Bracing as a North Wind

At the end of a hard day, just sit down to a cup of Luzianne Coffee. See how you pick up with every savory sip. Luzianne is far, far different from any other coffee. It's got something that all the others seem to lack. And it's packed in dust-proof, moisture-proof cans that bring Luzianne to your kitchen just the same as when it left the roaster. Buy a can and try it for yourself. An iron-clad, air-tight guarantee says that if you are not entirely satisfied with Luzianne, your grocer will give you back your money. And he will.
