Colored People Delighted With New Discovery To Bleach The Skin

Atlanta, Ga. - Says that recent tests have proven without doubt that swarthy or sallow complexion can be bleached by a new treatment recently discovered by a man in Atlanta. Just ask your druggist for "Cos-tone Skin Whitener." People who have used it are amazed at its wonderful effect. It does not fade, but washes dark color or greyness away in a few minutes. It costs a little but you can afford to be without it. Just try it. How much better you will look with that old dark skin gone and new, soft light skin in place. Men who want to attract a girl should use this skin whitener.

Druggist will not supply you with "Cos-tone Skin Whitener" unless you show him this advertisement.

Chamberlain's Colic, Cholera and Diarrhoea Remedy

The most effective remedy for colic, cholera and diarrhoea. In almost every new epidemic some one has died from disease medicine could not obtain or a physician summoned. The right way is to have a bottle of Chamberlain's Colic and Diarrhoea Remedy in the house, as to be prepared for it. Mrs. Charles Haycraft, Huntington, Ind., writes: "During the summer of 1911 two of my children were taken sick with cholera morbus. I used Chamberlain's Colic and Diarrhoea Remedy and it gave them immediate relief."

Sour Stomach

This is a mild form of indigestion. It is usually brought on by eating too rapidly or too much, or of food not suited to your digestive organs. If you will eat slowly, masticate your food thoroughly, eat but little meat and none at all for supper, you will more than likely avoid the sour stomach without taking any medicine whatever. When you have sour stomach take one of Chamberlain's Tablets to aid digestion.

Whooping Cough

In this disease it is important that the cough be kept loose and expectoration easy, which can be done by giving Chamberlain's Cough Remedy. Mrs. P. H. Martin, Peru, Ind., writes: "My two daughters had whooping cough. I gave them Chamberlain's Cough Remedy and it worked like a charm."
