

There's No Risk

If This Medicine Does Not Benefit You Pay Nothing

A physician who made a specialty of stomach troubles, particularly dyspepsia, after years of study perfected the formula from which Rexall Dyspepsia Tablets are made.

Our experience with Rexall Dyspepsia Tablets leads us to believe them to be the greatest remedy known for the relief of acute indigestion and chronic dyspepsia. Their ingredients are soothing and healing to the inflamed membranes of the stomach. They are rich in pepsin, one of the greatest digestive aids known to medicine. The relief they afford is almost immediate. Their use with persistence and regularity for a short time brings about a cessation of the pains caused by stomach disorders.

Rexall Dyspepsia Tablets will insure healthy appetite, aid digestion and promote nutrition. As evidence of our sincere faith in Rexall Dyspepsia Tablets, we ask you to try them at our risk. If they do not give you entire satisfaction, we will return you the money you paid us for them, without question or formality. They come in three sizes, prices 25 cents, 50 cents and \$1.00. Remember you can obtain them only at—The Rexall Store The S. R. Bgg. Drug Co.

The quicker a cold is gotten rid of the less the danger from pneumonia and other serious disease. Mr. B. W. L. Hall, of Waverly, Va., says: "I firmly believe Chamberlain's Cough Remedy to be absolutely the best preparation on the market for colds. I have recommended it to my friends and they all agree with me." For sale by All Dealers.

A Beautiful Calendar

Mr. Frank F. Fagan, the clever Cashier of the Farmers and Merchants Bank, has presented the office a very handsome calendar. It is a reproduction of "Morning, Vale of the Treignac, France," a famous painting by Gaston Anglade. These calendars from year to year remind one of the safety, soundness and security of this bank which sends out attractive souvenirs. The calendar is the work of the Thomas D. Murphy Company, of Red Oak, Iowa.

Could Not Smell for Years.
Mrs. A. L. Wetzel, 1635 Ohio St., Terre Haute, Ind., writes:

"When I began to take your medicine I could not smell, nor hear a church bell ring. Now I can both smell and hear."

"When I began your treatment my head was terrible. I had buzzing and chirping noises in my head."

"I followed your advice faithfully and took Per-na as you told me. Now I might say I am well."

"I want to go and visit my mother and see the doctor who said I was not long for this world. I will tell him it was Per-na that cured me."

People who object to liquid medicines can now secure Per-na tablets.

Don't Be Bald

Nearly Anyone May Secure a Splendid Growth of Hair

We have a remedy that has a record of growing hair and curing baldness in 93 out of every 100 cases where used according to directions for a reasonable length of time. That may seem like a strong statement—it is, and we mean it to be, and no one should doubt it until they have put our claims to an actual test.

We are so certain Rexall "93" Hair Tonic will cure dandruff, prevent baldness, stimulate the scalp and hair roots, stop falling hair and grow new hair, that we personally give our positive guarantee to refund every penny paid us for it in every instance where it does not give entire satisfaction to the user.

Rexall "93" Hair Tonic is as pleasant to use as clear spring water. It is delightfully perfumed, and does not grease or gum the hair. Two sizes, 50c. and \$1.00. With our guarantee back of it, you certainly take no risk. So do only at our store—The Rexall Store The S. R. Bgg. Drug Co.

Came Natural.

"Johnnie!"
"Yessum."
"When did you learn to swear?"
"Learn to swear?"
"Yes."
"Never did learn."
"Johnnie, I just heard you swearing something frightful."
"Never did learn nohow. Guess I was just born that way."

Mercenary Maid.

"Ethel?"
"Yes, dear."
"Do you believe in long engagements?"
"That depends."
"On what?"
"Whether there is a richer man in sight or not."

Found It Easy.

"His wife never disagrees with him."
"What harmony! Maybe she is afraid of him."
"No; she has a mind of her own."
"But do their hearts always beat as one?"
"Yes; he always agrees with her."

A Minor Luxury.

"Wait for me a moment. I must run over to the butcher shop."
"What for?"
"I want to order a porterhouse steak for dinner."
"I thought you told me you couldn't afford an automobile."

Excellent.

"What would you advise a fellow to do that is broke?"
"Broke?"
"Yes."
"I should advise him to find employment in a repair shop."

Solitary Grandeur.

"Where did he get his title of general?"
"In a South American revolution."
"Was he kind to the privates?"
"He never saw any."

Has Yet to Matriculate.

"What school did you attend?"
"The school of experience."
"I never heard of that."
"No? Well you are slated for it all right, then."

Lime For Farms

WE ARE again selling LIME for Farming purposes. The highest grade 98 per cent pure lime in bulk or fresh ground, screened and sacked. No water about it. Ready and convenient to apply to the land AT ONCE. Farmers Should Not Buy Ready Sacked Lime—Such as hydrated lime as they would get 33 1/3 per cent. water, and prepared lime is still worse—when you would get only 28 per cent lime, making only 560 lbs. to a ton and 20 lbs. of Potash. And then having to haul 1420 lbs. of filler that is worthless, when you can get a ton of fresh lime analyzing 98 per cent pure lime for half the price.

Let us sell you early and save money. January is the time to handle lime.

"DAD, HERE'S TO YOU"

We happened in a home the other night, and over the parlor door saw the legend worked in letters of red, "What is Home Without a Mother?" Across the room was another brief, "God Bless Our Home"

Now, what's the matter with "God Bless Our Dad?" He gets up early, lights the fire, boils an egg and with his boots wipes off the dew of the dawn while many a mother is sleeping. He makes the weekly bandout for the butcher, grocer, milkman and baker, and his pile is badly walloped before he has been home an hour.

If there is a noise during the night dad is kicked in the back and made to go down stairs to find the burglar and kill him. Mother darns the socks, but dad bought the socks in the first place, and the needles and the yarn afterwards. Mother does up the quilt but dad bought it all, and jars and sugar cost like the mischief.

Dad buys the chickens for the Sunday dinner, carves them himself and draws the neck from the ruins after every one else is served. "What is Home Without a Mother?" Yes that is all right; but what is home without a father? Ten chances to one it's a boarding house, father is under a slab, and the landlady is the widow. Dad, here's to you—you've got your faults; you may have lots of 'em—but you are all right, and we will miss you when you're gone.

Of course you will miss dear old Daddy when he is gone? How about it, Dad? Are you insured in the NEW-YORK LIFE?
