INTERNATIONAL SUNDAY SCHOOL LESSON

(By E. O. SELLERS, Director of Evening Department, The Moody Bible Institute, Chicago.)

LESSON FOR DECEMBER 7

THE FALL OF JERICHO.

LESSON TEXT—Joshua 6:3-11, 14-20. GOLDEN TEXT—"All things are possible to him that believeth."—Mark 9:23.

There is a wonderful teaching in the story of the two memorials (Ch. 4) that Joshua erected after Israel had passed over the Jordan. One is left to be overwhelmed by the river, the other is erected in Gilgal. They mark the distinction between Christ's death under judgment in the believer's place, and the believer's perfect deliverance from judgment. See Ps. 42:7 and 88:7; Josh. 12:31-33. The stones in the Jordan stand typically for Ps. 22:1-18.

In chapter five is the record of the reproach of unbelief, "rolled away" (v. 9) the cessation of the manna (v. 12) and the appearance of the "captain of the Lord's host" (vv. 13-15) unto Joshua as he was making a reconnaissance before Jericho.

I. God's Orders, vv. 1-5. The fame of the Israelites had preceded them (ch. 2:9) and that this was added too by the miraculous deliverance at the Jordan is suggested in verse one. Verse two suggests that again they must proceed upon the bare word of Jehovah, and humbly speaking, how utterly absurd appear the divine orders.

Jehovah's Word Followed.

II. Joshua's Instructions, vv. 6-8. A reading of this section reveals the fact that Joshua diligently followed out the word of Jehovah. Preceding the people was the ark, and we need to remember what it contained and that it is a type of Christ. Following the ark were the priests, and the priests came the silent host (v. 10). No other sound than that of the trumpet (v. 13).

The walls of Jericho are not to fall by the use of the ordinary implements of war, see 2 Cor. 10:4, and the resultant victory was in no way to give opportunity for human boasting. Eph. 2:9; 1 Cor. 1:26-29. Joshua did not set forth a "more reasonable method," he did not alter God's orders; that he had no right to do, nor have we, Rev. 22:18, 19; John 3:2; Matt. 15:6. The implements and the methods were foolish to those in Jericho and to all unbelievers, see 1 Cor. 1:21-25. It was the priests who led with the "jubilee trumpets," typical of the gospel which Paul tells is the "power of God," Rom. 1:16.

III. The Obedient People, vv. 9-16. One great act of distrust and disobedience led to those years of aimless wandering accompanied by discomfort and resulting in death to all (save two, Caleb and Joshua) who crossed the Red Sea with Moses. Here we have the contrast. Seven days of patient, obedient marching, according to specific orders, is followed by victory and possession. What a strange sight this cavalcade must have made. The trumpet blowing priests; the ark, symbolic of Jehovah's presence and typical of Christ; the silent multitude. Verily this new generation is being tested ere they enter into their promised inheritance. "On the seventh day they arose earlier and were subjected to a seven-fold test. Our fiercest testing is generally just before the moment of our greatest victory.

Saved by Faith.

Faith used means ordered of God, foolish to man, and wrought a great victory. Faithful obedience is here wonderfully contrasted with former unfaithfulness. Joshua directs the spies to search out Rahab and she and her household are saved according to promise, vv. 22-25. She also was saved by faith, Heb. 11:31, and became one of the line from which Christ came, Matt. 1:5. The only part of the wall that remained standing was that where Rahab's house stood, vv. 22, see chapter 2:15.

The teaching is very plain. As the Israelites depended wholly upon God, were obedient to his orders, accepted his discipline, held back all passion and covetousness, they entered into the fruits of a victory that made easy many subsequent ones. Their acts of faith were a more severe test than those more visible and carnal means of fighting battles.

As these people of God had crossed the Jordan, submitted to the rite of circumcision, took their first march in this land of promise and captured this walled city which stood in the way of their progress, the unbeliever of forty years was rebuked. This was a day of vindication for Caleb and Joshua, a day of proving that God was able to give victory to the people in whom he delighted.

The Golden Text illustrates what it is to believe, when we recall the story from which it is taken—obedient faith in spite of appearances. No one can deny the absurdity of a people walking around the walls of a city blowing rams' horns and expecting to possess it. Faith in both of these incidents depended upon the word of God and did the apparently foolish thing, thereby demonstrating its wisdom, and his power.

Faith is revealed also as the power to wait and to persist. Faith is co-operation with God in the accomplishment of his purposes.

Expensive Tributes.

"People who once threw bouquets at that man now throw eggs."

"With eggs at 50 cents a dozen?" exclaimed young Mrs. Torkins. "My! They must think a lot of him."

IF HAIR IS TURNING GRAY, USE SAGE TEA

Don't Look Old! Try Grandmother's Recipe to Darken and Beautify Gray, Faded, Lifeless Hair.

