No Confession

Brad Bagley was electrocuted at 10:30 today. He made no confession but said he was prepared to die. About 50 persons witnessed the execution. The first shock was at 10:34 and at 10:41 he was pronounced dead by Dr. T. M. Jordan.

Elder Joshua Griffin, of Martin County, his spiritual adviser, was with him from 9 to 10:30 o'clock and went with him to the death chair. It was a trying ordeal for Bagley but he went to his death without a tremor. He made several remarks while being made secure in the chair but only those close to him could understand.

Tumultuous Convention

As usual, when there are so many warring factions in a convention as were at the Republican Convention at Raleigh on Wednesday, the tumult waged loud and long. It was first, lust and all the time a Roosevelt house. Taft secured about one hundred votes and had only one voice raised in his behalf that of Walter R. Henry.

Tom Settle was frozen out because he was a Taft delegate and Marion Butler, the "Sampson Fox," was beaten until there was not a hair left. Richmond Pearson being the man who rode all over the wily politician. Martin County's vote (to its credit) went solid for Duncan against Butler leadership. Zeb Vanve Walser was in glory land for things went his way and that way was to Teddy. John M. Morehead alone was saved from the aqbris and that by mere chance.

Things looked warlike all through the convention and threats of calling the police were made by Cum. Walser. But Teddy went through with a whoop and Butler down with a thump. The "Big Four" for the National Convention are Richmond Pearson, Thomas E. Owen, Cyrus Thompson and Zeb Vauce Walser.

The Demons of the Swamp

are mosquitos. As they sting they put deadly malaria germs in the blood. Then follow the icy chills and the strength fails; also malaria often paves the way for deadly typhoid. But Electric Bitters kill and cast out the malaria germs from the blood; give you a fine appetite and renew your strength. "After long suffering," wrote Wm. Fretwell, of Lucama, N. C., "three bottles drove all the malaria from my system, and I've had good health ever since." Best for all stomach, liver and kidney ills. 50 cts. at Saunders & Fowden.

Commencement at Hamilton

Commencement exercises of the Hamilton Graded School will be held in the auditorium of the school building Monday and Tuesday nights, May 20-21, 1912. The commencement address will be delivered by Lieut-Gov. Francis D. Winston on Tuesday night. Dr. R. T. Vann, of Meredith College, will preach the commencement sermon Sunday morning at the Baptist Church. A small admission will be charged Monday night to defray expenses. The public is cordially invited.

J. W. Jordan, a well known dentist of Hopkinsville, Ky., recently had an operation for his kidney trouble, but he says: "The first real relief I got was after taking Foley Kidney Pills. They eased the terrible pain in my back and accomplished more good than anything I had tried. I gladly recommend them." Saunders & Fowden.

Masonic Notice

For the first time in years, it will be possible for third and fourteenth degree masons in good standing to receive all the degrees to and including the 32nd degree at the Masonic Temple, Enfield, N. C. on Friday, May 31st, 1912. A special dispensation has been secured from Hon. James Wakefield Cortland 33rd degree Sovereign Grand Inspector General for N. C. for Carolina Consistory of Charlotte to hold a meeting at Enfield and communicate and confer all the degrees. Ordinarily a mason residing in eastern N. C. must go to Charlotte and spend a week to become a 32nd degree mason. This is a wonderful saving of time and such a dispensation is not easy to secure and it is to be hoped that the masons of Eastern N. C. will appreciate this splendid opportunity and take advantage of it, or it will never again be granted.

Escapes an Awful Fate

A thousand tongues could not express the gratitude of Mrs. J. E. Cox, of Joliet, Ill., for her wonderful deliverance from an awful fate. "Typhoid pneumonia had left me with a dreadful cough," she writes. "Sometimes I had such awful coughing spells I thought I would die. I could get no help from doctor's treatment of other medicines till I used Dr. King's New Discovery. But I owe my life to this wonderful remedy for I scarcely cough at all now." Quick and safe, its the most reliable of all throat and lung medicines. Every bottle guaranteed, 50c and \$1.00. Trial bottle free at Saunders & Fowden.

