I WANT A CERTAIN YOUNG MAN

He may be anywhere from 20 to 35 years old. He may even be a few years older, but his spirit is young and he is chock full of strength, ambition and serious purpose. He may be working now at some unattractive occupation, but he knows that he has in him the seeds of success. He knows that the big rewards of life go to the man who sells and he wants to become a salesman. NOW WE WANT TO MAKE HIM A SALESMAN. We want to place at his disposal all the facilities and service of the greatest insurance company in the world to help him reach his goal. Are you that young man? Sharp, energetic, hustlers after easy money, sharpers or "smooth talkers" do not interest us. Clean-cut, clear-eyed, ambitious men do interest us a great deal. For such young men we will go far, and we will help them. We want them to be, and what they can be—and we will pay them while they are learning. If you are that man, or if you know that man, write to me.
