In Honor of Miss Nicholson

Reported

Maurice Dunstan Watts was host to a pleasant party of friends on Washington's birthday at the residence of Mr. and Mrs. Albert S. Coffield and entertained in honor of their house-guest, Miss Winifred Nicholson, of Washington, who is one of the most popular young women who visit Williamston. The interior decorations betokened the spirit of the day, the color scheme being red, white and blue. The guests were received at the door by Miss Lettie Critcher and Prof. A. M. Jordan. Miss Susie Purvis and Roger Critcher ushered them into the cloak rooms. After returning souvenirs were pinned on the guests by little Misses Mary Gladys Watts and Lidie Cook, who ushered them to the guest room, where they were presented to the host and guest of honor, Miss Nicholson, and served with punch. Passing thence to the adjoining room, they were served with hot chocolate and wafers by Misses Fannie Biggs Martin, Fannie Murt Manning and Sallie Hadley.

When the guests had arrived, a vote for the most popular couple was taken and Miss Nicholson and Clayton Moore received the highest number of votes. Later refreshments were served. The menu consisted of ham and pepper sandwiches, sliced tongue, French potatoes, pickles, crackers, beaten biscuits, salted peanuts, stuffed dates, cream and cake. The cream was moulded in chocolate hatchets with a bust of Washington in white adorning them.

At 11 o'clock the guests repaired to the dance hall on Main street where to the pleasing strains of Alexander's Orchestra, they enjoyed the dances of the Colonial period until 12:30.

Those invited were: Miss Winifred Nicholson, of Washington; Misses Sallie Dunn, Lettie Critcher, Susie and Anna Beth Purvis, Ollie Meadows, Martha and Hattie Lou Ward, Allie Hadley, Katie Blount, Neta May Baker, Fannie Murt Manning, Sallie Hadley, Fannie B. Martin, Mary Gladys Watts, Lidie Cook; Mesdames A. S. Coffield, J. S. Cook, Wheeler Martin, John D. Biggs; Mess. Wheeler Martin, Clayton and Maurice Moore, Burrous, Roger and Duke Critcher, S. R. and J. W. Biggs, J. B. Hopkins, W. H. Gurkin, L. C. Bennett, F. M. Shute, Harry A. Biggs, Leslie Fowden, Bruce Whitley, Julius Peel, C. A. Baker, A. S. Coffield, John D. Biggs, Hugh B. York and A. M. Jordan.

C. A. Glossner, 24 Ontario St., Rochester, N. Y., has recovered from a long and severe attack of kidney trouble, his cure being due to Foley Kidney Pills. After detailing his case, he says: "I am only sorry I did not learn sooner of Foley Kidney Pills. In a few days' time my backache completely left me and I felt greatly improved. My kidneys became stronger, dizzy spells left me and I was no longer annoyed at night. I feel 100 per cent better since using Foley Kidney Pills." Saunders & Fowden.

Embroidery Club

The Embroidery Club held a most delightful meeting with Miss Anna Crawford on Friday afternoon last, at her home on the corner of Church and Smithwick streets. There were only a few of the members present as it is in the season of Lent. But those present had a very pleasant hour, having as guest of honor, Mrs. C. D. Carstarphen. The hostess gave as souvenirs very dainty needle books and served delicious refreshments. The next meeting will be held with Mrs. A. R. Dunning March 8th.

Birthday Party

Master Bryant Bennett, the little son of Mr. and Mrs. C. D. Carstarphen, celebrated his fifth birthday Monday afternoon at his home on Smithwick street. A large number of his young friends were invited and went, each carrying some gift for the young host. From 3 to 5:30 o'clock, the little folks assisted by a few older ones, romped and played games, sang to piano accompaniment and had a jolly good time. Master Lou Hassell, who is gifted with a voice of remarkable power for one of his tender years, delighted the guests with his rendition of "The Hobbie Skirt." A chorus of girls from the primary department of the Graded School delighted every one with their songs and received frequent encores. Fruits, cream and cakes were served in the dining room, the table being beautiful with candelabras holding five candles, all aglow with light and the birthday cake artistically ornamented and upon which burned five candles.

