

COMMON SENSE

King Solomon said he had no trouble making 1,000 wives obey his commands, yet, now-a-days, you can't make a single wife listen to reason, but here is where common sense prevails. The citizens of Williamston now have a modern and up to date water and sewage system at their disposal and they owe it to their family to take advantage of it.

Here's why CAMELS are the quality cigarette

BECAUSE we put the utmost quality into this one brand. Camels are as good as it's possible for skill, money and lifelong knowledge of fine tobaccos to make a cigarette.

Nothing is too good for Camels. And bear this in mind! Everything is done to make Camels the best cigarette it's possible to buy. Nothing is done simply for show.

Take the Camel package for instance. It's the most perfect packing science can devise to protect cigarettes and keep them fresh. Heavy paper—secure foil wrapping—revenue stamp to seal the fold and make the package air-tight. But there's nothing flashy about it. You'll find no extra wrappers. No frills or furbelows.

Such things do not improve the smoke any more than premiums or coupons. And remember—you must pay their extra cost or get lowered quality.

If you want the smoothest, mellowest, mildest cigarette you can imagine—and one entirely free from cigarettey aftertaste,

It's Camels for you.

THRIFT

Economy in the expenditures of a county is no more important than economy in the expenditures of its citizens. The practice of thrift leads to straight thinking, to honesty, to self-respect. If every citizen of Martin County were a saver our possibilities as a county would only be limited by our ambitions.

Every person in Martin county who has no savings account should start one, if only for one dollar, and thus take the first step towards independence and contentment.
