Defeat Through Drunkenness.

(Temperance Lesson.) 1 Kings xx: 12-21.

Golden Text—It is not for kings to drink wine; nor for princes strong drink. Prov. xxxi: 4.

(1) What is the general effect of drinking on kings and princes?

(2) What battles can you mention that have been lost, or wars which have been jeopardized through drink?

(3) What great men can you recall who have been ruined through drink?

(4) Verse 12—Who was Benhadad and what were the circumstances which "this message" referred to?

(5) Is a king, the general of an army, a business man, or any other man, when under the influence of drink, in a condition to wisely decide on great issues? Why?

(6) Would this war, which proved so disastrous to Benhadad, likely have taken place if he had not been influenced by drink?

(7) Verses 13-14—How did this prophet know, in advance, that Ahab was going to conquer the powerful Benhadad?

(8) Which army is more likely to win in a battle, and why, one of ten thousand with its officers drunk, or one of five thousand with its officers sober, other things being equal?

(9) What part does God, or the laws of God, play in modern warfare?

(10) Verses 15-16—What forces were working in favor of Ahab, and what forces working against Benhadad?

(11) What are the chances for a man founding a happy family, conducting a successful business, or winning in any battle, if he "drinks himself drunk" and consorts with men who drink?

(12) What proportion of sensuous men attain distinction and hold the love and confidence of the community?

(13) Verses 17-18—Wherein were the instructions of Benhadad worthy of a drunken man?

(14) If Benhadad had been sober what would his instructions probably have been?

(15) How does drink influence the judgment, the motives and the ambitions of a man?

(16) Verses 19-21—What would you say was the chief cause of the defeat of the Syrians?

(17) There are many foes to-day which conquer and defeat men, including strong drink. Say which you consider the worst and why? (This question must be answered in writing by members of the club.)

(18) How many men do you personally know who have been defeated by drink and how many do you know who have been injured by total abstinence?

It Is Curable

Dyspepsia may be completely eradicated if properly treated. We sell a remedy that we positively guarantee will completely relieve indigestion or dyspepsia, or the medicine used during the trial will cost the user nothing.

This remedy has been named Rexall Dyspepsia Tablets. Certainly no offer should be more fair, and our offer should be proof positive that Rexall Dyspepsia Tablets are a dependable remedy.

Inasmuch as the medicine will cost you nothing if it does not benefit you we urge you who are suffering with indigestion or dyspepsia to try Rexall Dyspepsia Tablets. A 25 cent box contains enough medicine for fifteen days' treatment. For chronic cases we have two larger sizes, 50 cents and \$1.00. Remember you can obtain Rexall Remedies only at The Rexall Store.

Even a homely girl believes a man when he tells her she is beautiful.

Do you know that of all the minor ailments colds are by far the most dangerous? It is not the cold itself that you need to fear, but the serious diseases that it often leads to. Most of these are known as germ diseases. Pneumonia and consumption are among them. Why not take Chamberlain's Cough Remedy and cure your cold while you can? For sale by All Dealers.

MR. FARMER!—Have you stopped to consider how important it is that every farmer should know what ingredients constitute the Fertilizer that he uses. For HIS YEAR'S LABOR, HIS CROP, THE SUPPORT OF HIS FAMILY DEPENDS ON

THE RESULTS OF THE FERTILIZER USED

It does not pay to buy Fertilizer because it is cheap. Some Fertilizers on the market are made of low price material and have very little plant food qualities, hence are costly at any price. We are making, in our opinion, the best class of Fertilizers sold in the South.

We Give You 2,000 Pounds

Of the following material in each and every ton: Cotton Seed Meal, Fish Scrap, Nitrate of Soda, High Grade Phosphates, Murate of Potash, Manure Salts and Kainits. Our goods have lasting qualities, enriches the soil. Ask J. L. HASSELL & CO. for N. B. Josey Guano, Cotton Seed Meal and Fish Scrap Guano.
