His Wrath Betrayed Him

A Dublin car driver was stopped for dangerous driving by a senious constable. He refused to give his name. "Ye must give yer name," was the reply. "Ye'll only get yerself into worse trouble young man," said the constable. "if you don't give me your name."

"I won't give my name," said the dogged driver.

"Now then, what is it?" persisted the constable.

"Ye'd better find out," retorted the driver.

"Sure and I will," said the constable, proceeding around to the side of the car where the name ought to be, but only to find it rubbed off.

"Aha," said the constable. "Now an ye'll get yerself into worse trouble than ever for your name's obliterated."

"You're a liar, roared the driver. 'Tis O'Brien."

Do You Have Trouble With Your Eyes?

Good vision does not indicate strong eyes, UNLESS you are troubled with none of the symptoms of EYE STRAIN, such as headache, pain or around the eyes or back of neck, inflamed lids, itchy, stinging, crossed-eyes, certain forms of nervousness, etc. You may be able to see clearly, but only as the result of an unnatural effort on the muscles of the eyes, and this effort is known as EYE STRAIN. Glasses are the only known remedy for Eye Strain. Medical treatment is usually unnecessary. When the strain is removed the trouble disappears.

Dr. Howard Smith of Monroe, N. C., will be at our store again on Friday, April 18 and 19

If you are troubled with any of the above symptoms of Eye Strain, need glasses for any cause, be sure to see him. His work here in the past is sufficient proof of his ability. Save yourself an expensive trip. Examination FREE.
