Gov. Locke Craig should have been versed enough in the history of North Carolina troops in the late war to have known that J. A. Whitley, of Martin County, was one of the three men to go nearest the Federal lines at Gettysburg, and so should have appointed him a member of the Commission. The general impression that a governor knows the history of his state, has been upset a little.

A meeting will be held here Monday night to advance the movement for a peanut factory, which is so necessary to the farmers of Martin County. New plans will be proposed which will mean the building and success of the factory. We urge every one interested to attend this meeting.

Editor Prints His Platform

Eugene K. Bird, editor of the Hackensack (N. J.) Republican, recently published the following editorial: "The editor of this paper is a candidate for the nomination for state senator, his platform being 'No rum to be sold in New Jersey after the supply on hand in 1909 is consumed.' This need not necessarily interfere with the ice business, for in 1909 there will be a substitute for the ice in highballs. We are in favor of the ballot for women who wear split skirts and roses on their fartars."

LOCAL DRUGGIST MAKES STATEMENT

Says Dodson's Liver Tone is the Best Remedy for Constipation and Skirking Liver he has Ever Sold

Every person who has tried Dodson's Liver Tone and knows how surely and gently it starts the liver to working and relieves biliousness will bear out the Saunders & Fowden drug store in this statement about Dodson's Liver Tone.

"It is a purely vegetable liquid that entirely takes the place of calomel, harmless and pleasant to the taste, that has proven itself the most satisfactory remedy for a slow-working liver that most of our customers have ever tried. A large bottle sells for fifty cents and we do not hesitate to give the money back to any person who tries a bottle on the strength of this statement and is not satisfied with the result."

In these days of doubtful medicines and dangerous drugs a statement like the above is a pleasant assurance that Dodson's Liver Tone is a reliable remedy for both children and grownups. In buying a bottle for immediate or future use it is well to make sure you are getting the genuine Dodson's Liver Tone and not some spurious imitation that has copied our claims, but do not stand back of their guarantee. You may be certain of getting the genuine if you go to Saunders & Fowden for it.