Notice

To the Democratic Voters of the 2nd. Senatorial District.
I have decided to become a candidate for the office as one of the Senators from this district, in the Next General Assembly of North Carolina, and respectfully solicit the support of all democrats of said district, both at the primary and Convention.

Respectfully,
W. A. Thompson,
Aurora, N. C.

Here It Is

Clark's friends say that no other candidate can be elected, so say the Harmon contingency about Harmon, and likewise the Underwood rooters for their candidate; and all of them are dead sure that Prof. Wilson would not make any show at all against either Taft or Roosevelt. Now isn't that funny. All are Democrats and each claiming that their's is the only candidate who can possible beat a Republican in this year of grace and opportunity. We are glad, however, that the Woodrow Wilson advocates are more charitable. They believe any good Democrat can win, and are too generous to raise the Red Flag or play the hold-up game on the other candidates to drive the people to support their man. If Wilson wins he will do it honestly and fairly. He is the people's candidate for President and is going to be nominated and elected by the honest, unsalable yeomanry of the nation. He is a great man, in fact no greater has arisen to lead the people since Thomas Jefferson laid down the official toga. Wilson will be our next president.—Wilson Times.

Helps a Judge in Bad Fix

Justice Eli Cherry, of Gills Mills Tenn., was plainly worried. A bad sore on his leg had baffled several doctors and long resisted all remedies. "I thought it was a cancer," he wrote. "At last I used Bucklen's Arnica Salve, and was completely cured." Cures burns, boils, ulcers, cuts, bruises, and piles. 25 cents at Saunders & Fowden.

Herbert Kaufman: Prophet

Under the title of "Just A Few Growing Pains," Herbert Kaufman says among other things:

The stored heat of the Sun will furnish power and warmth for all humanity. Plagues and pests will disappear. Eugenics will regulate society; men and women will mate by definite laws; efficient organization will check economic extravagance and eradicate poverty; engineering will solve the problems of competent housing, ventilation and sunlight; the standardization of health and of welfare will extirpate prostitution and crime.

Man is thinking—for the first time, really thinking. The will of numbers must be done. The few must give ground to the many, and naturally we must first endure a few petty irritations.

Society cannot be shaken to its foundations from a hundred tangents, a multitude of revolutions cannot break upon us and find us all calm.

We are dropping habits of mind and of body that have persisted from father to son for century piled upon century.

It will take a few more years before we find our poise and accustom ourselves to the new order. Growing pains—that's all.

Mrs. Rose A. Freeman, Clifford, Va., says they have long used Foley's Remedies and want to say a good word for them. She writes: "Foley Kidney Pills cured my husband of a long standing kidney trouble, after he had taken other medicines without relief. We would not be without Foley & Co's. medicines in our house for many times their cost." Saunders & Fowden.

Revival Services

The services at the Methodist Church which commenced on Sunday night, have been interesting and well attended each night this week. Rev. J. H. Buffalo, of Elizabeth City, is one of the strong preachers of the Conference and his discourses are convincing in the appeals for a Christian life. The music is under the leadership of Mr. Frank Fitzgerald, who is a trained vocalist. The services will continue through Sunday and the public is cordially invited to attend.

Dr. J. T. R. Neal, Prop. Riverside Drug Co., Greenville, S. C. writes recently, "I have been a practicing physician and druggist for over 35 years and have sold and administered many kidney medicines but none to equal Foley Kidney Pills. They are superior to any I ever used and give the quickest permanent relief." Saunders & Fowden.

More Racing

Another day of horse racing at Scotland Neck on May 22nd, will interest Martin County people. There will be three races: First, trot or pace, best 3 in 5, purse \$75.00. Second, free-for-all, best 3 in 5, purse \$75.00. Third, Roadster's race, purse \$50.00.

Crosses of Honor

The Daughters of Confederacy at Washington on Memorial Day presented Crosses of Honor to several Martin County veterans. Among them were J. A. Hobbs, T. J. Latham, J. B. Waters, J. D. Simpson, W. M. Perry. These Crosses are marks of distinction worthy of the most exalted in the land, for they speak of courage, fidelity and honor in the breast of the men who wore the gray. They will be prized as mementoes by the descendants of the Southern soldiers whose conduct rendered them worthy to wear them.

