### Ordinance Needed

This town is beginning to live on high speed in the automobile line. There are getting to be numbers of cars and reckless driving should never be allowed in the beginning or after. There is an ordinance which demands that a rate of ten miles per hour be observed in the town limits, but no attention is paid to it. Watch the cars as they come speeding on the sand-clay drive along Haughton Street, and you will readily see that the ordinance is violated dozens of times each day. Reckless driving is always attended with danger even if the power is within the hide of an ox—he is apt to take a sudden dive into an adjoining wood. No man has a right to endanger the lives of others, and all accidents can be traced to the recklessness of some one.

Perhaps, the most dangerous drive is the curve at the store of J. B. Speller. It is very short and narrow and two machines coming in opposite directions at a rapid rate are certain sooner or later to crash and some one will pay the penalty with his life. The City Fathers should pass an ordinance requiring a speed at this curve of five miles an hour, every violation to be met with a penalty of \$50. Just one lone fifty would be sufficient to teach others the lesson. If such an ordinance is not passed and enforced, there will be trouble for one if not more people and when lives are lost or serious injuries sustained the damage cannot be repaired.

### Court Held One Day

What was, perhaps, the shortest session of the Superior Court of Martin County, was held here Monday. The June Term is usually as short as is consistent with the dockets, for the farmers are too busy with the crops to spend much time in town, and so the term is often to them a great inconvenience.

Judge Carter had the cases on the criminal docket disposed of. Hill Johnson, who was so charmed with the pistol of his employer that he took it away with him, received the longest sentence—six months on Edgcombe roads. Several other minor cases were tried and the civil docket which contained only a few minor cases, was laid over until September.

Judge Carter left on the afternoon train for his home in the West. The visiting lawyers left also and the June Term of Court ended almost before it began.

### Wolfe-Stone

Wednesday morning, June 12, at the bride's home, Kittrell, N. C. Miss Florence Stone was married to Mr. Roland Wolfe, of Florence, S. C. The ceremony was performed by Rev. N. G. Bethea. Mr. and Mrs. Wolfe left for Florence, S. C., their future home. The groom is the youngest brother of Mrs. F. K. Hodges of Williamston, and has been living in Florence for the past year where he has a position as book keeper.

### Man Coughs and Breaks Ribs

After a frightful coughing spell a man in Neenah, Wis., felt terrible pains in his side and his doctor found two ribs had been broken. What agony Dr. King's New Discovery would have saved him. A few teaspoonful ends a late cough, while persistent use forthwith broke the coughs, expelled stubborn colds or heads weak, sore lungs. "I feel sure its a Godsend to humanity," writes Mrs. Effie Morton, Columbia, Me. "for I believe I would have consumption today, if I had not used this great remedy." Its guaranteed to satisfy, and you can get a free trial bottle or 50-cent or \$1.00 size at Saunders & Fowden.

### A Little Child Dead

Emma Virginia, the ten month old infant daughter of Mr. and Mrs. Linwood Smithwick, died June 10th, 1912, after two weeks suffering. The little child was bright with the promise of life and had always been strong physically, but the ravages of disease wasted the strength of the little body and God sent his angels to take her home where pain would be no more.

"She is not dead  
The child of our affection,  
But gone unto that school,  
Where she no longer needs  
Our poor protection  
And Christ Himself doth rule."  
Friends and acquaintances sympathize with the bereaved parents in their great sorrow.

### A Card

This is to certify that Foley's Honey and Tar Compound does not contain any opiates, any habit forming drugs, or any ingredients that could possibly harm its users. On the contrary, its great healing and soothing qualities make it a real remedy for coughs, colds and irritations of the throat, chest and lungs. The genuine is in a yellow package. Ask for Foley's Honey and Tar Compound and accept no substitute. Saunders & Fowden.

### For Register of Deed

At the solicitation of a number of my friends, I have decided to announce myself a candidate for the office of Register of Deeds of Martin County, subject to action of the Democratic Convention.

Very respectfully,  
S. S. BROWN.

### Helped to Keep Down Expenses

Mrs. J. E. Henry, Akron, Mich., tells how she did so: "I was bothered with my kidneys and had to go nearly double. I tried a number of Foley Kidney Pills and they did me so much good that I bought a bottle and feel that they saved me a big doctor's bill." Saunders & Fowden.

Mrs. M. A. McLaughlin, 512 Jay St., La Cross, Wis., writes that she suffered all kinds of pains in her back and hips on account of kidney trouble and rheumatism. "I got some of Foley Kidney Pills and after taking them for a few days there was a wonderful change in my case, for the pain entirely left my back and I am thankful there is such a medicine as Foley Kidney Pills." Saunders & Fowden.

### To the Democratic Voters of Martin County:—

Permit me to thank you very kindly for the consideration and confidence so generously manifested by your support and cooperation during my continuance in office as Sheriff of your county, and to assure you that I most heartily and keenly appreciate the same.

Not being aware of any complaint and not having heard anything derogatory to my performance of the duties pertaining to the office, and thinking that my services and experience might probably merit your further consideration, confidence and support, and assuring you that the best and all that is, of and in me, are at your command, I take the liberty of seeking further consideration at your hands, and hereby announce myself as a candidate for the office of Sheriff of Martin County, subject, however, to the wishes of the County Democratic Convention.

This 20th day of June, 1912.  
J. C. CRAWFORD.

### They Put An End To It

Charles Sable, 30 Cook St., Rochester, N. Y. says he recommends Foley Kidney Pills at every opportunity because they gave him prompt relief from a bad case of kidney trouble that had long bothered him. Such a recommendation coming from Mr. Sable, is direct and convincing evidence of the great curative qualities of Foley Kidney Pills. Saunders & Fowden.

