—Rev. C. L. Read spent Monday night in town the guest of Dr. Knight. He was en route from the Conference and came here to baptize the infant son of Mr. and Mrs. S. A. Newell. Mr. Read has many friends here who are always glad to welcome him. He has been appointed to the station at Aberdeen, having been at Murfreesboro the past year.

—The Conference returned Rev. Rufus Bradley to the Williamston and Hamilton Circuit for another year. This gives satisfaction to the congregation and to friends in the town, who recognize Mr. Bradley's worth both as citizen and minister. He was called home by wire on Saturday to conduct the funeral services of Mrs. Elizabeth Short, and so missed two days of the session of the Conference. The next session will be held in Fayetteville.

Lightning Kills Few

In 1906 lightning killed only 179 people in this whole country. One's chances of death by lightning are less than two in a million. The chance of death from liver, kidney or stomach trouble is vastly greater but not if Electric Bitters be used, as Robert Madden, of West Burlington, Ia., proved. Four doctors gave him up after eight months of suffering from virulent liver trouble and yellow jaundice. He was then completely cured by Electric Bitters. They're the best stomach liver, nerve and kidney remedy and blood purifier on earth. Only 50c at Saunders & Fowden.

Ends Winter's Troubles

To many, winter is a season of trouble. The frost-bitten toes and fingers; chapped hands and lips, chilblains, cold sores, red and rough skins, prove this. But such troubles fly before Bucklen's Arnica Salve. A trial convinces. Greatest healer of Burns, Boils, Piles, Cuts, Sores, Bruises, Eczema and Sprains. Only 25c at Saunders & Fowden.
