Exceedingly busy day today, hauled two loads of trash and started on a third. Yesterday was a fairly good day, but could have been better if the sweepers had not frightened the mule so he had to be watched.

With much more rapid progress some more of the unsightly places in our fair city will be cleaned in the near future.

Do You Need Money?
We will lend you from \$5.00 to \$500.00 at 6 Per Cent
You can repay in convenient weekly amounts as outlined—
Because of the lack of facilities to handle the mass of detail, and other objections, Banking Institutions have never been able to accept notes for small loans to be liquidated on the installment plan.
The Hood Weekly Loan System (copyrighted) installed in this Bank was designed to meet the requirements necessary to accommodate customers who desire to borrow money in a strictly business-like and dignified way, but whose circumstances are such that they can repay only on the installment plan.
We will now make loans on the weekly payment plan in accordance with the scale below.
