ESTABLISHED 1898

Friday to be a Big Day Here; Automobile Races, Barbecue and Ball Game on Program

Local speed fans, as well as those Local speed fans, as well as those from Martin and surrounding counties will have their inning, on Friday the fifteenth, wheh ten profes sional auto race drivers, direct from their triumph in Norfolk will pilot their gas chariots around the half ing operations for the month of June mile oval at the Martin County Fair 1921.

Norfolk races on July fourth, driving young infants. At this writing we his Essex Special; Alf Cooper, the have at St. Leo's Hospital two in-English dirt track champion, who was fahts under three months of age and the contender at Norfolk until he lost two at the Receiving Home. Today we a wheel that put him out of the race; placed one in a private home to be Tommy Denofa, driving a Fay-Tensur, this car in practice, at Norfolk, lowered the world's record from 30 seconds to 27 1-2 seconds. George Gallagher, driving a Shamrock, D. D. of more than two babies at one time they will spend two manths. They Churchilli, Ford Special; Lou Sahds, and owing to this fact we have been will be joined by a party from Rob-Alco Special; P. W. Balk, Opel Special, and last but notleast, Chas. G. Dailey of Wilson, N. C., driving his days It may be that our forced rebig Dailey Special.

Thrills will be counted by the thousands on Friday, as never in the his tory of the local fair grounds, has anything ever been attempted that will furnish more excitement and and cars. Ih addition to all that, there will beareal ball game, between semion account of the three day layoff in the Eastern Carolina league, a number of the players will appear on the lineup of the contehdinf teams.

With ten real racing cars and drivers, to furnish the thrills, aball game that will be real big league stuff, a barbecue, and a dance, visitors to Williamston should have a very full and successful day.

Everything possible is being dohe the racing cars and with thearrival loss. of the cars in Williamston on Wednesday, local people will have an opportunity of seeing the cars in action, and invite inspection of our Receivat the grounds during the practice ing Plant, 624 Fairmont Street periods Thursday afternoon, free of charge

CHECK FLASHER CAUGHT

Jesse Rogers, a young hegro of Williamston has been traveling around to some of the neighboring towns recently drawing checks on different people. Thursday he froged a check on Bailey and Barnhill of Robersonville and took it to the store of Mr. oe Lawrence Roberson to get it cashed. Mr. Roberson was a little suspicious on account of the amount of the check and asked the negro to wait uhtil he went to the bank for more money. Instead he slipped across and asked. Bailey and Barnhill about it and found it wasa forgery. A policemah went back in drawn 16. the store with Mr. Roberson and proceeded to arrest Rogers, but the negro was a tall, strong fellow and ran over not only the policeman and Mr. Roberson but a third man who was coming in the door. He made for the woods near the guaho factory and was chased by various men and dogs for a long distance before he was caught He was taken by Mr. C. James to Sheriff Roberson's apartment house where he will greet the Judge of the Superior Court in Stotember, Rogers admits the forgery.

TOBACCO MARKET Local News and OPENS SEPT. 6TH Personal Mention

It is stated by tobacco people September 6th. This date is for the big markets of course and the smallmarkets will follow September 7th The Government report states that this crop will be about 400,000, ounds short of the 1920 crop and that there is a possibility of a far better price this year. The wisest platfor the farmer to follow is to work for good prices by proper toping, suckering, worming, curing, watching and be "Blutes" Edelblute, winner of the ness when we undertake to handle grading. The man who carries good obacco to market will get something

pacco will not get much. Miss Elsie Ehorn of Washington spending several days with Mis

Mrs. Perely Brown and Misses La-We find it impossible to induce lla Wynne and Thelma Brown leave

PLAIN TRUTH

It is said that acertain largepeaout dealer of another state upon bebusiness answered that he had been in the peanut business for twenty to cohcede the truth of his statement marketing his crop and he of cour knows that he hasn't any money for should the farmer complain at the think a little and act accordingly Not so far in the future the peopl will all know that the farmer ha both brains and money and those fellows who are how feasting on the profits of the farmer's products wil wake up and see the situation in different light. Farmers should take notice that it is the fellow who has een buying his crop at hi sown price that is raising the objection to Co operative Marketing.

SCHOOL BONDS

In a recent issue of the News Letter we carried a study showing the

per captia bond issue for se the various towns, cities, and som study did not pretend to take into ac count bohds issued be fore that date nor bond issues that will be voted on in the near future except a few case of which we had knowledge. It was merely a presentation oh a per capita basis of town and city school bond ssues during the last six months The total was so large that we were impressed with the importance education must have in the minds of North Carolinians. Otherwise these 87 towns would not have voted ten million dollars for school buildings in our preseht period of financial depression. Several people have replied that

we did their counties a grave injustice either because they had already taken care of their school needs, or get-Collections through office. \$258.75 ting ready to do so. We are very sorry that our good intentions were misconstrued and we are presenting some of the facts relative to what these dissenting towns and countie have done and are preparing to do.

Gastohia

Gastonia wants the state to know that she is no laggard area and we are glad to give her justice. The \$50,mill village school. Gastonia has provided good schools in the past and oh July 18, she will decide a \$500,000 school band issue and at the same You can buy a \$100 non-taxable 5 time vote on an issue of \$800,000 f r good roads. That is going strong, and the entire building. we are glad to know she has big things ih mind and congratulate her most heartily.

DURHAM

Superitendent Pusey of the Durham schools writes that one more community, Durham, should be listed. She has embarked upon a school building program that calls for approximately \$1,250,000 -\$650,000 of which is now available. Contracts how being let, together with those now being

carried out, will total \$700,000. Mr. W. B. Cooper writes that New Hanover is completing one ofth efine high school buildings in the state, hig money last year. The bond issue for this building was fro the last six months.
