### SAGE TEA BEAUTIFIES AND DARKENS HAIR

Don't Stay Gray! It Darkens  
 So Naturally that No-  
 body can Tell.

You can turn gray, faded hair beau-  
 tifully dark and lustrous almost over-  
 night if you'll get a bottle of "Wyeth's  
 Sage and Sulphur Compound" at any  
 drug store. Millions of bottles of this  
 old famous Sage Tea Recipe, improved  
 by the addition of other ingredients,  
 are sold annually, says a well-known  
 druggist here, because it darkens the  
 hair so naturally and evenly that no  
 one can tell it has been applied.

Those whose hair is turning gray or  
 becoming faded have a surprise await-  
 ing them, because after one or two  
 applications the gray hair vanishes  
 and your locks become luxuriantly  
 dark and beautiful.

This is the age of youth. Gray-  
 haired, unattractive folks aren't  
 wanted around, so get busy with  
 Wyeth's Sage and Sulphur Compound  
 to-night and you'll be delighted with  
 your dark, handsome hair and your  
 youthful appearance within a few  
 days.

This preparation is a toilet requisite  
 and is not intended for the cure, miti-  
 gation or prevention of disease.

### LESS MEAT IF BACK AND KIDNEYS HURT

Take a glass of Salts to flush Kidneys  
 if Bladder bothers you—Drink  
 lots of water.

Eating meat regularly eventually pro-  
 duces kidney trouble in some form or  
 other, says a well-known authority, be-  
 cause the uric acid in meat excites the  
 kidneys, they become overworked, get  
 sluggish, clog up and cause all sorts of  
 distress, particularly backache and mis-  
 ery in the kidney region; rheumatic twin-  
 gles, severe headaches, acid stomach, con-  
 stipation, torpid liver, sleeplessness,  
 bladder and urinary irritation.

The moment your back hurts or kid-  
 ners aren't acting right, or if bladder  
 bothers you, get about four ounces of  
 Jad Salts from any good pharmacy;  
 take a tablespoonful in a glass of water  
 before breakfast for a few days and your  
 kidneys will then set fine. This famous  
 salt is made from the acid of grapes  
 and lemon juice, combined with lithia,  
 and has been used for generations to  
 flush clogged kidneys and stimulate them  
 to normal activity; also to neutralize the  
 acids in the urine so it no longer irri-  
 tates, thus ending bladder disorders.

Salts, says the authority, makes a  
 delightful effervescent lithia  
 water drink which millions of men and  
 women take now and then to keep the  
 kidneys and urinary organs clean, thus  
 avoiding serious kidney disease.

### AN ORDINANCE REQUIRING WATER & SEWER CONNECTION

The board of Aldermen of William-  
 ston do enact:

1. That each and every residence,  
 institution, depot or place of business  
 where one or more persons reside,  
 lodge or are employed, which is lo-  
 cated on a lot or property abutting  
 upon or adjoining a street or alley  
 along which a public sewer is laid,  
 shall be provided with a flush toilet  
 and the necessary plumbing fixtures  
 to join and connect the same with  
 the public water and sewerage sys-  
 tem, provided: that a length of pri-  
 vate sewer line not greater than two  
 hundred feet and a length of private  
 water line not greater than three hun-  
 dred feet, shall be required to make  
 such connections. Provided, further:  
 that it is not necessary to lay water  
 and sewer lines across private prop-  
 erty of some other person or person  
 in order to make such connections.

2. At the discretion and by the di-  
 rection of the Board of Aldermen, the  
 city clerk shall serve notice on the  
 owner or owners or the duly author-  
 ized agent of such owner or owners of  
 property coming under the provision  
 of this ordinance. Said notice to be  
 either written or printed. In case of  
 any non-resident owner or owners of  
 such property, not represented locally  
 by a duly authorized agent or agents,  
 notice may be published in five suc-  
 cessive issues of a local newspaper.

3. The city clerk shall mail to  
 every resident under section 1 and 2  
 of these ordinances a blank form of  
 application, for the installation of  
 flush toilets and necessary plumbing  
 fixtures as set forth in section 1 of  
 these ordinances, upon receipt of said  
 application the owner or agents for  
 the owners of any property as set  
 forth in section 1, shall fill in said  
 application and file it with the Supt.  
 of Water Works, M. S. Moore, within  
 60 days from the 15th day of April,

# COMMON SENSE

King said he had  
 no trouble in getting 1,000 wives  
 obey his commands, yet, now-  
 a-days, you can't make a sing-  
 le wife listen. Reason, but  
 here is where common sense  
 prevails. The citizens of Willi-  
 amston now have a modern  
 and up to date water and  
 sewage system at their dis-  
 posal and they owe it to their  
 family to take advantage of it.

We will gladly furnish you  
 estimate free.

# JUSTICE.

Justice cannot rule no matter how well  
 laws are enforced if there is not justice at the  
 core of dealings between men in their daily  
 lives. We believe that a bank to grow and  
 live on must not only treat its customers just-  
 ly and liberally but must in addition link its  
 interest with their own. Then no matter how  
 great its resources may be the loyalty of its  
 patrons becomes its greatest asset.
