And-now Teddy has given offence to the Holy See Whose time will it be next? Not Taft's, he would, no doubt, cater to Rome. It musbe gratifying to every American Protestant to know that our representative men do not sacrifice their principles when from home, even though all the Popes should rise up and demand it. Roosevelt deserves one extra whoop for his action, and he will get it when he lands on his native soil.

Allsbrooks For Solicitor

The announcement of the retirement of C. C. Daniels from the office of solic tor of the Fourth Judicial District, has brought be fore the people of that District the claims of Richard Allsbrook, of Edgecombe County. Mr. Alls brook is a native of Halifax County and enjoys the confidence and esteem of those with whom he he spent his earlier days. For some years he has made his home in Tarboro, identifying himself with everything which has made for the best along all lines in town and county. As a practitioner, he has taken a prominent place and is regarded as one of the brightest young attorneys of the East. He has given his services free'y and gladly to advance the cause Democray, and is in every way worthy of any honor that the party can place upon him.

We desire to see Mr. Allsbrook the nominee of the party, feeling that he is eminently fitted to pro tect the State against those who violate its laws. The office of solicitor is no easy one, a man must be honest, conscientious and fearless, and we believe that Mr. Alls brook meets every requirement.

A Merciful Ruler

Baxter Shemwell has served his short sentence of five days. Now what?" Will be respect Governor Kitchin's clemency and act the well as he has ed upon him, then in the order of

facts brought to bim that the public know not about, yet the same public demanded protection from such old and infirm men with guns which are liable to pop out at any moment We believe that Shem well should have been placed in there have been any serious change in his physical condition, then the pardon would have been acceptable to the people. Still we cannot understand why the action of the Governor should be harshly condemned by so many in the State, because after all it was the exrcise of that mercy which be cometh the rulers of men, and without which no man is fitted to be over a people.

Diarrhoea should be cured without loss of time and by a medicine only cures promptly but produces no unpleasant after effects. It never fails and is pleasant and safe to take. Sold by Saunders & Fowden and All Dealers.