Grandmother kept her hair beautifully darkened, glossy and abundant with a brew of Sage Tea and Sulphur. Whenever her hair fell out or took on that dull, faded or streaked appearance, this simple mixture was applied with wonderful effect. By asking at any drug store for "Wyeth's Sage and Sulphur Hair Remedy," you will get a large bottle of this old-time recipe, ready to use, for about 50 cents. This simple mixture can be depended upon to restore natural color and beauty to the hair and is splendid for dandruff, dry, itchy scalp and falling hair.

A well-known druggist says everybody uses Wyeth's Sage and Sulphur, because it darkens so naturally and evenly that nobody can tell it has been applied—it's so easy to use, too. You simply dampen a comb or soft brush and draw it through your hair, taking one strand at a time. By morning the gray hair disappears; after another application or two, it is restored to its natural color and looks glossy, soft and abundant.—Adv.

Sacrilege.

The Flippan't One—And when he saw the enemy, did he beat it?—Puck.

RINGWORM ITCHED TERRIBLY

1545 Alsouth St., Baltimore, Md.—"My children were afflicted with what they called ringworm of the scalp contracted from a house-cat they were playing with. The ringworm formed on their scalps about the size of a silver dollar and their hair fell out, leaving a round scale or crust on their scalps. Their hair fell out in round spots. There was terrible itching, and they scratched till the blood came. They were very fretful and could not sleep at night, and they were very cross.

"They were treated for several months with no improvement whatsoever. I was told they would never have any hair and would always be bald. Then I began using Cuticura Soap in connection with Cuticura Ointment and the first week I could see the wonderful remedies were doing all they were claimed to do and in six weeks' time they were entirely cured. They all have a beautiful growth of hair." (Signed) Mrs. Sadie Pollock, Jan. 1, 1913.

Cuticura Soap and Ointment sold throughout the world. Sample of each free, with 32-p. Skin Book. Address post-card "Cuticura, Dept. L, Boston."—Adv.

This Is Vital to Every Owner OF A Maxwell-Briscoe Motor Car

Made at Tarrytown, N. Y. and New Castle, Ind., 1905 to 1913

Also to all Owners of Stoddard-Dayton, 1905 to 1914; Columbia Gasoline and Electric, 1906 to 1914; Everitt Cars of Any Model; Brush, Sampson and Courier Cars

THERE ARE THREE GOOD REASONS why you should have your car overhauled now and worn parts replaced.

FIRST: The garage man can give you better service—and you can spare the car better now than later. No matter whether you are going to keep the car, or sell or trade it in on a new one—it will pay you well to have it thoroughly overhauled, worn parts replaced by new ones and body repainted.

SECOND: We are able to furnish replacement parts for all models of above makes of cars within 48 hours from receipt of order. Have concentrated this branch of the business at Newcastle, Ind. (center of population of the U. S.) Here we have a \$1,750,000 investment in plant and stock, 45,800 separate bins of parts.

THIRD: And perhaps the best reason why you should secure your requirements now—we must increase prices 20% January 1st, when the new parts price lists will be off the presses.

NOW NOTE THIS—Never before in the history of this industry has a new concern, having bought the plants and assets of a bankrupt one, taken upon itself the obligation of furnishing replacement parts for the cars it never made.

THE MAXWELL MOTOR COMPANY DID. We considered it good business, even if not a moral or legal obligation.

WE FOUND 122,000 owners out in the cold, as it were—pleading for parts. Their cars laid up and useless in most cases.

WE'VE INVESTED about one and three-quarters millions (\$1,750,000) dollars in a plant and stock of parts, for over 150 different models, made by the concerns that comprised the United States Motor Company, whose assets we purchased from the Receiver thru the U. S. Courts.

WE TOOK THE NAME MAXWELL solely for the protection of 60,000 persons who had bought cars under that name.

HAD WE CHOSEN ANOTHER-NAME those 60,000 cars would have had almost no value in the second-hand market. As it is, they have a definite value. And by the replacement of the worn parts your car will be good for a long time to come.

ANY RECOGNIZED DEALER or repair man—whether he handles the present Maxwell line or not—can procure these parts for you. Or you can order direct. Shipment will be made within 24 to 48 hours after receipt of the order at Newcastle.

CASTORIA

Fortify Your Fertilizer

Did you see your fertilizer dealer and arrange to buy fertilizer containing at least as much

POTASH

as Phosphoric Acid? That is the real kind that pays you and the dealer. If you did not, you should at once ask your dealer to carry Potash Salts so that you may increase the Potash in the ordinary brands. To increase the Potash 1 percent, add 400 pounds Muriate or Sulphate of Potash to a ton of goods. A 200-pound bag will increase the Potash of a ton 5 percent.

Try it once and see how Potash Pays.

If your dealer will not carry Potash Salts, write us for Prices. We will sell any quantity from one 100-pound bag up.
