

A PRETTY HOME WEDDING

Mr. Samuel F. Williams, Jr., and Miss Carrie Alexander Biggs Married on Saturday Last at the Home of the Bride -- Reception Follows the Ceremony and is Attended by a Large Number of Friends -- The Bride and Groom Will Tour the West and Southwest

On Saturday afternoon at four o'clock at the residence of her mother, Mrs. John Dawson Biggs, Miss Carrie Alexander Biggs was married to Mr. Samuel Ferebee Williams, Jr., the ritualistic ceremony being read by the Reverend George J. Dowell.

In the back of the hall a temporary altar was improvised, made of white upon which was placed beautiful specimens of ferns and white asters, on the altar were gold candelabra once the possession of the United States Senator Asa Biggs, now owned by his daughter, Mrs. W. T. Crawford. Under the arch which stood in front of the altar was hung a wedding bell from which was suspended a spray of lilies of the valley, the bride's favorite flower.

Miss Biggs, who wore a Reffern gown of heavy white satin, embroidered with pearls, wearing the bridal veil caught in place with orange blossoms, and carrying a bouquet of lilies of the valley, came down the stairway alone, at the foot of which she was met by the bridegroom who wore the conventional afternoon dress. White ribbons from the altar were carried by the Misses Fannie Biggs Martin and Delha Kate Ward down the hallway making an aisle through which the bride and bridegroom passed. After the ceremony Mr. and Mrs. Williams walked down the hall to the drawing room to the music of the wedding march by a classical composer played by Mrs. R. T. Coburn, where they received the guests. The reception lasted for half an hour and was attended by the elite of Williamston. Many of the refreshments were made in the design of lilies of the valley. After the reception Mr. and Mrs. Williams changed to their traveling clothes and were taken to the station where they boarded the five o'clock train starting on their honeymoon. They will go direct to Philadelphia for a visit of a week, after which they will start on a tour of the western cities, including the Yellowstone Park, returning to North Carolina by way of New Orleans, and they will be at home in Williamston after the twentieth of October.

Miss Biggs, who is an accomplished musician and skillful horsewoman, is a daughter of the late John Dawson Biggs, a prominent figure in the state in his day, and she is the foster granddaughter of the late Dennis Simmons, the South's greatest orphanage philanthropist. She is loved by her friends who wish for her the greatest possible happiness.

Mr. Williams is the oldest son of Captain F. Williams, of Edenton, though he now lives in Philadelphia, where he is popular with a large circle of friends.

For the reception which immediately followed the Biggs residence was tastefully decorated, the predominating colors being white and pink. Candelabra shaded in pink were placed in the different rooms of the house. Dr. and Mrs. John Dawson Biggs, Mrs. Biggs wearing an afternoon gown of green satin, welcomed the arriving guests, and

Miss Mary Hasell, who wore white satin, escorted them into the sitting room where they signed the wedding book which was in charge of Mr. Harry A. Diggs. Mrs. Grover W. Hardison, who wore a gown of white satin, conducted them to the dining room where they were served refreshments, this room was in charge of Mrs. Asa T. Crawford. Mrs. Hardison then directed them to the second floor of the house where the beautiful gifts given the bride were displayed. A wealth of presents showered upon Miss Biggs, from diamonds to dainty pieces of hand-made linen. After the reception a great many of the guests went to the station where they wished the bride and bridegroom a most happy wedding journey.

Newspaper Bargain Day

One of the biggest bids made for business in this state in recent years by a daily newspaper has just been announced by The Evening Times of Raleigh. The subscription price of this paper is \$5.00 per year, but for a period of ten days only, from October 1 to October 10 at 12 o'clock p. m., they are going to accept yearly subscriptions in advance for the sum of \$2.50. This certainly is one of the most remarkable offers ever made by a responsible newspaper in this section. It is frequently done in the North and West, but The Evening Times is the first to inaugurate such a plan in this section. The idea is, according to Editor Simms, of The Evening Times, that several thousand new subscriptions can be added to the list in these ten days and collections made on the old accounts with practically no cost, and therefore, it is best to give the subscribers the benefit of the quick work. The Evening Times is Raleigh's great afternoon paper and its leased wire telegraph service and state news page is among the best. The idea of getting a daily paper on a bargain for \$2.50 per year in this state will be watched with much interest.

