Mr. Joseph L. Woolard Died Sunday

The community was shocked and saddened on Sunday morning to learn of the death of Joseph Latham Woolard at his home on Simmons Avenue. He had retired in apparent good health the night previous after conversing for some time with his wife. About five o'clock Sunday morning, he was found to be suffering with his heart and his physician was hastily summoned. Every effort was made to restore him but without avail, and four hours later he was dead. The trouble was, no doubt, produced by corpulency which seemed not to be reduced by the very active life he led.

On August 28th, 1858, he was born at the Woolard homestead eight miles from Williamston, and was the son of the late Kenneth and Milley Woolard. At the age of fifteen years, he professed faith in Christ and joined the Macedonia Christian Church near his home and his interest in those things which concerned his faith never faltered. He was married to Miss Gustie M. Leggett on January 4th, 1877 and six children were born to them, two of whom died young. Those left with their mother to mourn their loss are: Mrs. T. F. Harrison, Myrtle, Joe A., and Shelton.

Five years ago he moved to Williamston where he erected a factory for the manufacture of the Woolard Cultivator, which has a sale in many states. Mr. Woolard was a genius and had just perfected a cultivator that will make farming easier. He was an expert worker in both wood and iron.

As a citizen he met the requirements for the best and he will be missed by the entire community. He was large-hearted and loved life to that degree that made him an indulgent father and faithful friend. By careful industry he had saved a competency for his family who will miss his guiding hand.

The funeral services were conducted on Monday morning at the old homestead by the Rev. John R. Smith, pastor of the Macedonia Church, in which he worshipped for years. A large concourse of people were present to pay the last mark of respect to their friend. The interment was in the family cemetery.

The town and community deeply sympathize with the wife and children in their severe trial.

An increasing number of people report regularly of the satisfactory results from taking Foley Kidney Pills and commend their healing and curative qualities. Foley Kidney Pills are a carefully prepared medicine, guaranteed to contain no harmful or habit forming drugs. They can have only a beneficial effect when used for kidney and bladder troubles, for backache, rheumatism, weak back or lumbago. Saunders & Fowden.

Attractive Plays

The local interest in Masonry is so great that the ladies have caught the infection and wives and sweethearts have been picking the members until they think that they have obtained all the important secrets.

Feeling that the prices of initiation are too high they have at length determined to give a public exhibition and allow anyone to see the innermost workings of the order for the small sum of 25cts.

Benefit of the Junior Auxiliary at the Opera House Thursday evening July, 18 1912. Admission Adults 25, and children 15cts.

Also the farce entitled: "Help Wanted," showing the difficulties of the servant problem.

Elder Ashley D. Mizell Dead

The news of the death of Elder Ashley Mizell at 12 o'clock on Saturday night at Jamesville, where he was stricken with paralysis in the afternoon saddened the hearts of many friends and relatives. He was pastor of the Primitive Baptist Church at Jamesville and had held services just a few hours before. After service he had waited for the train to arrive which brought his son's wife and her little child.

Just before driving out of town, the little girl asked for a drink of water and Mr. Mizell went to procure it for her. Not returning in due time, caused those in the buggy to call him and he answered that he could not tell what the trouble was with him. Dr. Smithwick was summoned and the afflicted man was taken to a residence and made as comfortable as possible. Later his condition prevented speech but there were no fears of immediate death. But the summons came after a few hours of suffering, and the soul returned to the God who gave it.

He was born in Martin County near Brown's Spring on February 22nd, 1856, and had made a home for himself and family ten miles south of Williamston. On Dec. 10th 1879, he was married to Miss Susan Hardison and to this union were born five children, A. D. Mizell, of Williamston, J. A. Mizell, of Robersonville, John Mizell, Mrs. Perley Manning and Miss Bettie Mizell, of Martin County, who survive him. Four years after the death of his first wife in 1904, he married Miss Anna Phillips, of Edgecombe County, who will miss him from her side forever.

Perhaps, no man in this section enjoyed more thoroughly the confidence and esteem of the people than did this Soldier of the Cross, who for thirty years fought manfully under His banner. For fifteen years he had been serving in the sacred ministry and was beloved by his Church people and all those who knew him best. His home was always open to any who sought shelter and food and his neighbors knew that he sorrowed with them and rejoiced when they rejoiced. Truly a good man has gone to his reward and the memory of him will be treasured throughout the years.

