We should put clean, competent men in every office from township constable to president of the United States. Petty jealousies have worked harm in the past and will always bring bad results when indulged in. The good of the whole should be considered and not the blind prejudices of those who are careless of results.

We have stated repeatedly that no article unsigned would appear in these columns, but this unalterable rule is violated very often. Only this week we received a communication signed "Many voters of Martin County" placing the name of a citizen of the county before the people for Representative, but there was no man's name to show who sent it and therefore it could not be published. We have no desire to disregard the wishes of the people but our rule is the safe one and we must abide by it. Sign your communications.

Not a Candidate

Mr. Editor:—
 Having been solicited by a goodly number of friends to let my name go before the County Convention as a candidate for the Legislature, and in your last issue my friend, Mr. G. F. Roberson advocated the same, I desire to say that I appreciate the compliment and especially the kind words of Mr. Roberson, but feel that it is my duty to say that I cannot accept the honor even if the people of Martin County should desire to bestow it upon me. Owing to my business and age, I feel that it would not be well to have my time so fully occupied. For this same season I am not a candidate for the office of County Commissioner at the Convention. I wish to thank all the people for their kindness and loyal support, and I would suggest that they nominate Mr. G. F. Roberson to succeed me on the Board of Commissioners. He has served faithfully for some years as a magistrate and has much experience with the people.

Now I desire to say that my attitude as to the acceptance of any office does not indicate a lack of interest in the political affairs of the county. I shall always do what I can for the interest of our grand old Democratic party as founded and advocated by Thomas Jefferson, Andrew Jackson and a long list of our old heroes.

I do not like this new "fandangle" idea of Democracy in some of our public officials. They are elected on our platform and instead of standing square on it, get off and on as it suits them. They have no right to do so, but should stand pat on it until it is changed by the State and National Conventions.

Now in conclusion, let me advise all our good people to work and vote for Locke Craig for Governor, W. W. Kitchin for U. S. Senator and Wilson for President. They are simple pure Democrats and will stand square on our platform, and if they are elected, we will all be happy.

Yours truly,
 R. H. Salisbury.

CALOMEL GIVES ONLY TEMPORARY RELIEF
 So Powerful it Shocks Liver and Leaves it Weaker than before.
 Dodson's Liver-Tone a Perfect Substitute

Nearly everybody who has ever tried calomel for constipation or a sluggish liver has found that it gives only a temporary relief. For calomel is such a powerful drug that it shocks and weakens the liver and makes it less able afterward to do its duty than in the first place.

This is one of the reasons why Saunders & Fowden drug store would rather sell Dodson's Liver-Tone to you than calomel. We know that Dodson's Liver-Tone is a pure vegetable liver tonic that will cure constipation quickly and gently without any danger of bad after-effects. We guarantee it to do this with a guarantee that is simple and fair. If you buy a bottle of Dodson's Liver-Tone for yourself or your children, and do not find that it is a perfect substitute for calomel, then come back to the store and get your money. If you don't get value for your money out of this tonic, it's your right to expect your money back, and we will gladly give it to you.
