the bridal party was given a reception at the home of the bride's parents.

Mr. and Mrs. Hassell left on the 11 o'clock train for New York, where they will spend their honeymoon. They will be at home in Williamston after April the twenty-fifth, and the many friends of Mr. Hassell have a hearty welcome for his bride, who will be a decided addition to the society of the town.

The Cotton Farmer Should Be King

Make cotton your servant, and not your master. Consider yourself king and not the crop. And the one way to do this is to have rotation and diversification. Join the great cotton-raising revival. Build up your land with legumes and stable manures. Don't put a pound of cottonseed meal in the ground, but use this king of cattle feeds for feeding livestock. "Cotton, corn and cattle"—these three C's should be the slogan of the South; and while this may or may not mean that cotton as a crop will be king, it does mean that the cotton farmers—able to grow all other crops that men grow anywhere, and with a monopoly of the world's cotton supply in addition—will indeed be the kings among all farmers that till the surface of our earth—Raleigh (N. C.) Progressive Farmer and Gazette.

For Catarrh

Medicine Free in Every Case Where It Fails to Relieve

Neglect or pessimism, we believe, is the greatest enemy the public has to contend with when applied to the loss or recovery of health. Practically every case of consumption might have been cured if hope had been maintained and proper treatment had been resorted to at the first symptom of the disease. Until the advanced stage is reached consumption is curable. Catarrh is responsible, we believe, for many cases of consumption. It is about catarrh we want to talk to you today, incidentally consumption, since the two are so closely allied.

We have a medicine made from a prescription of one of the most successful catarrh specials known. We believe it is positively without an equal. We are so satisfied that we are right, that we will supply the medicine free in every instance where it is used according to directions for a reasonable length of time, should it fail to give satisfaction in every particular. We want every one to try this medicine at our risk. There are no conditions attached to our offer. We put the user under no obligation to us whatsoever.

The medicine we want you to try is Rexall Mucu Tone. It is a catarrh remedy that goes right to the seat of trouble. It is carried by the blood to every part of the system. It purifies and enriches the blood, tones up the mucous cells, and brings about a condition of health and strength that tends to prevent the germs of consumption from getting a start. Besides this, Rexall Mucu Tone is a wonderful appetizer, digestive aid and flesh builder. Its good effects are often felt from the very first dose. It is one of the largest and most satisfactory selling medicines that we have ever had anything to do with.

We know so much of the great good that it has done that we personally back it up with our reputation and money, which fact should be ample guarantee to satisfy anybody. Rexall Mucu Tone comes in two sizes, 50 cents and \$1.00. We urge you to try it. Remember you can obtain Rexall Remedies in Williamston only at our store, The Rexall Store. The S. R. Biggs Drug Co.

Death of Stanley Leggett

(Contributed)

On Thursday, March 24th, 1910, the soul of Stanley Leggett passed into the Great Beyond, there to await the Resurrection Morn. He was seventy-nine years old, and had been married twice, first to Elizabeth Griffin from which union seven children were born, three of whom are living, and then to Artimissi Knox, who died in 1900 leaving one child, Mack Leggett, at whose home Stanley Leggett had lived for some years and died there.

Mr. Leggett was early left an orphan and was reared by his uncle, Abram Peel. He served faithfully in the Civil War. For years his health had been failing, and he expressed a wish for death to come and relieve him.

His soul was full of human kindness, always ready to lend a helping hand whenever he could. He had never connected himself with any religious body but professed faith in the doctrines of the Primitive Baptist Church. For long years he had been a member of the Masonic fraternity.

The funeral services were conducted by Elder M. T. Lawrence, and a large body of Masons buried him with all the honors of a worthy Craftsman.

Worse Than Bullets

Bullets have often caused less suffering to soldiers than the eczema L. W. Harriman, Burlington, Me., got in the army and suffered with forty years. "But Bucklen's Arnica Salve cured me when all else failed," he writes. Greatest healer for Sores, Ulcers, Boils, Burns, Cuts, Wounds, Bruises and Piles. 25c at All Druggists.

MANY SUDDEN DEATHS

From Poisonous Rheumatism

Rheumatism has for years been regarded as an exceeding painful disease but it has only been discovered within the last few years that it is this terrible trouble that is either directly or indirectly causing thousands of deaths yearly throughout our country. Rheumatism of the Heart, Neuralgia of the Heart, Paralysis, Uric Acid Poisoning are among the most dangerous forms of the disease. If Uric Acid is allowed to stay in the system sudden death can scarcely be averted, but if any sufferer will go at once to C. D. Carstarphen & Co. and get a bottle of "Bloodine," the guaranteed remedy for rheumatism, they will positively be cured. Bloodine in large bottles cost 50 cents. In old chronic cases where there is acute pains, "Bloodine Rheumatic Liniment" should be used with "Bloodine."
