Don't fail to see it.

Which Shall It Be?

Do you intend to continue laboring, burning valuable fuel and destroying high-priced food with that old worn-out cook stove. You KNOW that old stove eats up a lot of fuel each year. You KNOW you have trouble in getting it to bake just right, in fact, spoil a batch of bread every once in a while—you know it costs considerable for yearly repairs. Stop and think and figure. Wouldn't it pay you to buy a good range a range with a reputation.

Great Majestic Malleable And Charcoal Iron Range

You make no mistake in buying the Great Majestic—it's the range with the Reputation—ask your neighbors. Then, too, it's made just right and of the right kind of material—Malleable and Charcoal Iron—riveted together practically air tight—lined with pure asbestos—parts being malleable can't break—has a movable reservoir and an oven that doesn't warp—that's why the Majestic uses so little fuel, bakes just right every day in the year (browns bread just right all over without turning) heats 15 gallons of water while breakfast is cooking—properly handled lasts a lifetime, and costs practically nothing for repairs.

Don't buy the range you expect to last a lifetime "unsight unseen;" you'll be sure to be disappointed. Come to our store during demonstration week; see the Great Majestic—have its many exclusive features explained—find out why the Majestic is 300 per cent stronger than other ranges where most ranges are weakest.

Know how a range is made inside and outside. This education may serve you in the future. Don't Overlook a chance to Know Things shown by one. COME.

Don't overlook the date.

USE OF CALOMEL IS RAPIDLY FALLING OFF

Fewer People Risking Dangerous Drug—Thousands Taking Dodson's Liver Tone. Instead

The use of calomel, which is a poison and a form of mercury, seems to be decidedly diminishing nowadays. Dodson's Liver Tone takes its place so reliably in cases of constipation and liver trouble that its popularity is spreading more widely all the time.

Dodson's Liver Tone is a harmless vegetable-liquid. What calomel does unpleasantly—often with danger—for constipation sluggish liver, Dodson's Liver Tone does for you safely and pleasantly, with no pain and no gripe. It does not interfere in any way with your regular business, habits or diet.

So successful, so reliable and so popular a remedy has its imitators, naturally. But beware of them. You can easily detect the difference.

Dodson never makes extravagant statements. His Liver Tone has been made from the first to take the place of calomel. He says that it "liven's the liver," overcomes constipation agreeably and make you feel good. If you are not satisfied completely with Dodson's Liver Tone, Saunders & Fowden will hand back the purchase price (50c.) to you cheerfully, instantly and without question. Hence you run no risks to health or pocketbook in giving it a trial.
