It is thought that the republicans will break their record this year for grabbing everything in sight in government offices, as hopes for Democratic victory are very bright

Bryan, the Nation's greatest orator, delighted a splendid audience in Raleigh Saturday night last. Carolinians are pleased to honor the Great Commoner, as he honors them when he comes within our borders. While not a candidate for the presidency, he is still in politics and stands firmly for those principles which he has tried to plant in the hearts of his countrymen.

Martin County has surpassed itself in the amount of "hog and hominy" raised last year. Never before have so many people made their meat and bread. Numbers of renters who have never had hogs before, are salting away a goodly supply. The largest firm in town has been placing very small orders for meat and the outlook was never so promising. Wherever peanuts are cultivated, there you will find plenty of bacon fit for the king's palace. Any industrious farmer in the county can set a table filled with good old Tar Heel fare which entirely satisfies on these days of falling mercury and sleet and snow.

Dr. Thomas C. Pugh

The funeral of Dr. Thomas C. Pugh, 74 years old, a surgeon in the Confederate Army, who died at his home, 2416 Madison avenue, of Bright's disease, will take place at 10:30 o'clock tomorrow morning. Rev. Dr. G. Mosley Murray, of St. Bartholomew's Episcopal Church, will conduct the services. Interment will be in Druid Ridge Cemetery. Dr. Pugh is survived by a widow, who was formerly Miss Florence K. Kingsbury, of Oxford, N. C.; two daughters (Mrs. J. O. Preston and Mrs. David T. Usher, both of Baltimore) and one son (Mr. Thomas C. Pugh, Jr., of New York.)

Dr. Pugh was born near Hamilton, N. C., October 16, 1837. He received his early education in the public schools and graduated in medicine from the University of Pennsylvania before he became of age. He practiced in Williamston, N. C., until the Civil War, when he joined the Ninth Georgia Regiment as assistant surgeon. Later he was promoted to the rank of surgeon for heroic conduct on the battlefield. At the close of the war he returned to Baltimore and practiced medicine near the city. Later he gave up his practice and went into the wholesale commission business at 120 South street, from which he retired about 15 years ago.—Baltimore Sun.

Charles Durham, Lovington, Ill., has succeeded in finding a positive cure for bed wetting. "My little boy wet the bed every night clear thro' on the floor. I tried several kinds of kidney medicine and I was in the drug store looking for something different to help him when I heard of Foley Kidney Pills. After he had taken them two days we could see a change and when he had taken two thirds of a bottle he was cured. That is about six weeks ago and he has not wet in bed since." Saunders & Powden.

Such Weather!

To those who had predicted a hard winter, the weather recently was a surprise. No such hasty falling of the mercury had been noted here in twelve years. It was a full-grown blizzard and gave all the weather prognosticators more than they had looked for. Several inches of snow fell Saturday night but the sun came out in splendor about ten o'clock Sunday. Monday it sleeted and rained and by Wednesday morning scarcely a vestige of snow remained. The lowest record of the thermometer was 12 degrees. No suffering has been reported but might have been if the low temperature had continued for several days. Indeed, the Sunny South had become a land of snow and ice.

CALOMEL GIVES ONLY TEMPORARY RELIEF

So Powerful it Shocks Liver and Leaves it Weaker than Before. Dodson's Liver-Tone a Perfect Substitute

Nearly everybody who has ever tried calomel for constipation or a sluggish liver has found that it gives only a temporary relief. For calomel is such a powerful drug that it shocks and weakens the liver and makes it less able afterward to do its duty than in the first place.

This is one of the reasons why Saunders & Powden drug store would rather sell Dodson's Liver-Tone to you than calomel. We know that Dodson's Liver-Tone is a pure vegetable liver tonic that will cure constipation quickly and gently without any danger of bad after-effects. We guarantee it to do this with a guarantee that is simple and fair. If you buy a bottle Dodson's Liver-Tone for yourself or your children, and do not find that it is a perfect substitute for calomel, then come back to the store and get your money. If you don't get value for your money out of this tonic, it's your right to expect your money back, and we will gladly give it to you.

Waldmann a Finished Artist

There are those who prefer old acquaintances and those who desire to meet new faces. There are those who never go to a "first night" and those who never miss one. To those who still have a wholesome taste for the classic drama and can appreciate great plays the announcement of the coming of a finished artist of the English school Mr. Eduard Waldmann, will be welcome news. Mr. Waldmann will present the thrilling drama Dr. Jekyll and Mr. Hyde January 17th, on his visit here.