### Killed Bear with Knife

W. C. Ellis, a young man of Griffins Township, is the champion bear fighter of this section and perhaps of the State.

Young Ellis works in the log-woods for the Dennis Simmons Lbr., Company and while en route home on Thursday afternoon of last week, he discovered a bear crossing the road in front of him. Feeling in his pocket for a weapon he found only a pocket knife. With this he rushed on the bear and stuck the blade of the side of the bear's head. It was so firmly imbedded in the bone that for an instant Ellis could not withdraw it, and his hand slipped off and landed in brain's mouth, two teeth going into his finger. Before any further damage was done, the bear opened his mouth Ellis withdrew his hand, pulled the knife out and cut the throat of bear, which was about a year old, rather small and in poor condition.

Mrs. Lela Love wife of Wiley Love, a farmer living near Covena, Ga., says: "I have taken Foley Kidney Pills and find them to be all you claim for them. They gave me almost instant relief when my kidneys were sluggish and inactive. I can cheerfully recommend them to all sufferers from kidney troubles Saunders & Fowden.

### For Representative

At the request of a number of my friends, I hereby announce myself a candidate for the House of Representatives subject to the action of the Democratic Convention of Martin County.

This May 28th, 1912,  
A. Coley.

### When Buying Buy Only the Best

Costa no more but give the best results  
H. L. Blomquist, Esq., Wis., says his wife considers Foley's Honey and Tar Compound the best cough cure on the market. "She has tried various kinds but Foley's gives the best result of all." Saunders & Fowden.

### Many Shirtwaists

Nearly 100 wearers of shirtwaists—er, more properly, coats—appeared on the streets of Raleigh today, defying public opinion, if it might be against comfort, and reveling in the freedom from coats. Every summer the ranks of the female wearers of shirtwaists have increased, and it is expected that before July comes several hundred Raleigh men will be members of the shirtwaist company.

There is really no reason why a man should not appear on the streets without his coat. Let him keep his face and hands and shirt clean and there is no objection to his going sans his coat. At least that is the argument of the fellows who have started out this warm weather without their coat.—Times

### Roberson-Parker

On June 14th, at Robersonville, Mr. Harvey Roberson and Miss Lena Parker were married at the residence of the bride, Rev. D. A. Fottrell, of the Methodist Church, performing the ceremony. After the ceremony, the newly wedded pair boarded the A. C. L. train and left for a Northern tour.

The bride is the daughter of Mrs. D. B. Parker and is one of Robersonville's most attractive young women. Mr. Roberson is a member of the mercantile firm of W. A. Roberson & Co., and is one of the leading young business men in Martin County. The marriage of these young people at this time was a little surprise to their many friends but they received hearty congratulations and will be gladly welcomed on their return to Robersonville.

### Embroidery Club

Despite the absence of several members, the meeting of the Club at the home of Miss Anna Crawford was a most delightful one. As the days are warmer now, the hours are more given to a pleasant exchange of ideas than actual work. Miss Crawford served refreshments which were enjoyed by those present, for the hostess possesses the happy faculty of pleasing whosoever enters her home. The next meeting will be held with Mrs. K. B. Crawford on June 28th.

### The White Memorial

The movement to erect a suitable shaft to the memory of the lamented Captain W. R. White, who on August 15th, 1911, was shot down by Brad Bagley, and died a martyr to the cause of good government, has not to this time reached that point which the citizens of the town desired. The failure has not been from a lack of appreciation or indifference, but because of a failure to collect the proposed funds. Some people paid at once and these funds are in hand, and now it is desired to secure the full amount and erect the memorial in the near future.

A shaft to the memory of Captain White will not only show how men who die for duty's sake are esteemed but will also tell to the present and future generations that the citizens of Williamston stand for law and order. Wheeler Martin, Jr. has the list of subscribers to the fund and is interesting himself in the movement. Those who have not contributed and desire to do so, can hand the amount to him and receive credit for same on the list of donors.

### Base Ball "Dope"

Williamston officially starts its season in base ball here on Monday June 24th, when the Giants clash with Aurora, one of the strongest and best equipped ball organizations in the State.

Great interest is manifested in the coming game as there is and has been a good deal of rivalry between the two teams from the base ball standpoint.

Williamston is out for the championship of the State this season, and at the present time the outlook indicates that they will gather it in. The fans of this city have been clamoring for an orderly and winning team for the past few years. To give this the management only desire these sport-loving fans to witness the opening games, and then if they should desire to criticize the team, let them come to the manager and do so, for the Manager is managing this team and is responsible for his players.

The following list tabulates the men who will don the Williamston uniform this season:

Stubbs and Jordan, catchers; Ward, Brown and Taylor, pitchers; Taylor, 1st. base; Moore, 2nd. base; Teel, s. s.; Jordan, 3rd. base; Moore, E. D.; Knight, Godard, Roberson, Ward, Brown, Peel, outfielders

### For Register of Deeds

I hereby announce myself a candidate for Register of Deeds, of Martin County, subject to the approval and action of the Democratic Convention.

Very respectfully,  
Sylvester Peel.

### BETTER TO TAKE THAN CALOMEL

Dodson's Liver-Tone, a Whole-some, Reliable Medicine that Takes the Pace of Calomel

Dodson's Liver-Tone strengthens the liver—it does not drive it to its work by over stimulating it as calomel does.

Dodson's Liver-Tone does not have any of the dangerous after-effects of calomel. It is a vegetable liquid—absolutely safe for either children or grown people. Everybody likes its taste.

No restriction of habit or diet necessary.

Get a bottle at Saunders & Fowden drug store, 50c, and try it. If it doesn't satisfy you, if it doesn't take the place of calomel, you can get your money back by asking for it.
