Gove our Kuchin made the first speect in the senatorial campaign last Freisveicht in Raleigh. In this speech he attacked the public me as he seems to admit his change, record of Senator Simmons, but with a berruss characteristic of the man Kitten. Freedom from persenalities and be a marked feature now since, as he says, conditions of the comparises, which will be have changed and thereby interconducted amon a high plane as becometh the men in the race.

Boys, Attention!

This now tone to select your acre for the Coin Club Contest. Do this with great care and at the proper time put the soil in good condition. In ad it on to the three prizes offered an each township by THE ENTERPRISH, there will be a handsome cash prize of not less than \$25.00 to the boy who makes the nest yield in the County under sleep at night. The first bottle of the Contest rules.

Cet busy, boys of Martin County, and win these prizes. Why cannot one of our boys make the best world record? . It is worth working for, so begin to plan for it.

Some Needed Chauges

We do not like to complain or criticize but we have two suggestions that we will make, the following of while would give much satisfaction to the public

First, we would suggest that the Atlautic Coast Line switch is boxcars at some other portion of the come digestive disturbance yard than that directly in front of station, thus rendering it almost impossible to get off and on cars public is dutified to better Service. What's the matter that we cannot Tablets a reasonable trial we will get fetter?

generally does things in the right way, should give more light in the postoflice at Williamstor. We hope that our efficient and accommodating Postmaster and bis splendid assisant will bring the matter to the attention of the Deperiment, so that we may have lights

single fact as to his record and his change of opinion stated by me in my speech last Friday night. I defy them to quote the statement of a single fact which they wish to refute and undertake, to deuy it. They may write columns of collat eral matter, but they cannot dispute any fact as to his vote or speech which I mentioned, for I was caleful to take every fact perraining thereto from the records. These statements made by me will stand every test and remain un-

shaken to the end. 'Seuator Simmons reference to his Snow Hill speech corrobrates and undertakes to explain it. He virtually admits that be was once against a tariff on lumber when it furnished no protection, but that ferring that the tariff now furnishes protection to the lumber interests, he has also changed. That was the very charge upon the lumber, question I made-that is, that he is now against the position of the Demacratic party. He does not de by he

First La Grippe. Then Broachills

That was the case with Mrs. W S. Bailey, McCreary, Ky. "My wife was raken down with a severe attack of la grippe, which run into bronchitis. She coughed as tho' she had consumption and could not Foley's Honey and Tar Compound gave her so much relief that she continued using it until she was permanently cured." Saunder &

### For Colored Farmers

Principal W.-C. Chance, of Far mele, is conducting a series of meetings in the interest of the clor ed farmers of Martin and the northern sections of fire condition He has succeeded in getting the department of agriculture to furnish an agent and instructor to assist him in the work.

Prof. Chance thinks that the colored farmers will be help a greatly. Prof. Chas. S. Mitchel, the agent, is to visit their farm and give them the practical idea by patting his teaching in practice.

Out of the '54 local agents in North Carolina, there are only two colored. One connected with the colored A. and M. College at Greensboro, and the other with Principal Chance at Parmele.

The co-operation of the government with Prof. Chance is given through its appreciation of hicorts at Parmele, and its faith in his character, and in confidence of his abitity to succeed.-Ex.