Services at M. E. Church

Rev. Euclid McWhorter, of Maxton, has been assisting Rev. C. L. Read in a meeting for the past two weeks. There have been two services each day and those who have attended have found every one interesting. Mr. McWhorter is regarded as one of the strong preachers in the State and a fine educator. He is a deep thinker and presents the Gospel truths in such a simple but attractive manner that all who hear him are highly edified. It is the consensus of opinion that he is one of the strongest preachers that has visited the town in years. The Church has been greatly strengthened by these services and the public generally has enjoyed them.

Opening of Graded School

The seventh term of the Graded School began here on Monday morning. The pupils and visitors together with the Board of Trustees, assembled in the auditorium at 9:45 o'clock, and after the singing of the National hymn, Rev. C. L. Read conducted a short devotional service. Prof. R. J. Peel and W. C. Manning addressed the pupils for a few minutes, outlining the policy of the Trustees toward the school and asking for the cooperation of both parents and pupils in making this the best term of the school life.

The matriculation was one of the largest seen here, though some children were prevented from entering by sickness. The school building and campus are in better condition than for some years and much of this is accredited to the Betterment Association.

The Faculty is well-equipped and the term begins under the most promising conditions. A. M. Jordan, of Sunbury, N. C., is principal and will be assisted in the High School department by Miss Annie E. Mizell. The other teachers are: Mrs. W. H. Harrell, Mrs. C. M. Lanier and Miss Lela Brown.

University Notes

The University of North Carolina is now fairly started on the 116th year of its service to the people of the state with an enrollment which bids fair, in spite of the raising of entrance requirements for the academic schools, to equal or pass last year's figures, 821. The senior class which numbers 105 is believed to be the largest ever registered at a southern institution. The sophomore and junior classes are about normal. As yet no statistics have been compiled of these two classes. In a recent speech delivered before the state association of county superintendents assembled in Chapel Hill, President Venable outlined partly the administrative plans for the coming year. Realizing that the college was crowded to the limit of the capacity of the equipment provided by the state, he planned to have the institution grow in point of efficiency and instead of expanding in numbers, he desired a small "looping-off", as he put it, in the number who registered last year. With this end in view, the faculty had made the requirements for entrance into the academic school 20 per cent higher with the hope of bringing down the academic registration some 50 or 60, just as the inauguration of an entrance requirement for two years academic work had cut the medical school from 115 to 60. The fact that as many freshmen have already registered as had registered last year this time proves that no normal restrictions made on the part of the administration of the college can remedy the overcrowded condition of the University. The help and

the remedy must come in the form of an enlarged equipment made possible by an increased appropriation by the state legislature.

The new year sees several members of the faculty gone because of inability on the part of the administration to give the promotion and increased salary necessary to keep them here. Among those who are not gone are: Dr. Dolly of the medical school, Dr. Mills of the department of chemistry, Dr. Ruffin of the law school, Mr. Daton of the department of geology and a few men of less importance.

The several vacancies in the faculty which have been caused by death, resignation and granting of leave of absence have been filled with a success on which the executive committee of the board of trustees and the administrative faculty may well congratulate themselves.

Dr. Bain takes the chair of Greek made vacant by the death of Dr. Alexander. Dr. Bain comes from the University of South Carolina where he has a high reputation as a scholar and teacher. Professor Lucius Polk McGehee has taken up his work as dean of the law school. He succeeds Judge J. G. MacRae, who died last year. Dr. Thomas Ruffin, resigned, is succeeded by Professor McIntosh of the law school of Trinity College.

