To Meet S. A. L. Officials

Messrs. Harry Stubbs, B. A. Critcher and C. D. Carstarphen went to Norfolk Tuesday to join other delegations from Hamilton and Washington, who were to meet officials of the Seaboard Air Line Railroad to discuss the proposed building of the road to Washington through Martin County. The plan to build was thoroughly discussed and it was finally decided that the only obstacle in the way is the Roanoke River. From present prospects, there is no hope of that going dry, and as it cannot be removed, to bridge it is the only means of getting across. The officials say that it will cost \$250,000 to build a bridge, and the proposition is too big for their favorable consideration at present. What other action will be taken in the matter, will be determined later. In the meantime, it behoves the citizens of Williamston and vicinity to interest themselves in establishing industries, so that it will be worth while for railroads and other capital to come here.

Egg Hunt At Griffins

(Reported)

The pupils of Griffins School House had a happy holiday on March 28th., when they celebrated Easter. The party was announced by the teacher Ola Woolard, and the pupils brought in all one hundred and fifty eggs. On the day announced visitors went to enjoy seeing the children hunt for the eggs. These were hid by Mrs. Betty Griffin, Miss Lucy Griffin and the teacher. After the hiding, the children were invited to begin the hunt, which was conducted industriously, each one reporting the number found. Miss Myrtle Peel found the largest number and therefore won the handsome prize.

After the hunt was over, they engaged in dancing and had a jolly time in this way. The figures were prompted by John R. Peel, and music was furnished by James A. Corey. After three figures of happy dancing, they parted and went home.

Warrenton District Conference

The District Conference will convene in this city at the Methodist Church, Tuesday morning April 8th, at 9:30 o'clock. Bishop Denny, of Richmond, Va., will preside. Many delegates and ministers will be in attendance. We will give them a glad welcome to our city. The public is cordially invited to attend the services.

Many thanks to all denominations for their ready response in caring for the Conference.

J. T. Standford, Pastor.

An Infant Dead

Death came to Robert Leslie, the little son of Mr. and Mrs. Aldric Burroughs, who live near Williamston. The little child was stricken with pneumonia and was ill over a month. An operation was performed but the patient little sufferer died on March 18th, 1913. He was born August 15th, 1910. During his illness, he never fretted or complained. Those who knew him said that never was greater patience shown.

The little babe was laid to rest in the family cemetery in the midst of relatives and friends. The bereaved parents have the deep sympathy of the community.

What they do in heaven we are ignorant of; what they do not do, we are told expressly: they neither marry nor are given in marriage.—Swift.

Cigarette Law

The law relative to giving or selling cigarettes to minors is materially strengthened by the enactment of a bill introduced by Senator A. D. Ivie to extend the provisions of the law by making it the duty of every police officer in the State, upon knowledge or information that any minor under the age of seventeen years is or has been smoking any cigarette, to inquire of such minor the name of the person or persons who gave or sold such cigarette or aided or abetted such person or persons in giving or selling such cigarette or the substance from which such cigarette was made, to such minor as forbidden by law. Upon receiving such information from any such minor the officer is required forthwith to cause a warrant to be issued for any person or persons giving or selling or aiding or abetting any person or persons in giving or selling any cigarette, or substance out of which such cigarette is made, and have all such persons dealt with as the law directs.

Any minor under the age of seventeen years who shall fail or refuse to give to any officer upon inquiring the name of person or persons giving or selling him cigarette shall be guilty of a misdemeanor.

Welcome Brethren

The coming of the Annual District Conference next week, is interesting to note. The Warrenton District presided over by Elder Bumpass, is one of the most important in the Conference, and is composed of as fine a lot of Methodists as can be found anywhere. Delegates representing this splendid body will meet here Tuesday to discuss and devise means for the forwarding of the work as intrusted to their branch of the Christian Church.

It has been only three years since this body met here, during the pastorate of the Rev. C. L. Read, and its return is a compliment to the Church and to the town.

The Methodist Church is the largest Protestant body in the United States, but ranks second to the Baptist in North Carolina.

The Warrenton District has eleven charges with numerous churches in these, and has in it earnest workers for the cause.

Williamston welcomes these brethren, knowing that their presence will be a benediction on the entire town and community. The homes and hearts of the people are open for their reception, and whatever good we have shall be extended to them during their stay in our midst.
