Too Old for College

You may be too old to start to college, but you are not too old to start a bank account if you have not already done so. Colleges are good. We recommend them, but bank accounts have made ten successful business men where a college has made one. If you neglected going to college don't neglect the bank account. One dollar will start the account.

Sunday a small dog belonging to relatives who were visiting Mrs. John L. Rodgers, bit W. T. Meadows, Jr., the son of Mr. and Mrs. W. T. Meadows, and fearing that the animal had rabies, it was killed by the police and the head forwarded to Raleigh for analysis.

Tuesday, the pupils of the Episcopal Sunday School picniced at the big mill. The morning was unpleasant and the occupants of several of the wagons rode through one heavy shower. But it cleared after a while and the little folks enjoyed bathing and wading. Dinner was served in the mill house and the 'cue with other things prepared by the members of the parish, made a delightful feast. Thanks are due Daniel & Staton for courtesies extended.
