—Rev. Rufus Bradley is teaching school near town.

—Ain't you going? Why, to the moving picture show.

—The bad weather has made the roads difficult to pass over.

—Don't fail to attend the Farmers' Institute here on February 5th.

—The gasoline engine in the peanut factory bursted on Saturday while in operation.

—The handsome town pump has retired from business on account of disabilities. So sad!

—Many fine horses and mules are being brought to Martin and adjoining counties, and the people are investing in them for the making of another bumper crop.

—There come nearly every day reports of petty stealings—done by young boys in the town. These depredations inconvenience many people and if those whose duty it is to see that their boys are honest fail then the police should look carefully into the situation. It reflects on the town to have such things go unnoticed. If boys are old enough to engage in such things for profit, then they should be subject to at least the moral law which gives to every man his own and not his neighbor's goods.

**ONE MILLION DOLLARS FOR A GOOD STOMACH**

**This Offer Should be a Warning to Every Man and Woman**

The newspapers and medical journals recently have had much to say relative to a famous millionaire's offer of a million dollars for a new stomach.

This great multi-millionaire was too busy to worry about the condition of his stomach. He allowed his dyspepsia to run from bad to worse until in the end it became incurable.

His misfortune serves as a warning to others.

Every one who suffers with dyspepsia for a few years will give everything he owns for a new stomach.

Dyspepsia is commonly caused by an abnormal state of the gastric juices, or by lack of tone in the walls of the stomach. The result is that the stomach loses its power to digest food.

We are now able to supply certain missing elements—to help to restore to the gastric juices their digestive power, and to aid in making the stomach strong and well.

We know that **REXALL DYSPEPSIA TABLETS** are a most dependable remedy for disordered stomachs, indigestion, and dyspepsia.

We want you to try them and will return your money if you are not more than satisfied with the result.

Three sizes, 25 cents, 50 cents, and \$1.00. Remember, you can **REXALL REMEDIES** in this community only at our store—**The Rexall Store. The S. R. Biggs Drug Co.**
