—We are marching to the Maryland Life 300,000 strong.

—FIVE DOLLARS REWARD and no questions asked for return of watch taken from our shanty.—Williamston Cooperage Co.

—Remember Parents' Day at the Graded School next Wednesday, the 27th.

—Services at the Christian, Methodist and Baptist Churches on Sunday morning and night.

—The business houses, banks and postoffice will be closed on Thanksgiving Day, which is next Thursday.

—H. D. Peele and Co., sold two hundred and fifty bicycles the past season. The new sand-clay roads made spinning a pleasant pastime.

—Have you joined the Army of the Maryland Life.

—L. E. Covington, State Bank Examiner, spent Wednesday and Thursday here examining the books of the two banks.

—I will sell you checks for as much \$10, for five cents. All over \$10, ten cents, either Bank.—J. B. Speller.

—A negro man on Sunday, seeing one of the squirrels in Watts' grove playing up a tree at the gate, pulled out a pistol and tried to kill the little animal. It was an act of lawlessness committed against another man's property and a violation of the laws of the State, and done on Sunday, too. Pistol "toting" is one of the common acts around this town.

—It has been ascertained that peanuts picked by the Lilliston Picker bring better prices because they are cleaner. This is one of the features which recommend it to the farmer who wishes to put his crop on the market in the very best shape. The Martin County Buggy Company has placed a large number of these pickers in this section and have had favorable reports from them.

—An alarm of fire was heard on Wednesday about ten o'clock and it was found to be the roof of Carstarphen's store on fire, caused by the flue which runs from the millinery room. The engine was soon at work and with water being thrown from the inside and out, the flames were soon extinguished with very little damage.

—Monday afternoon, while the road hands were busily engaged in putting down the track to the river, they saw a flat car loaded with heavy piling, came speeding down the partially finished track. For some unknown reason, the car which had been left on the track near the power house, had started off and the grade being steep, it went down over the imperfect road. It was checked in time to prevent overturning, but hindered the work considerably, as the temporary trestles were not safe for an engine to go down and bring back the car.

Embroidery Club

A pleasant afternoon was spent with Mrs. J. H. Saunders on Tuesday, November 12th., at her home on Church Street. The next meeting will be held with Mrs. Henry Crawford on Tuesday the 26th., when she will entertain in honor of Mrs. Henry T. Hicks, of Raleigh, who is to be her guest for Thanksgiving.

"Tells the Whole Story." To say that Foley's Honey & Tar Compound is best for children and grown persons and contains no opiates tells only part of the tale. The whole story is that it is the best medicine for coughs, colds, croup, bronchitis and other affections of the throat, chest and lungs. Stops la grippe, coughs and has a healing and soothing effect. Remember the name, Foley's Honey & Tar Compound, and accept no substitutes. Saunders & Fowden.

J. K. Cotton, 1303 No. Market St., says:—"I heard of Foley's Kidney Pills and took them for my case of kidney trouble. After taking them a few days the pain left my back, my kidneys acted regularly and the annoying bladder trouble was cured. I gladly recommend Foley's Kidney Pills." Saunders & Fowden.

A Mitchell, a general merchant near Bagdad, Ky., writes us:—"I think Foley's Kidney Pills one of the greatest kidney medicines there is. My daughter was in terrible shape with kidney trouble and I got her to take it. She is completely cured now. I think it one of the greatest medicines made." Saunders & Fowden.

Fractured Leg

Monday afternoon, Drs. Warren and Rhodes were summoned to the mill of the Williamston Cooperage Co., to render aid to Robert Melson, who while working there, had been struck by a log and had his leg broken in two places. The injured man was brought to his home on lower Main Street and given careful attention. This is the first accident to happen at the plant since the erection.

Dan J. Joyce, Sanville, Henry Co., Virginia, says:—"I took a cold with a cough which hung on for two years. Then I commenced using Foley's Honey & Tar Compound and the cough finally left me and now I am perfectly strong and well." Is best and safest for children and contains no opiates. Saunders & Fowden.

An Ex-Confederate Dead

The body of Mr. Pem S. Bowen was brought here Saturday night and taken to the house of his niece Mrs. J. H. Mizell on West Main Street. Mr. Bowen with his wife and family had lived in Poplar Point Township for years. Some time ago his health failed, and for several months he had been living with his daughter at Ayden, thinking that a change would be beneficial. He enlisted in the 17th Regiment, N. C. Troops, C. S. A., and served faithfully during the struggle between the States. He was a comrade of Mr. Tom Perry, of Williamston, during that period and they always occupied a tent together. He was the brother of J. D. Bowen, Supt., of the County Home. Mrs. Bowen, the wife of the dead, was too sick to realize her husband's death at the time. The funeral was held on Sunday and many friends and relatives paid the last mark of respect to the comrade who followed the fortunes of the South during the four years of heroism.

J. K. Cotton, 1303 No. Market St., says:—"I heard of Foley's Kidney Pills and took them for my case of kidney trouble. After taking them a few days the pain left my back, my kidneys acted regularly and the annoying bladder trouble was cured. I gladly recommend Foley's Kidney Pills." Saunders & Fowden.

Convention at Farmville

(Reported)

The 68th Session of the N. C. Christian Missionary Convention was held at Farmville, November 18-21, 1912. The Convention was called to order by Rev. C. W. Howard, of Kinston. The Convention sermon, which was delivered by W. D. LaPrade, of Durham, was a masterly one, deep yet simple and plain.

Many of the strong preachers of the State, among them Richard Bagby, of Wilson; C. Manly Morton, Winston-Salem; H. C. Boblett, Rocky Mount; Bernard P. Smith, Kinston; Dr. J. C. Caldwell, President A. C. College, took prominent places in the Convention. There were others also, who did splendid work during Convention hours.

The Sunday School Session was presided over by R. V. Hope, State Bible School Superintendent, of Washington, and were among the best work of the Convention. The speakers and teachers who took prominent places on the program were: Miss Lillie Farris, Cincinnati; J. Randall Farris, Birmingham; Robert M. Hopkins, National Bible School Supt., of Cincinnati.

Stephen J. Corey, National Sec'y of the Foreign Mission Work, made a splendid address on the work in Central Africa. He told in a plain and intelligent way how our missionaries are moving and stirring the social and moral life of those people in Darkest Africa.

Alabama, Florida, North Carolina, South Carolina, Kentucky, Tennessee. Twinges of rheumatism, backache, stiff joints and shooting pains all show your kidneys are not working right. Urinary irregularities, loss of sleep, nervousness, weak back and sore kidneys tell the need of a good reliable kidney medicine. Foley's Kidney Pills are tonic, strengthening and restorative. They build up the kidneys and regulate their action. They will give you quick relief and contain no habit forming drugs. Safe and always sure. Try them. Saunders & Fowden.

Paper is beneficial in the preservation of all kinds of fruits. Apples and pears of high grades are packed in this way.

Huntsville, Ala. W. C. Pollard, a well known citizen, says:—"I have used Foley's Honey & Tar Compound and found it a most excellent preparation. In fact, it suits my case better than any cough syrup I have ever used and I have used a good many, for I am now over seventy years old." Saunders & Fowden.
