

Is There a
W. S. S.
In YOUR
Pocket?

You thank your stars that the war IS "over there"---and not here at your doorstep. And you feel grateful to the boys in khaki who are keeping it and winning it "over-there."

Turn Your Gratitude Into War Savings Stamps.

The spare dollars that you invest in War Savings Stamps help Uncle Sam to clothe, to feed and to arm those boys in khaki.

June 28th National War Savings Day

This month you pay \$4.17 for a War Savings Stamp for which the Government will pay you \$5.00 in January, 1923. This is equivalent to 4% interest compounded quarterly.

Keep Faith With Your Boy "Over There"

When your boy was so little that all the world was a foreign country to him, he trusted you to take care of him.

You sent that boy to school and to play and on your little errands, and with implicit faith he did your bidding.

Now we have sent your boy or your neighbor's boy out into a foreign land, into terrors that we cannot even know---and his faith has not faltered. He knows we will do our part, and we know he will do his.

Are we keeping the faith? Are we scrimping and saving and giving to help our boys do the thing that humanity has asked of them, and to help them come back to us sane and whole?

June 28th National War Savings Day

Saving to help our sons is not to be called by the ugly name of duty or sacrifice. It is love's blessed privilege.