Normal Commencement

The annual commencement exercises of Greensboro Female College attended this year by the largest number of pupils in its history, will be held May 25-28. An elaborate program has been arranged for the occasion and the many young women from this place and many other cities and towns in North Carolina are looking forward with keen pleasure to commencement day. Rev. Chas. W. Byrd, D. D., of Asheville, will preach the baccalaureate sermon May 26. The annual concert, an event always pleasing to the friends and patrons of the institution, will be given May 28.

The young ladies of the State Normal College are anxiously awaiting the coming of Saturday, when after three years of practice and preparation, they will present on the spacious lawns and among the shaded dells of Peabody Park, the Old English May Day Fete. Elaborate preparation has been made for the presentation of the fete and those who have viewed the rehearsals say that the fete will be the crowning event in the history of one of the state's noblest institutions.

Whitley-Jenkins

The marriage of Mr. George L. Whitley, Jr., and Miss Belle Jenkins on Monday afternoon, was quite a surprise to the friends of the young couple, only the families being aware of the coming event. Mr. Whitley came home from Florence, S. C., several days ago and Monday secured license and with Rev. Rufus Bradley drove to the home of the bride near Williamston and there the vows were given. The bride is the oldest daughter of Mr. and Mrs. W. D. Jenkins and is a most estimable young woman and Mr. Whitley is to be congratulated on his selection. He is in the employ of the A. C. L. R. R., at Florence and he left with his bride on the 5 o'clock train soon after the ceremony carrying with him the best wishes of friends and relatives.

Must Deposit Here

As no banks at the following places have qualified as depositories: Hamilton and Robersonville, the postmasters at these towns have been authorized to send all postal savings funds to the Williamston office for deposit to the credit of the Board of Trustees at Washington City. These deposits are made in the Bank of Martin County, which has been selected as depository by the Board.

Mrs. R. Brant, 1115 Paden St., Parkersburg, W. Va., had an attack of lagrippe which left her bad kidney trouble, and she suffered much severe pain and backache. Then she heard of Foley Kidney Pills and says: "After taking them a short time the pain left my back and I am again able to do my own housework. Foley Kidney Pills helped me wonderfully." Saunders & Fowden.

Before Referee

The case of A. F. Stallings, of Jamesville against Mrs. Emma V. Stallings, Executrix, for the payment of an account alleged to be due from the estate of the late W. L. Stallings, set for hearing before Referee A. R. Dunning on Wednesday. The attorneys of defendant, Stubbs and Gaylord, arranged with Martin & Critcher for a compromise, the plaintiff agreeing to take \$500. It appears that the estate had never been settled and hence the suit.

Council to Meet

The annual Council of the Diocese of East Carolina will convene in Edenton on May 18th, 1912. The parish here will be represented by Col. Lamb and A. D. Mizell. The Auxiliary and Guild will send delegates also. The session will be a most instructive one as the parish at Edenton is full of historic interest, being one of the oldest in the State. The congregation there has made every preparation necessary to entertain visitors. Rev. J. H. Griffith, of Kinston, will preach the sermon on Sunday morning.

John R. Slaton, Joyce, Ky., had an exceptionally severe attack of whooping cough. He says: "If it had not been for Foley's Honey and Tar Compound I would have been compelled to quit work. Instead, I never missed a day, and Foley's Honey and Tar Compound gave me instant relief and is the only cough medicine we ever use." Contains no opiates. Saunders & Fowden.

For Register of Deed

At the solicitation of a number of my friends, I have decided to announce myself a candidate for the office of Register of Deeds of Martin County, subject to action of the Democratic Convention.

Very respectfully,
S. S. BROWN.

H. A. Waggoner, Alvon, W. Va., says that Foley's Honey and Tar Compound is the best medicine for coughs and colds he has ever known. He says: "Every man and woman tells me it is the best they have ever used and whoever has used it once, always comes back for it again." There are no opiates in Foley's Honey and Tar Compound and it is safest for children. Saunders & Fowden.
