T. L. Parks, Murrayville, Ga., Route 1, is in his 73rd year, and was recently cured of a bad kidney and bladder trouble. He says himself: "I have suffered with my kidneys. My back ached and I was annoyed with bladder irregularities. I can truthfully say, one 50c bottle of Foley Kidney Pills cured me entirely." They contain no habit forming drugs. —Saunders and Fowden.

—There is much complaint about the number of cows and hogs which are allowed to run at large on the streets. It is true that these is excellent grazing grounds, but when stock feed thereon, a reasonable rent should be collected and put in the town treasury. Let's enforce the law and have a clearer town.

Mrs. J. N. Hill, Homer, Ga., has used Foley's Honey and Tar Compound for years, and says she always recommends it to her friends. "It never fails to cure our coughs and colds and prevents croup. We have five children and always give them Foley's Honey and Tar Compound for a cold, and they are all soon well. We would not be without it in our house." —Saunders & Fowden.

There were seventy enrolled in the first and second grades under Mrs. J. T. Jerome, who has had six years of experience in the West Durham Graded School.

Principal J. F. Jerome, who succeeded Principal Jordan, comes from the schools of South Mills and was educated at Trinity College. He organized the school on Friday last so as to be prepared for work on opening day. The school work begins at nine o'clock after chapel services, and ends at three with an intermission at noon of forty-five minutes. This time will enable any pupil within the corporate limits to go home for dinner if so desired. The term opens with splendid prospects for a successful year. The other members of the Faculty are: Mrs. W. H. Harrell, Miss Annie Cooper and Miss Annie Mizell. The music department has no teacher at present.

A really effective kidney and bladder medicine must stop the progress of the disease and then cure the conditions that cause it. Use Foley Kidney Pills for all kidney and bladder troubles and urinary irregularities. They are safe and reliable. They help quickly and permanently. In the yellow package. —Saunders & Fowden.

\$80,000.00 Lost Annually By Wage Earners

Dr. Sadler estimates that about \$80,000,000.00 in wages is lost annually to the American people as a direct result of colds. Lost time means lost wages and doctoring is expensive. Use Foley's Honey and Tar Compound promptly. It will stop the cough, and heal and soothe the sore and inflamed air passages. —Saunders & Fowden.

September Term of Court

Court convened Monday at 10 o'clock p. m., with Judge M. H. Justice presiding. The Judge arrived on the 1:16 train and hence the delay in convening court.

His charge to the jury was very brief. He emphasized the fact that it was the duty of each grand juror to investigate every crime committed within his knowledge or brought to his attention. That it was the duty of every citizen to report all breaches of the criminal law that come to his attention. That the party who bought whiskey from a blind tiger and concealed that fact, put himself on a level with the man who was selling the whiskey; that the blind tiger expected the buyer to lie for him if the matter should ever be brought before the courts. The same thing being true of those who knew of pistol "toting" and concealed the fact.

The trial of the criminal docket was completed Tuesday afternoon, and the following cases were disposed of:

State vs Lorton Modlid. Attempt to commit rape. Not guilty.

State cases Nos. 1, 4, 5, 6, 7 and 16. Retailing cases tried at former term and bond required from term to term to show good behavior were continued under former order.

State vs L. C. James. A. D. W. Plead guilty. Judgment suspended upon payment of cost.

State vs L. C. James and McG. Whitehurst. Sci fa—Sci fa discharged upon payment of cost.

State vs Will Roberson. A. D. W. Plead guilty. Six months in jail with leave to hire out.

State vs Geo. James. Burglary and larceny. Guilty. Six months on roads.

State vs J. H. Rogers. C. C. W. and resisting officer. Guilty. Six months on roads.

State vs T. S. Hadley and J. D. Tetterton. Affray. Not guilty as to Tetterton. Guilty as to Hadley upon whom judgment is suspended upon payment of cost.

State vs Hilliard Purvis. Assault and C. C. W. Plead guilty. Four months on roads.

State vs A. J. Thompson and Jesse Bullock. Burglary and larceny. Both plead guilty. Thompson sentenced to roads for eight months with leave to hire out for not less than \$20 per month upon giving bond in the sum of \$200 for faithful service to his employer.

State vs Tom Bryan. A. E. W. Guilty. \$25 and cost.

U. A. Smith, Bridgeton, Ind., had kidney trouble for years, and so crippled with rheumatism he could not dress without help. He started using Foley Kidney Pills, and says: "I began to get better at once, and now all my trouble has left me and I do not feel that I ever had rheumatism. I rest well all night and tho' 59 years old can now do the work of a man of 35 years. I would like to be the means of others getting benefit from Foley Kidney Pills." Refare substitutes Saunders & Fowden.