Dr. A. S. Wheeler, associate professor of organic chemistry, Dr. Henderson, of the department of mathematics, and Professor Toy, of the department of Germanic languages, who are absent in Europe on leave of absence, are succeeded by Dr. Hall, of Clemson College; Guy R. Clemens, of the Harvard scientific school, and Dr. Viles of the University of Ohio, respectively.

Dr. Mims, who has been studying in Europe since his election in 1908, has taken up his work as Professor of English Literature. Dr. Royster has been promoted to the full professorship of English Language. Professor Graham retains his position as Professor of English Literature and head of the department of English. Professor Graham's work consists mainly in courses in self-expression. As dean of the college he has not time to offer very many courses. Dr. Royster's specialty is Philology. Dr. Mims is known best as an inspirational teacher of poetry. The English department is strong.

"Progressive Hearts" Party

Mrs. A. S. Coffield fully sustained her reputation as a most delightful hostess on last Friday evening, when she gave a "Progressive Hearts" Party in honor of her niece, Miss Mildred Purvis. The residence on upper Main Street was appropriately decorated and a large number of the young people enjoyed every minute of the evening.

Tables were arranged for "Progressive Hearts" and the playing was spirited until the series was finished. Miss Bert Gardner won first prize and B. A. Critcher the consolation. Mr. Harry Biggs presented the prizes in his usual happy style. Ices and cakes were served the guests and the occasion was one of the most pleasant of the early fall.

MARTIN COUNTY DEMOCRATS MEET

A Large and Enthusiastic Number of the Stalwart Democrats Present on Thursday -- Full Ticket Nominated -- Good Feeling and Harmony Prevail.

Yesterday more than a thousand of the Democrats of Martin County met on the Graded School campus and were called to order at 1 o'clock by Chairman Stubbs. The day was dark and dreary with slight rain, but notwithstanding the weather conditions everybody present was eager to pledge himself anew to good government in County, State and Nation, realizing that good government can come only by the continuance of Democratic rule. The candidates for the several offices, with their usual cleverness, entertained all who desired lunch before the convention. No convention has ever been more harmonious and excellent order prevailed throughout the entire time.

Upon the opening of the convention, Dr. John D. Biggs was called to be temporary chairman, and W. C. Manning, J. L. Coltrain, and R. J. Peel temporary secretaries. Motion by H. W. Stubbs making the temporary organization permanent, prevailed. The motion to make the nominations of Commissioners first was lost. H. W. Stubbs was nominated for Representative in the Legislature by acclamation. J. A. Hobbs for Clerk of the Court; A. S. Coffield for Register of Deeds; C. D. Carstarphen for Treasurer by acclamation; Sylvester Peel for Surveyor; Dr. J. H. Saunders for Coroner. The contest for the office of sheriff was the only one in the convention, the other candidates having no opponent. Harmon T. Roberson, of Griffins Township, opposed J. C. Crawford, but Crawford received thirty-two and a fraction votes and won out by a good margin. The following are the nominees for Commissioners: H. C. Spruill, Benjamin S. Cowing, H. M. Burras, Julius T. Barnhill and Robert H. Salsbury.

The following resolutions were offered and adopted:

Whereas, the present plan of open convention in the County of Martin for the nomination of County and other officers has proven to be unsatisfactory and inconvenient to the people of the County,

Therefore, be it resolved by this Convention en masse assembled, that it is the sense of this convention that the primary system under the present plan of organization of the Democratic party be hereafter adopted and followed in this County.

It is further resolved by this convention that the representative from Martin County be and he is hereby instructed to vote and support any bill that may be introduced in the next Legislature providing for a legalized primary for the State.

Resolved, that the Democratic party in convention assembled do hereby resolve that it is the sense of this Convention that ample provision should be made at the County Home for buildings necessary for caring for the poor and infirm; and they do hereby pledge themselves in favor of having this resolution carried into effect.
