 It is reported that in some parts of the County, hail destroyed much cotton last Saturday and that the farmers were plowing and replanting. In this immediate section there was no damage.  
 The Greenville Reflector reported that two more automobiles had been purchased in that town. That's nothing—this town can beat that record. Speed is getting to be the chief thing here.  
 S. R. Biggs, local agent, is expecting a carload of Buick cars today. The shipment was made direct from the factory in Michigan.

 J. H. Thrower lost a pocket book on Tuesday containing between \$25 and \$30 and two passes over the A. C. L. Some one is supposed to have taken the purse from his coat which was hanging on the side door at the railroad office. There is no clue to the thief.

A party picniced at the "Big Mill" on Wednesday and elegant "cue" with other good things was served. Dr. Rhodes and H. A. Biggs carried the party out on their machines and the day was delightfully spent. The office force desire to thank their thoughtful friends for a tray laden with "cue," etc.

Miss Rosa Crowell was hostess to a number of her friends on last Friday evening, it being the fifteenth anniversary of her birth. The evening was a most enjoyable one and the young hostess received many pretty gifts. Alexander's Orchestra furnished music during the hours and delicious refreshments were served.

The Martin County Buggy Factory is headquarters for everything in the vehicle line, harness, etc. All kinds of machinery made by the Harvester Company can be supplied by them also and farmers would do well to see them before making bargains for peanut pickers and other things necessary to every progressive farmer. ### CALOMEL IS DANGEROUS

Is a Powerful Chemical Made from Mercury—People Should be Careful

The only sure way to avoid the danger of calomel is to take no calomel.

Dodson's Liver-Tone, a vegetable liquid of pleasant taste, more than takes its place. Where calomel shakes you up and shocks your liver, Dodson's Liver-Tone, mild but effective, builds up and strengthens. It "liven up the liver."

It may be taken without any restriction of diet or habits. You can give it to your children with fine results.

Get a bottle at Saunders & Fowden and if it doesn't do all that you think it ought—if it doesn't make bilious spells mere trifles—if it doesn't "liven up your liver," your money will be waiting for you.

Dr. J. T. R. Neal, Prop. Riverside Drug Co., Greenville, S. C. writes recently: "I have been a practicing physician and druggist for over 35 years and have sold and administered many kidney medicines but none to equal Foley Kidney Pills. They are superior to any I ever used and give the quickest permanent relief." Saunders & Fowden.

Pure air, pure water, pure food and pure morals together form a quarter which will make us a happy and a healthy people.

H. A. Waggoner, Alvon, W. Va., says that Foley's Honey and Tar Compound is the best medicine for coughs and colds he has ever known. He says: "Every man a woman tells me it is the best they have ever used and whoever has used it once, always comes back for it again." There are no opiates in Foley's Honey and Tar Compound and it is safest for children. Saunders & Fowden.

### The Demons of the Swamp

are mosquitos. As they sting they put deadly malaria germs in the blood. Then follow the icy chills and the strength fails; also malaria often paves the way for deadly typhoid. But Electric Bitters kill and cast out the malaria germs from the blood; give you a fine appetite and renew your strength. "After long suffering," wrote Wm. Fretwell, of Lucama, N. C., "three bottles drove all the malaria from my system, and I've had good health ever since." Best for all stomach, liver and kidney ills. 50 cts. at Saunders & Fowden.
