The Clerk Guaranteed It
 "A customer came into my store the other day and said to one my clerks, 'have you anything that will cure diarrhoea?' and my clerk went and got him a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy, and said to him, 'if this does not cure you, I will not charge you one cent for it.' So he took it home and came back in a day or two and said he was cured." writes J. H. Berry & Co., Salt Creek, Va. Obtainable everywhere.

Recommends Chamberlain's Colic, Cholera and Diarrhoea Remedy.
 "I never hesitate to recommend Chamberlain's Colic, Cholera and Diarrhoea Remedy," writes Sol Williams, merchant, Jesse, Tenn. "I sell more of it than of any other preparation of like character. I have used it myself and found it gave me more relief than anything else I have ever tried for the same purpose." Obtainable everywhere.

\$5.00 In Gold
 Goes To Charles A. Knight

Here is the letter:

1st. Because it is taking too much risk to keep money at home or in the pocket, where it is liable to be stolen, burned or lost.
 2nd. By putting your money in banks prevents financial panics, and keeps money free and easy by keeping it in circulation, thus preventing hard times.
 3rd. Keep your money in bank and pay by check prevents mistakes and the liability to pay bills twice.
 4th. It is an inducement to save. He who has a bank account has a stimulus to add more. We love to see it grow. If your money is in bank instead of the pocket you will not spend so much for foolishness. A bank account is an asset we all feel proud of.
