Tom Settle says that the whiskey question is not a moral one. Surely not—whiskey has always been and ever will be immoral. But the prohibition question which was settled by 43,000 majority in North Carolina is a moral question and Tom just as well consider it so. A man who makes such a statement is hardly the one to represent even the scattered Taffites in the State.

It is said that Settle is the only man in America who has left discussing the vital issues before the country, and gone after something which the voters have already settled by a big majority. That shows how desperate is his case. Roosevelt has lured away so many of his party, and he is trying to catch votes elsewhere. He knows that there is no chance for his election, and if elected could not empty his whiskey barrel over North Carolina again. Settle has too much sense to believe that he has any chance for himself or his "barl."

Every Farmer Should Come

Hon. John H. Small will address the citizens of Martin County at the City Hall, Williamston, Tuesday night, October 15th, at 8 o'clock. This will be an opportunity every Democrat and men of other parties should take advantage of.

Congressman Small is truly a man of the people. In whatever they are interested, you will find him bending every energy to secure. Among the Southern delegation in Congress, there is no man more active for his people than John H. Small. He is easily the greatest worker and most useful man in the North Carolina delegation. His interest in the inland waterways has given him National prominence and everywhere he is greeted with enthusiasm. The First District has honored him but how much more does he honor the District!

The farmers of Martin County recognize in him a friend-one in whom they can place their trust, for he has done so much for them in the matters of rural routes, agricultural training, etc.

Remember that he will speak on October 15th, at night in the City Hall, Williamston.

Mrs. T. A. Town, 107 6th St., Watertown, S. D., writes: "My four children are subject to hard colds and I always use Foley's Honey and Tar Compound with splendid results. Some time ago I had a severe attack of la grippe and the doctor prescribed Foley's Honey and Tar Compound and it soon overcame the la grippe. I can always depend upon Foley's Honey and Tar Compound and am sure of good results." Saunders and Fowden.

ONE ATTACK FOLLOWS ANOTHER
Has That Been Your Experience Taking Calomel for Constipation? Try Dodson's Liver Tonic Next Time

Many people take calomel to cure constipation, and it does cure it for one day, but two or three days later they are sicker than ever. That is one of the after effects of calomel. This is the reason why Saunders & Fowden drug store will not guarantee calomel to be harmless. But we do guarantee Dodson's Liver-Tonic to be a perfect substitute for calomel. Dodson's Liver-Tonic will cure constipation and rid the attacks and keep them cured, by stimulating and toning up the liver to do its best work. It is a vegetable liquid with a pleasant taste and is harmless to children as well as grown people. It livens up the liver by natural methods, does not act so strongly as to weaken the body, but is safe and sure just the same. You can buy a bottle today from Saunders & Fowden with the assurance of your money back if it fails in your case.

Brunswick Stew

2 Squirrels—3, if small.
 1 qt. ripe tomatoes—peeled and sliced.
 1 pint butter beans, or Lima.
 6 Irish potatoes.
 6 ears green corn cut from cob, or 1 can.
 1/2 lb. butter.
 1/2 lb. fat salt pork.
 1 teaspoonful ground black pepper.
 1/2 teaspoonful cayenne.
 1 gallon water.
 1 tablespoonful salt.
 2 teaspoonfuls white sugar.
 1 onion, minced small.
 Put on the water with the salt in it and boil five minutes. Put in the onion, potatoes, beans, corn, pork or bacon cut in shreds, pepper, and the squirrels, which must first be cut in joints and laid in cold salt water to draw out the blood. Cover closely and stew two and a half hours very slowly, stirring frequently from the bottom. Then add the tomatoes, sugar, and stew an hour longer. Ten minutes before you take it from the fire add the butter, cut into bits the size of a walnut, rolled in flour. Take out the bones and pieces of pork. Give a final boil taste to see that it is seasoned to your liking, and turn into a soup-tureen. It is eaten from soup plates. Chickens may be substituted for squirrels.

Off on Hunt

The members of the Roanoke Hunting Club, who are lessors of Coreline Swamp on the Bertie side of the river, left Tuesday morning for their annual hunt. Their boat-house has been recently renovated and refurbished. This was towed by the "Doris," the Club's handsome launch with three canoes and a smaller launch. The pantry of the boathouse was stocked with provisions and all things necessary to make the trip a happy one. The preserves of the Club are ideal, especially that portion near Calm Point, where the boats are moored. The creeks and inlets adjacent have on their banks large oaks laden with acorns on which thousands of squirrels feed. There are also plenty of ducks, turkeys, etc., to bag. The members of the Club who have gone are, J. G. Staton, J. S. Cook, J. R. Roberson, J. H. Page, K. B. and W. H. Crawford and T. C. Cook.

Mrs. Paul Wehling, 316 Smith St., Peoria, Ill., had kidney and bladder trouble, with terrible backache and pain across the hips. Just imagine her condition. She further says: "I was also very nervous had headaches and dizzy spells, and fast getting worse when I took Foley Kidney Pills, and now all my troubles are cured. Foley Kidney Pills have done so much for me I shall always recommend them. Saunders & Fowden."