On Sunday afternoon at 5 o'clock in the presence of a large number of friends from various parts of the county, the last sad rites were said by Elder John N. Rodgerson and the body was laid in the grave near the homestead to await the coming of the Lord, when they who are righteous shall arise and be like Him.

Summer colds are hard to get rid of, and frequently lead to asthma, bronchitis, and hay fever. Do not let your cold get a hold on you, but use Foley's Honey and Tar Compound for quick relief. W. H. Allen, Chelsea, Wis., says: "We prefer Foley's Honey and Tar Compound to other cough medicines because it quickly cures coughs and colds. It will ward off a cold if taken in time." Contains no opiates. Saunders & Fowden.

Bridge Club Entertained

Mrs. James G. Staton entertained the members of the Bridge Club on Saturday afternoon and had as honor guest Mrs. Carl Parker, of Washington. Tables were attractively arranged and the players heartily enjoyed the series. At six o'clock, the guests were invited into the dining room, where a carefully selected menu, consisting of viands elegantly prepared, was served in a manner characteristic of the home.

To the Democratic Voters of Martin County:—

Permit me to thank you very kindly for the consideration and confidence so generously manifested by your support and cooperation during my continuance in office as Sheriff of your county, and to assure you that I most heartily and keenly appreciate the same.

Not being aware of any complaint and not having heard anything derogatory to my performance of the duties pertaining to the office, and thinking that my services and experience might probably merit your further consideration, confidence and support, and assuring you that the best and all that is, of and in me, are at your command, I take the liberty of seeking further consideration at your hands, and hereby announce myself as a candidate for the office of Sheriff of Martin County, subject, however, to the wishes of the County Democratic Convention.

This 20th. day of June, 1912.

J. C. CRAWFORD.

A Strong Endorsement

Editor of the Enterprise,

Dear Sir:—

I see through the columns of your paper that Mr. J. C. Crawford has again announced himself as a candidate for the office of sheriff. The voters of Martin County have already thus far honored Mr. Crawford and he has proved himself well worthy the confidence so placed in him, having served the County faithfully and capably during his incumbency and having shown himself eminently qualified for the office.

It is the opinion of myself and, I may add with safety, of the great majority of the voters of Hamilton Township, that it would indeed be folly to resort to any further experiment in seeking a man to fill this office while we have so satisfactory and gratifying a certainty within our easy attainment.

Hoping that the voters of the County will see fit to renominate Mr. Crawford, I beg to remain,

Very truly yours,
B. L. Long.

For Representative

At the request of a number of my friends, I hereby announce myself a candidate for the House of Representatives subject to the action of the Democratic Convention of Martin County.

This May 28th, 1912.

A. Corey.

Meeting Last Night

The citizens of the town met with the Chamber of Commerce at the City Hall last night and arranged all plans to meet the requirements of the A. C. L. R. R., concerning the track to the river. Mr. Pennypacker, who is to erect the mill, could not be present but will come next week and arrange for the building of his plant. J. Davis Read has been here this week and looked over a site for a box factory. The proposition to build a peanut factory was discussed and a committee was formed to take the matter under consideration. It looks like great things for the town in the near future.

N. J. Gorham, Cashier Bank of Woodville, Woodville, Ga., had a very severe attack of kidney trouble and the pains in his kidneys and back were terrible. "I got a bottle of Foley Kidney Pills from our druggist and they entirely relieved me, I have more benefit from them than any other medicine." Saunders & Fowden.

A. R. Dunning for Representa- tive

In selecting a man to represent Martin County in the House of Representatives, as a voter I think that the people could not make a better choice than Hon. A. R. Dunning. He is a farmer by birth, having been trained to follow the plow and did it well. Now he sits in his law office and sympathizes with the hard-worked farmers whom he sees pass along, and would free them from the monopoly which grinds them down.

Mr. Dunning is a successful and prudent business man, who to my mind, is pre-eminently the one to represent our county in the next session of the Legislature. His career in life proves him to be a man far beyond private interests, but looking for the good of the people.

We as a unit realize the fact that we need a man in our legislative halls who is amply able and ready to defend us at all times. May we meet in Williamston on the morning of convention day and in a very pleasant tone shout: "Dunning for Representative."

James A. Daniel,
Jamesville, N. C.

