Mrs. B. T. Wynne Dead

Last Thursday afternoon, July 18th, at 3 o'clock the funeral services of Mrs. Mary Wynne were conducted from the home near Everetts by Rev. Geo. J. Dowell in the presence of a large assembly of friends and relatives. She was the daughter of the late Daniel and Cynthia Mobley and at the time of her death was about 56 years of age. On December 18th, 1879, she was married to B. T. Wynne, Esq., who with four children survive her. These are Ashley D., Joseph H., Ellen D., and Mollie Wynne.

Hers was a long and tedious illness attended with great pain and suffering most of the time. Her sickness began December 1910 and lasted until July the 17th, when she was relieved by the sleep of death.

Mrs. Wynne was an excellent type of the good and faithful wife and mother. The neighbors found in her a true friend; the sick, a sympathizer; the needy, a helper. Some 22 years ago she was baptized into the fellowship of Piney Grove Church at Everetts by Elder Geo. J. Dowell, and during her whole life was a faithful member. Strange are God's mysterious dealings, and His ways past finding out, but He doeth all things well. We are assured that it was right to call this dear one home, or He would have left her to cheer the loved ones now mourning to be left so disconsolate. May this sad dispensation of His providence lead them to strive to reach that beautiful land to which we are confident she has gone, where faith is swallowed up in fruition and hope in possession, until they shall plant their feet on the everlasting Rock of Ages, and find firm footing when the world and all its possessions shall slip from under their feet. Then the same God whom she loved and served shall reunite the scattered family and they shall dwell with the Saviour in the New Jerusalem forever. May he who tempers the wind to the stubborn lamb, mercifully watch over them to the end of life's journey.

"He that has made his refuge God, Shall find a most secure abode; Shall walk all day beneath his shade, And there at night, shall rest his head."

An increasing number of people report regularly of the satisfactory results from taking Foley Kidney Pills and commend their healing and curative qualities. Foley Kidney Pills are a carefully prepared medicine, guaranteed to contain no harmful or habit forming drugs. They can have only a beneficial effect when used for kidney and bladder troubles, for backache, rheumatism, weak back or lumbago. Saunders & Fowden.

Bold Hold-Up

Sunday night when about five miles from town on the Washington road, J. A. Woolard, son of the late J. L. Woolard, was held up by two negroes, who wore a white cloth about their faces. Young Woolard had driven out to his father's farm after the late train had come in to carry a friend. When returning about ten o'clock, he saw a man come out from the road which leads to the home of Mr. Kader Lilley and heard him call for him (Woolard) to stop. He struck his horse but the animal was caught by the negro who held a pistol in his hand. Another negro came up between the wheels and demanded that he turn the contents of his pockets out. Woolard, though naturally frightened, had presence of mind enough to slip his purse containing about \$5.00 in the waistband of his pants and then turned all his pockets out, finding only about \$1.25. The men had demanded the money upon the threat that they would take the team, while pointing a couple of guns at the boy. After the money was secured, they let him go and he drove quickly to town and reported the crime to the sheriff.

Woolard failed to recognize the men, but it is thought that they were from town and seeing the young man go out and suspecting that he carried some cash, secured bicycles and waited for him to return. Such occurrences are rare in this section and it is a serious matter. The number of vagrants around the town make it highly probable that the parties reside here.

Founder of The Enterprise

Monday afternoon, Mr. J. Dale, of Kinston, was a most welcome visitor to the office. Thirteen years ago Mr. Dale came here and established THE ENTERPRISE in the old Williams Building.

Mr. Dale soon sold the paper to the late G. W. Newell and has since engaged in the business of a marble yard at Kinston, where he does better work for less money than the average monument dealer. The letters which appears at the head of the paper, designating its name were cut from a piece of wood by Mr. Dale with a knife. Later lead type was used as now.

It is an odd fact that the first copy of THE ENTERPRISE that rolled off the old Washington hand press, was taken by W. C. Manning, who ten years after became editor. Coming events did not cast their shadows before him, and so he knew not of the responsibility which should come to him later. Mr. Dale was much pleased with the looks of things about the office and expressed his appreciation of the sheet which is sent out weekly. We enjoyed his visit and hope that he will come again because we live—as we desire no stone for years to come.

Sunday School Institute

Mr. M. W. Brabham, Field Secretary of the Sunday School Board of the North Carolina Conference, M. E. Church, South, will conduct a Sunday School Institute in the Methodist Church here August 2-4. The Sunday School in the Williamston and Hamilton Churches are expected to attend this Institute. All the Sunday Schools in town cordially invited to attend.

A. M. Nason, farming near Cavanaugh, Me., was badly crippled with sciatic rheumatism due he says to uric acid in his blood. "Foley Kidney Pills entirely cured me and also removed numerous black specks that were continually before my eyes." Foley Kidney Pills are a toxic acid solvent and are effective for the various forms of rheumatism. Saunders & Fowden.

This 20th day of June, 1912.

Summer colds are hard to get rid of, and frequently lead to asthma, bronchitis, and hay fever. Do not let your cold get a hold on you, but use Foley's Honey and Tar Compound for quick relief. W. H. Allen, Chelsea, Wis., says: "We prefer Foley's Honey and Tar Compound to other cough medicines because it quickly cures coughs and colds. It will ward off a cold if taken in time." Contains no opiates. Saunders & Fowden.

For Register of Deeds

I hereby announce myself a candidate for the office of Register of Deeds of Martin County, and ask my friends and fellow Democrats to give me their support, which I assure them will be appreciated. Respectfully,
D. J. MEEKS.

In these days of high cost of living, a medicine that gets a man up out of bed and able to work in a few days is a valuable and welcome remedy. John Heath, Michigan Bar, Cal., had kidney and bladder trouble, was confined to his bed, unable to turn without help. "I commenced using Foley Kidney Pills and can truly say I was relieved at once." His example is worth following. Saunders & Fowden.

Poverty Soshul

One of the most unique and enjoyable affairs here for years was the Poverty Soshul given by the Aid Society of the Baptist Church on Tuesday night at the Dixie Warehouse. The arrangement and management was under the direction of Miss Pattie Dowell. The large warehouse was brilliantly illuminated and at convenient spots about the floor were placed tables from whence things good to eat were served in attractive style and a rustic well furnished refreshing lemonade. But the chief features were the trials before Judge Dunning and the District School conducted by Mrs. John D. Biggs whose impersonation of the old maid teacher could not have been excelled. Policeman Fowden arrested people and carrying them before the Judge, had fines for spooning, flirting, sporting, etc., imposed. This created loads of fun. The commencement exercises of the school in which the older people acted as pupils was fun-provoking. The debate between John L. Hassell and Judge Dunning to decide the wholesomeness of peas and collards, was one of the most attractive numbers on the programme. Everybody had a good time and partook heartily of the 'cue and other things. The proceeds amounted to \$60.

N. J. Gorham, Cashier Bank of Woodville, Woodville, Ga., had a very severe attack of kidney trouble and the pains in his kidneys and back were terrible. At the solicitation of a number of my friends, I have decided to announce myself a candidate for the office of Register of Deeds of Martin County, subject to action of the Democratic Convention.

Very respectfully,
S. S. BROWN.

George L. Higbie, Mantion, Mich., used Foley Kidney Pills for kidney and bladder trouble. He says: "I find for my case no other medicine equals Foley Kidney Pills for beneficial effect." They are a safe and reliable medicine for kidney trouble and rheumatism. Contain no harmful drugs. Saunders & Fowden.