Embroidery Club

Tuesday afternoon, the Embroidery Club met with Mrs. James G. Staton at her home on Main Street. All the members except two, who were detained at home, were present and the time spent together was most delightful. At the hour for refreshments, the guests were invited into the dining room where at the table with covers for twelve, elegantly prepared fowl, meats, ices, cakes and fruit were served. The next meeting will be held with Mrs. F. U. Barnes on Smithwick Street.

High Price for Tobacco

Those farmers who planted tobacco this year seem to have struck it right this time. For prices are higher than for many years. No farmer seems to be getting less than \$100 per acre regardless of what kind of stuff he may have offered, and many have received as high as \$250 per acre.

Simon E. Hardison has just sold one priming from a 4 and 1/2 acre crop for \$406. This tobacco was sold on the Williamston market, except one half of two grades which were split and carried to Rocky Mount for a test between the two markets. The Williamston sale in each case being higher than Rocky Mount.

This refutes the statement that is heard from some paid agent of the large markets that the small markets have lower limits than the larger ones. It is well-known that all buyers are furnished with same prices at which to buy.

In Memoriam

Mack Jenkins was born in Edgecombe County, North Carolina. He departed this life in his seventy-third year. He was the son of the late Joseph Jenkins and belonged to one of the oldest families in the State. He was reared by pious parents and this training was manifest throughout his whole life. He was a gentleman of the old school, polite, kind, and hospitable.

The war between the States called him in early manhood to serve his country. He belonged to the

Edgecombe Guards and always loved his comrades in arms. It afforded him much pleasure to meet with them at their reunions.

He married Miss Sallie Moore, of Martin County, Elder Cushing Hassell, performing the ceremony. This happy couple settled at Cone-toe, Edgecombe County. Here they raised a family of bright, attractive children, Johnnie and Herbert their two sons, and Lula, Bettie, Mary and Ora their lovely daughters. Lula and Bettie preceded their father to the grave.

Mr. Jenkins was blest with a faithful companion whose life has been beautiful. A kind friend, a loving wife and mother, she always shared the hospitality of her home with her own and her husband's friends in the most gracious manner, and impressed all with the sincerity of her friendship and the devotion to her family.

This happy union lasted fifty-one years, twenty-six of which were spent in Edgecombe, twenty-five in Martin. After the marriage of all of their children they moved back to their old home near Cone-toe. They were living here when Mr. Jenkins passed away to live with God whom he worshipped. He was buried in the Jenkins Cemetery there to rest with his kindred until the Resurrection Day.

The old veteran, the kind friend, the devoted husband and father has gone to his eternal home. He was a member of the Methodist Church. He met adversity bravely and bore his sufferings cheerfully. He trusted in the promises of God and these gave him comfort and hope. May his gentle life prove a blessing to his children and grand children for many years to come. His end was peace and our loss was his eternal gain.
E. R. G.

To Capt. White

A beautiful white marble shaft ten feet high marks the spot where the body of the lamented Capt. W. R. White rests in the Baptist Cemetery. It is a fitting memorial to him who on August 15th, 1911, fell before an assassin because he had dared to do his duty. The memorial has on it the date of the birth and death of Capt. White and the significant word: "Duty." That word will tell the story of the life of the man to passersby in the coming years. All honor to the dead Chief, who gave his life that the rightful arm of the law might be upheld.

THIS STORE WON'T GUARANTEE CALOMEL

But we have a Liver Medicine that We do Guarantee with Money Back Offer

The next time you think you need a dose of calomel, don't take it. Even if you have taken it often before, this might be the very dose that would silitate you. Its use is sometimes followed by dangerous after-effects. If you are constipated or bilious or if your liver has gotten lazy and inactive two or three doses of Dodson's Liver-Tone, pleasant tasted vegetable liquid, will "make you feel like new."

We would not recommend Dodson's Liver-Tone in place of calomel if we were not willing to fully guarantee it. So anybody who buys a bottle of Dodson's Liver-Tone at Saunders & Fowden drug store and does not find it a perfect substitute for calomel man come into the store any day and get his or her money back.

It has absolutely no bad after-effects and is harmless for children as well as grown-ups.

Antoine Deloria, Postmaster at Garden, Mich., knows the exact facts speaks of the curative value of Foley Kidney Pills. He says: "From my own experience I recommend Foley Kidney Pills, as a great remedy for kidney trouble. My father was cured of kidney disease and good many of my neighbors were cured by Foley Kidney Pills." —Saunders and Fowden.
