Which Are You?

There is one great truth in Holy Writ which applies most forcibly to the life of every man and woman A majority of the yoters in Wil in any community. The trulum is: Hamston Township want good roads "No man liveth into himself, and and said so on Tuesday, when the no man dieth unto himself." The election to decide about the bond history of any town is the history issue for same was won by twenty of its people individually and coltwo. This was a small victory- lectively. We are a part, however much smaller than it should have small, of the great whole and a been considering the importance of selfish life tends to hurt the comthe question to be decided. The munity as does the unselffish one voters within the corporate limits tend to uplift. If with proigal of the town voted for the bonds hand we give of our best thought. with very few exceptions, and the our strong heart, our earnest labors people in the country tried to kill for the moral and material advancethe bill. The Origin of Royster Fertilizers.

Mr. Royster believed that success awaited the Manufacturer of Fertilizers who would place quality above other considerations. This was Mr. Royster's idea Twenty-seven years ago and this is his idea to-day; the result has been that it requires Eight Factories to supply the demand for Royster Fertilizers.
