## MASS MEETING OF CITIZENS

A Chamber of Commerce Organized Last Night—Committee Sent to Consult A. C. L. Officials—Pants Factory to be Secured

A call for the citizens of the town to meet last night in the City Hall was responded to enthusiastically. The desire to have the town move onward and upward has seized the business men and at this meeting a Chamber of Commerce was organized with H. W. Stubbs, President; W. C. Manning, Vice President, and S. A. Newell, Secretary and Treasurer. The following compose the Executive Committee: T. F. Harrison, Dr. J. H. Saunders, G. W. Blount, W. T. Meadows, J. G. Godard, W. H. Biggs, J. L. Hassell, J. W. Anderson, Dr. John D. Biggs.

Arrangements were made to accept the terms upon which the Hamilton Pants Mfg. Co. will come here and it is confidently thought that in a short time the plant will be secured and greatly enlarged. The A. C. L. R. R., after making a survey of the track in the river, submitted the cost to Attorney Stubbs and a committee was sent to Rocky Mount today to confer with Supt. W. H. Newell about the building of same. These gentlemen were: W. C. Manning, R. J. Peel, J. L. Hassell, A. T. Crawford, S. A. Newell, A. Hassell and others.

## Support Your Home Newspaper

A good local newspaper is one of the surest signs of a progressive community and it is to every farmer's interest to do what he can to make his county paper a good paper. It tells him things which he should know and which no other paper can tell him. Often it will be the best advertising medium he can use and if the editor realizes that the farmers in his territory are trying to help him make a good paper, he is more than likely to be willing on his part to do all he can to advance the interests of the rural sections. We realize that too many local papers give practically all their attention to the town and neglect the country districts, but we wonder sometime if this is not almost as much the farmers' fault as it is the paper's. Get in touch with your local paper. Send in to it any item of news you may have. Let the editor know about any good farming that is being done in your neighborhood. Help him to see that the prosperity of a town is founded upon the prosperity of the farming country about it. In this way you can help him make a better paper and enable him to be of more service to you and to the community.—The Progressive Farmer

### Move on Now!

says a policeman to a street crowd, and whacks heads if it don't. "Move on now," says the big, harsh mineral pills to bowel congestion and suffering follows. Dr. King's New Life Pills don't bulldoze the bowels. They gently persuade them to right action, and health follows. 25c at Saunders & Fowden.

### Sunday Services

The Lord willing, we will have services at the home of Miss Polly Pulley on Sunday at 3 o'clock. We want to meet at 1 o'clock and engage in song service. There will be books furnished to each one present. The text will be: "Heart not Right in the Sight of God". Everybody is cordially invited to attend this service.

J. L. Cherry.

### Man Coughs and Breaks Ribs

After a frightful coughing spell a man in Neenah, Wis., felt terrible pains in his side and his doctor found two ribs had been broken. What agony Dr. King's New Discovery would have saved him. A few teaspoonful ends a late cough, while persistent use routs obstinate coughs, expels stubborn colds or heals weak, sore lungs. "I feel sure its a Godsend to humanity," writes Mrs. Effie Morton, Columbia, Mo. "for I believe I would have consumption today if I had not used this great remedy." Its guaranteed to satisfy, and you can get a free trial bottle or 50-cent or \$1.00 size at Saunders & Fowden.

## Saint John's Day

This time honored celebration will be held this year at Oxford Orphanage, Oxford, N. C., on Saturday June 22nd, instead of Monday 24th.

This has come to be one of the most representative gatherings which occurs in our State. Each year, for a great many, it has been the custom for the Grand Lodge of Masons to hold a Special Communication at the Orphanage. In this way this occasion has been the means of bringing together large crowds, and friends from all over State have begun to look forward to it with great pleasure.

Each year the crowds seem to get larger. Last year it was estimated that 10,000 to 12,000 people attended. Preparations are now begun looking to the entertainment of even larger numbers than usual. The railroads have made arrangements to put on sale reduced rate tickets and to run special excursion trains on all the roads on that day coming into Oxford.

The address of welcome will be delivered by Mr. T. G. Stem, of Oxford N. C., and the oration by Rev. F. H. T. Horsefield, Rector of St. Stephen's Episcopal Church, Oxford, N. C.

The inspiration of these occasions has reached and tendered many hearts as they behold the great work being done for the Orphan children of our State. The location is one of the most attractive in the State and the Institution is the oldest and one of the largest.

## Body of Man Found

In the Windsor Ledger of last week, it was reported that the body of a white man was found washed ashore near Avoca on the Sound. The skull was crushed and several teeth knocked out. It is supposed to be the body of the man that passed down the Roanoke River and was tied up both at Hamilton and Jamesville. The Coroner of Bertie held an inquest but there was nothing by which the person could be identified, the body having on only a shirt.

Ask for Foley's Honey and Tar Compound and accept no substitute. Saunders & Fowden.

## Died at Robersonville

The death of Mrs. Maggie Salsbury Whitfield, wife of Mr. David Whitfield, occurred at Robersonville Tuesday night. She was a young woman being about thirty years old and was married last year. For years she with her brother and mother had been living in Robersonville, having moved there from the home place near Hassells. She was the only daughter of the late Augustus and Rosa Salsbury and was possessed of splendid qualities of head and heart. Friends and relatives throughout the county sympathize with the bereaved husband in his sore affliction.

The funeral services were conducted by Rev. N. H. Shepherd, of the Missionary Baptist Church, on Wednesday afternoon. A large number of friends paid the last mark of respect to the dead and floral offerings covered the mound. The interment was in the cemetery at Spring Green Church.

