The Virginia-Carolina Game!

IN THE

Maryland Life Insurance Comp'y

THE struggle for supremacy in the contest between the General Agency in Virginia and our North Carolina Agency of the Maryland Life Insurance Co. is becoming more and more intense. Our agents have pulled off their coats and gotten down earnestly to work. They are fighting a CLEAN, MANLY GAME.

VIRGINIA is exhibiting some high pressure, but our steam gauge is registering just as high.

IT is predicted that margin will be very close on either side.

WON'T you help us make the margin on Carolina's side by seeing a Maryland Life agent at once. Your application will help us to win.

B. T. COWPER, Gen. Agent

Don't watch the Game--Get in the game and help North Carolina win