AVOID HARSH DRUGS

Many Cathartics Tend to Cause Injury to the Bowels

If you are subject to constipation, you should avoid strong drugs and cathartics. They only give temporary relief and their reaction is harmful and sometimes more annoying than constipation. They in no way effect a cure and their tendency is to weaken the already weak organs with which they come in contact.

We honestly believe that we have the best constipation treatment ever devised. Our faith in it is so strong that we sell it on the positive guarantee that it shall not cost the user a cent if it does not give entire satisfaction and completely remedy constipation. This preparation is called Rexall Osmolites. These are prompt, soothing, and most effective in action. They are made of a recent chemical discovery. Their principal ingredient is odorless, tasteless, and colorless. Combined with other well-known ingredients, long established for their usefulness in the treatment of constipation, it forms a tablet which is eaten just like candy. They may be taken at any time, either day or night, without fear of their causing any inconvenience whatever. They do not gripe, purge, nor cause nausea. They act with causing any pain or excessive looseness of the bowels. They are ideal for children, weak, delicate persons, and aged people, as well as for the most hearty person.

They come in three sizes packages, 12 tablets, 10 cents; 36 tablets, 25 cents; 80 tablets, 50 cents. Remember, you can obtain them only at our store—The Rexall Store. The S. R. Biggs Drug Co.

Two Things.

The Henderson Gold Leaf tells us what will bring happiness and prosperity. Will we do what the Gold Leaf says:

"There are two things that tend very much toward bringing happiness and prosperity to a community. The first of these is good roads, and the second is to get rid of all the criminal element in its citizenship. So if a community will put its criminal and law breaking element to building good roads, it will soon find itself on the road to happiness and prosperity."—Commonwealth.

R. G. Collins, Pharmacist, Barnegat, N. J., was troubled with a severe la grippe cough. He says: "I would be completely exhausted after each fit of violent coughing. I bought a bottle of Foley's Honey Tar Compound and before I had taken it all the coughing spells had had entirely ceased. It can't be beat." Saunders & Fowden.

A GREAT DISCOVERY

Certain Ingredients That Really Promote Hair Growth when Properly Combined

Resorcin is one of the most effective germ destroyers ever discovered by science and in connection with Beta Naphthol, which is both germicidal and antiseptic, a combination is formed which destroys the germs which rob the hair of its natural nourishment, and also creates a clean, healthy condition of the scalp, which prevents the development of new germs.

Pilocarpin, although not a coloring matter or dye is a well-known ingredient for restoring the hair to its natural color, when the loss of hair has been caused by a disease of the scalp.

These ingredients in proper combination, with alcohol added as a stimulant and for its well-defined nourishing properties, perfect perhaps the most effective remedy that is known for scalp and hair troubles.

We have a remedy which is chiefly composed of these ingredients, in combination with other extremely invaluable medicinal agents. We guarantee it to positively cure dandruff and to grow hair, even though the scalp in spots is bare of hair. If there is any vitality left in the roots, it will positively cure baldness, or we will refund your money. If the scalp has a glazed, shiny appearance, it's an indication that baldness is permanent, but in other instances we believe baldness is curable.

We want every one troubled with scalp disease or loss of hair to try Rexall "93" Hair Tonic. If it does not cure dandruff and grow hair to the satisfaction of the user, we will without question or quibble return every cent paid us for it. We print this guarantee on every bottle. It has effected a positive cure in 93 per cent of cases where put to a practical test.

Rexall "93" Hair Tonic is entirely unlike, and we think, in every particular, better than anything else we know of for the purpose for which it is prescribed. We urge you to try this preparation at our entire risk. Certainly we know of no better guarantee to give you. Remember, you can obtain Rexall Remedies in Rochester only at our store—The Rexall Store. The S. R. Biggs Drug Co.