## The Potato Crop

The farmers in this section have to a great extent ceased to plant Irish potatoes for shipping purposes. Two years the crop sold at such a low price that it discouraged people. But while this is true as a whole, yet there are some who have continued planting for early shipment and when a year comes when the price is good, a neat little bank account is secured for a rainy day. Last year the number of barrels in this immediate section was distressingly small though good stock brought \$4.00. A small acreage here this year is bringing good returns. If the farmers had seen their opportunity and planted fair-sized crops, then the condition would have been much better.

The men who succeed at farming never allow themselves to be caught in the reverse of prices. If a crop is low-priced one year, they go right on with the planting the succeeding season. One of the most successful farmers in this section—one who began life in a very humble way and without a cent to invest, made his money, about \$30,000, by raising cotton every year even when it reached its lowest margin. He put in about the same number of acres and sold it when the market reached the highest mark. It is true that he produced other crops, but it is also true that he made his money on cotton when the price was low. The craze for high prices has taken hold of the world and one failure puts some men almost out of business because they have not the courage to try again and again.

One farmer in Martin County, Mr. J. L. Wynn, who lives near Everetts, is a very successful potato raiser and he plants each year. This season he had eight acres—three of which failed to give any results, and from the sale of the crop produced he realized over \$1,400. Then those acres will produce another crop, so one can readily see where he succeeds where others fail. It is not safe to be come discouraged with the splendid opportunities found in farming.

Mrs. Lela Love wife of Wiley Love, a farmer living near Covena, Ga., says: "I have taken Foley Kidney Pills and find them to be all you claim for them. They gave me almost instant relief when my kidneys were sluggish and inactive. I can cheerfully recommend them to all sufferers from kidney troubles Saunders & Fowden."

### For Sheriff

I hereby announce myself a candidate for Sheriff of Martin County subject to the action of the Democratic Convention.

Respectfully,  
Harmon T. Roberson, Jr.

### They Put An End To It

Charles Sable, 30 Cook St., Rochester, N. Y., says he recommends Foley Kidney Pills at every opportunity because they gave him prompt relief from a bad case of kidney trouble that had long bothered him. Such a recommendation coming from Mr. Sable, is direct and convincing evidence of the great curative qualities of Foley Kidney Pills. Saunders & Fowden.

### Bank of Oak City

The Bank of Oak City, this county, that was organized less than two years ago, has met phenomenal success. It has just let the contract for a handsome bank building and will celebrate its anniversary by holding its second annual meeting next October in the new building.

## Choir Entertained

(Reported)

Mrs. S. A. Newell and Mrs. Lovett Harrison entertained complimentary to the Junior Choir of the Methodist Church and a number of their friends, Tuesday evening at the home of the latter. The evening was made more enjoyable by two well planned contests. In the first prize, a fan, was tied for by Misses Emma Robertson, Fannie Myrt Manning, Rose Crowell and Sue Leggett and Henry Gurkin. Miss Leggett drew the lucky straw. In the second Misses Mary Smith and Fannie Biggs Martin, and Maurice Watts tied. By virtue of the longest straw Miss Smith carried off the prize, a landscape. Refreshments were served on the porches, which were beautifully decorated with Japanese lanterns. The evening was much enjoyed by every one.

Those present were Miss Annie Fagan of Edenton and Grover C. Godwin, Miss Mary Smith, of Plymouth, and Bruce Whitley, Misses Catherine and Dorothy Pender of Tarboro and Oscar Anderson, Miss Frances Knight and Eugene Bethea, Miss Emma Robertson and Elbert Peel, Miss Josie Robertson and Joe David Thrower, Miss Sue Leggett and Henry Gurkin, Miss Irma Woodhouse and Louis Bennett, Miss Helen Truitt and Yates Dowell, Miss Fannie Biggs Martin and Louis Manning, Miss Mary Bradley and Duke Critcher, Miss Fannie Myrt Manning and Roland Robertson, Miss Sallie Hadley and Maurice Watts, Miss Hilda Crawford and W. H. Harrell, Miss Irene Anderson and Wig Watts, Mrs. W. C. Manning, Miss Leona Page and Miss Rose Crowell.

### When Buying Buy Only the Best

Costs no more but give the best results. H. L. Blomquist, Esdaile, Wis., says his wife considers Foley's Honey and Tar Compound the best cough cure on the market. "She has tried various kinds but Foley's gives the best result of all." Saunders & Fowden.

### A Great Production

The Manager of the Dixie Theatre has secured the greatest production in the world of motion pictures. These pictures are from the staging of Dante's Inferno, one of the masterpieces of literature. It is founded upon the poet's vision of the infernal regions. The films were secured at a cost of \$100,000 and the Dixie will show them at an extra cost. Those who love the artistic should not miss this opportunity. Critics call it one of the most magnificent productions ever exhibited. Monday night it will be presented at the theatre and the price of admission will be 20 and 30 cents. The advanced prices are necessary to cover cost of rental. The Dixie management is endeavoring to give some of the best films which can be secured so as to please a public that wants the best in shows. The price is insignificant compared with the beauty of the pictures. Then there can be gained a better appreciation of the work of Dante the poet. Remember Monday night at the Dixie Theatre.

Mrs. M. A. McLaughlin, 512 Jay St., La Cross, Wis., writes that she suffered all kinds of pains in her back and hips on account of kidney trouble and rheumatism. "I got some of Foley Kidney Pills and after taking them for a few days there was a wonderful change in my case, for the pain entirely left my back and I am thankful there is such a medicine as Foley Kidney Pills." Saunders & Fowden.