Motor Party

A very delightful occasion was the motor party on Friday evening arranged by Mrs. Kater B. Crawford in compliment to her niece, Miss Elizabeth Ross, of Seaford, Del. The young people drove about twenty-five miles, and on Folan's Bridge, one of the most picturesque spots to be found anywhere, they had supper served.

Those present were: Miss Elizabeth Ross, with Harry A. Biggs, Miss Clara Jones with Julius Peele, Miss Della Lanier with Harry M. Stubbs, Mrs. John D. Biggs, Jr. with Dr. Biggs, Mrs. Kater B. Crawford with Mr. Crawford and Dr. James S. Rhodes.

A. M. Nason, farming near Canaan, Me., was badly crippled with sciatic rheumatism due he says to uric acid in his blood. "Foley Kidney Pills entirely cured me and also removed numerous black specks that were continually before my eyes." Foley Kidney Pills are a uric acid solvent and are effective for the various forms of rheumatism. Saunders & Fowden.

Infant Class Entertained

On Tuesday afternoon Mrs. Fannie S. Biggs gave a party for the Infant Class of the Baptist Sunday School which she and Mrs. George J. Dowell teach. Mrs. Biggs up until about a year ago has been the teacher of this class for twenty-five years, and some of those whom she taught in their infancy are now grown and have children who are in the class.

The little people enjoyed the childish games, and the good things to eat, but the crowning event to them was the automobile ride which was given them. Three motor cars took the party for an hour's ride through the streets and on the roads leading to town, and they had the time of their lives.

A "Prominent" Fan.

Mrs. John W. Pope Dead

The body of Mrs. John W. Pope was brought here on Monday afternoon from Weldon where she had died at her residence on Sunday. Mrs. Pope was born in Williamston thirty-seven years ago, being the second daughter of Mrs. John H. Tucker. About fifteen years ago she was wedded to John W. Pope, who with one son survives her.

In early womanhood she gave her heart to God and His service and lived a consistent Christian life. She was a devoted wife and mother, a faithful daughter and friend and her home was always open for the pleasure of others. She leaves beside the husband and child, a mother, a brother and sisters. Those attending the funeral here were: Mrs. J. H. Tucker, Mrs. Eugene Gordy, Miss Mary Gordy and Jesse Tucker, of Edenton.

Tuesday afternoon at 2 o'clock the funeral services were held at the Methodist Church by the pastor, Rev. Rufus Bradley. The casket covered with floral offerings was borne to the cemetery and the body interred there to await the Resurrection morn.

Friends and relatives here sympathize with the bereaved family in their great loss.

To be Married in August

Last week at a luncheon given at Wake Forest the engagement of Miss Louie Poteat was announced to Wheeler Martin, Jr., of Williamston. The news of this engagement will be heard with interest to the friends of this young couple throughout the State. Miss Poteat is a charming young woman, a daughter of Dr. Poteat, President of Wake Forest College, she is a niece of Dr. Poteat, President of Furman University of South Carolina, and of Miss Poteat, professor of Art in Meredith College, Raleigh. Miss Poteat will be a decided attraction to society in Williamston.

Mr. Martin is the son of Col. and Mrs. Wheeler Martin, whose family has always resided in Williamston. He is a grandson of Congressman J. J. Martin, and he is connected through his mother with the Alexander and Ransom families being a grandson of Dr. Edward Ransom, of Virginia, a skillful physician and able party leader during the days just after the war.

The wedding will be celebrated at Wake Forest on August 28th.

Pants Factory Secured

Williamston has secured the Hamilton Pants Factory and the plant will be moved here as quickly as possible. The company asked that in addition to the site and cost of moving that \$4,000 in stock be subscribed. This was very readily taken by Messrs. C. H. Godwin, G. W. Blount and N. S. Peel.

The business has been on a paying basis for some time and with better shipping facilities, it can be made very profitable because a larger volume of business can be done. The members of the company are among the first citizens of the county, and Williamston will welcome them heartily.

In these days of high cost of living, a medicine that gets a man up out of bed and able to work in a few days is a valuable and welcome remedy. John Heath, Michigan, Bar, Cal., had kidney and bladder trouble, was confined to his bed, unable to turn without help. "I commenced using Foley Kidney Pills and can truly say I was relieved at once." His example is worth following. Saunders & Fowden.