How Cold Causes Kidney Disease

Partly by driving blood from the surface and congesting the kidneys, and partly by throwing too much work upon them. Foley Kidney Pills strengthen the kidneys, give tone to the urinary organs and restore the normal action of the bladder. They are tonic in action; quick in results. Try them. Saunders & Fowden.

Colored Teachers' Meeting

The regular meeting of the Colored Teachers Association of Martin County will be held in the colored Graded School Saturday, March 9th, beginning at 1:30 p. m. The meeting promises to be a very helpful one, and every teacher is urged to attend.

W. C. Chance, President.

Backache Almost Unbearable

Is and almost certain result of kidney trouble. D. Toombs, 803 E. Olive St., Bloomington, Ill., says: "I suffered with backache and pains in my kidneys which were almost unbearable. I gave Foley Kidney Pills a good trial, and they done wonders for me. Today I can do a hard day's work and not feel the effects." Saunders & Fowden.

Ballard-Brown

Reported

Last Sunday, the Smithwick Creek Church was filled to its greatest capacity and at 11 o'clock a wedding party advanced up the aisle in the following order: Benjamin Manning with Miss Millie Roebuck, Raleigh Manning with Miss Della Roebuck, Claude Roebuck with Miss Florence Manning, Octavius Manning with Miss Allie Roebuck, Paul Ballard with Miss Rula Manning. These couples took positions in front of the pulpit and awaited the coming of the bride and groom, Mr. William B. Ballard and Mrs. Hattie Manning Brown. Elder Ashley Mizell, in his usual pleasant style, read the English ceremony and pronounced them man and wife. After receiving the congratulations of their friends, the wedded pair remained until the close of the church service and then departed for their home in Poplar Point Township.

The groom is the son of J. R. Ballard and his bride is the accomplished daughter of William B. Manning. Griffins Township loses one of its most popular women and Poplar Point has gained thereby.

Simmons Like Martin

"When Bailey found that he had no chance to secure the leadership of the minority of the Senate he set Martin up and by a fluke Martin got it. As soon as his victory was announced—and he did not get it without a struggle—the first and only contest of the kind, perhaps, in the history of the party—the Republicans were seized with a delirium of joy. They congratulated themselves. The standpat Republican press of this town were in an ecstasy and the true Democrats in distress. In short we want Democrats to lead Democrats. We want leaders on the Democratic side of the Senate who will carry disunity, and not comfort, to the other side. That is what we want and that is what we are going to have."

"Then there is Simmons, of North Carolina. He is a Democrat of the Martin brand though a little bolder. He makes no concealment of his position on the tariff. Hailing from a cotton State he will vote for any duty on lumber that the most insatiate standpatter can propose. It is notorious that Lorimer owes his seat in the Senate to the activity of the Lumber Trust in his behalf, whether corruptly or not. Simmons not only voted to vindicate the Chicago boss, but he made a labored argument in his support. Martin was more "discreet," else he had never been "leader." Aldrich, Penrose, Smoot and Co. would be delighted with a Democratic side made up of Simmons and Martins."—Sel.

Repals Attack Of Death.

"Five years ago two doctors told me I had only two years to live." This startling statement was made by Stillman Green, Malachite, Col. "They told me I would die with consumption. It was up to me then to try the best lung medicine and I began to use Dr. King's New Discovery. It was well I did, for today I am working and believe I owe my life to this great throat and lung cure that has cheated the grave of another victim." Its folly to suffer with coughs, colds or other throat and lung troubles now. Take the cure that's safest. Price 50 cents and \$1.00. Trile bottle free at Saunders & Fowden.

Making Wood of Straw

Science, with an eye to the manufacture of artificial wood from straw, is now experimenting in London. At the outset it is proposed to utilize the process for the manufacture of matches, and it is claimed the cost will be lessened.
