

KHAKI SOLDIERS DID NOT LET UP

And the Nation Will Show That It Stands Behind Them in the Victory Liberty Loan Drive.

More than a million of Uncle Sam's boys are "over there" looking after the common good of the world. And they will have to stay upon the job until it is done; until things are righted again; until order is brought out of chaos.

While they are overseas they must be taken care of adequately; they must be clothed and fed and lodged comfortably. Uncle Sam estimates that it costs \$423.27 a year to equip and maintain a soldier in Europe.

Part of the proceeds from the coming Victory Liberty Loan will be devoted to caring for the "doughboys." Part of it will go into the rehabilitation fund for putting the injured soldiers back upon their feet—Part of it will go for insurance claims. The rest of it will go to meet the hundred and one other demands for this greatest of world emergencies since the dawn of civilization.

Every mother's son of them did his part, helped insure liberty and justice for the world at large and restore Uncle Sam to his rightful position in the estimation of the nations of earth.

They did their duty fully, these boys who won. They fought to the end, through fire and flood. They never talked about letting up.

This is no time for Americans to think of letting up. The nation must stand by its guns, by its records; by Uncle Sam and must make the next loan another big success.

Resolved.

That peace will find us backing Uncle Sam as strongly as we backed him in war.

That between now and April we will lay every possible stone of the groundwork for the Fifth Liberty Loan and leave no act undone which will tend to keep alive and quicken the consciousness of the nation that savings and thrift are peace essentials.

That we will exert our efforts to stop trafficking in bonds of the first four loans and will keep our War Savings Stamps.

That we will carry out our War Savings pledge if that is unfulfilled, and make and keep new Savings pledges this year.

That we will work tooth and nail from now till the last day of the April drive to oversubscribe that Liberty Loan.

That we will finish our job.
