We Are With The President

While nations are trying to bring peace about in the turbulent country of Mexico, there should be a patient waiting on the part of every American citizen. The end is yet uncertain, dealing as we have to with a man like Huerta, who is best known as a debauchee and murderer. American blood has been shed—blood worth far more than all the Mexicans in a pile, and if the elimination of Huerta can be accomplished without the firing of another gun, great will be our victory. But along with his overthrow should come that of Villa and Carranza. They are alike as peas in a pod, and our government should (if it would settle matters,) demand the elimination of the three.

Confidence in the wisdom of President Wilson is filling the heart of every patriotic citizen in this great Republic. He has the true facts before him and we have the reports of over-enthusiastic newspapers. It is a greater victory to honorably avert war than to give our men to be slain by the thousands, though in the end success would come to American arms. Our love of country can best be shown now by firmly standing at the back of President Wilson in his efforts to help the Mexican people in securing a good government, and in getting proper reprisal for indignities offered American citizens and our flag.

A Miscellaneous Shower

Mesdames S. F. Williams and Asa T. Crawford were hostesses on Monday afternoon at their home in East Williamston in honor of Miss Mary Hassell. Many guests were present and the pleasure was keen. A "Floral" contest was enjoyed and prizes given, Mesdames K. B. Crawford and J. T. Jerome winning these. Ice cream in the form of flowers was served with cake. A miscellaneous shower was uniquely arranged, the bride-elect receiving the articles with expressions of delight. The articles were varied, useful and pretty. Most attractive heart-shaped souvenirs filled with salted peanuts—were given each guest. The hours were glad ones and the hostesses charming in their hospitality.
