WILLIAMSTON SCHOOL NOTES

Pupils Of Second Grade Give Small Play

The Williamston graded school is now having the largest attendance in its history. The spirit manifested in both class work and athletics is the best seen for several years.

The first class entertainment since the Christmas holidays was given in the auditorium Tuesday by Mrs. J. L. Williams' second grade, when the pupils gave the play "Snow White and the Seven Dwarfs."

The characters were taken as follows: Snow White, Sarah Freeman; The Wicked Queen, Jennie S. Moore; Gypsy Girl, Myrtle Woodard; Prince Billy Watts. The seven dwarfs were represented by seven of the bright boys of the class. All characters played their parts well and showed good training.

The play was enjoyed by the entire school and a good number of visitors and was inspiring to those who take interest in the training of the rising men and women.

TRUE FACTS PUT BEFORE PEOPLE BY DR. JNO. BIGGS

\$300,000 Received By Martin From Corporation

We take the following article from the Herald written by Dr. John D. Biggs, President of the Farmers and Merchants Bank and President of the North Carolina Bankers Association.

COLORED

Joe Henry Chance, Beulah L. Wilkes-James Leathers, of Edgecombe county, Mary Chance, Cecil Henderson, of Halifax county, Goldie Andrews; Stephen Rollins, Maggie Jones; Julius Armstrong, Mildred Roscoe, of Bertie county; Sylvester Daniel, Charlotte Reddick; Geo. R. Hendrix, of Bertie county; Paulene Brown, Bessie Parvis.

Mr. W. H. Mizelle, Editor, Robertsonville Herald, Robertsonville, N. C.

I read, with a great deal of interest, the attack made in your paper upon the record of Mr. A. W. McLean as a member of the War Finance Corporation. Of course I do not know all about the workings of the War Finance Corporation but I do know of my own personal knowledge that the War Finance Corporation did come to the aid of every bank in Martin county that asked aid. My understanding is that both the banks in your town received help thru this Corporation and thru the banks the farmers, merchants and others were helped. I know also of my own knowledge that men representing the War Finance Corporation visited every section of the State and instructed bank men how to make out application blanks. The War Finance Corporation did not loan directly to individuals because they were not allowed to do so under the law, but at least \$300,000 was loaned to the people of Martin County thru the banks, by the War Finance Corporation. I am not particularly interested in the fight now on between the candidates for Governorship of our State, but, I do like to see fair play and to my own knowledge the attack made on the record of Mr. McLean is not true and is unfair and unjust.

Respectfully, JOHN D. BIGGS, Chairman of Beautification Committee, Chamber of Commerce.

HINTS FOR A REAL SPRING CLEANING

Rake The Yards And Gardens And Be Prepared

"If winter comes, can spring be far behind?" This question has its answer in every year. The dull, dark drab days come; all fruit and flowers, leaves grass and vegetation die, and all things have a sombre look. But the air is pure and crisp, and the birds chirp lustily even with snowflakes flying. These feathered creatures know that somewhere, somehow a warmer sun will shine, and begin to plan for their loves nests to be built when the leaves return.
