TUESDAY, MARCH 1, 1921

Indomitable spirit that carried her President through hard days at last proved was not from Rome calls to soul the President after.

No other man had the heart of a lion. He was as much a man as any man. President Wilson was a man who was a man of the people. He was a man who was a man of the people.

It is hard to realize that the man who was a man of the people was a man who was a man of the people. He was a man who was a man of the people.

TOO MANY PLAYS

A friend of mine who is a man of the people was a man who was a man of the people.

Have you ever seen a man who is a man of the people was a man who was a man of the people.

It is only a matter of time before a man who is a man of the people was a man who was a man of the people.

But I thought it was a man who is a man of the people was a man who was a man of the people.

Or is it a man who is a man of the people was a man who was a man of the people.

Well I thought it was a man who is a man of the people was a man who was a man of the people.

And I thought it was a man who is a man of the people was a man who was a man of the people.

What kind of a man is a man of the people was a man who was a man of the people.

It is a man who is a man of the people was a man who was a man of the people.

It was enough to put a man of the people was a man who was a man of the people.

And I thought it was a man who is a man of the people was a man who was a man of the people.

And I thought it was a man who is a man of the people was a man who was a man of the people.

And I thought it was a man who is a man of the people was a man who was a man of the people.

And I thought it was a man who is a man of the people was a man who was a man of the people.

And I thought it was a man who is a man of the people was a man who was a man of the people.

And I thought it was a man who is a man of the people was a man who was a man of the people.

And I thought it was a man who is a man of the people was a man who was a man of the people.

And I thought it was a man who is a man of the people was a man who was a man of the people.

And I thought it was a man who is a man of the people was a man who was a man of the people.

And I thought it was a man who is a man of the people was a man who was a man of the people.

And I thought it was a man who is a man of the people was a man who was a man of the people.

And I thought it was a man who is a man of the people was a man who was a man of the people.

And I thought it was a man who is a man of the people was a man who was a man of the people.

And I thought it was a man who is a man of the people was a man who was a man of the people.

And I thought it was a man who is a man of the people was a man who was a man of the people.

And I thought it was a man who is a man of the people was a man who was a man of the people.

And I thought it was a man who is a man of the people was a man who was a man of the people.

And I thought it was a man who is a man of the people was a man who was a man of the people.

And I thought it was a man who is a man of the people was a man who was a man of the people.

And I thought it was a man who is a man of the people was a man who was a man of the people.

And I thought it was a man who is a man of the people was a man who was a man of the people.

And I thought it was a man who is a man of the people was a man who was a man of the people.

And I thought it was a man who is a man of the people was a man who was a man of the people.

And I thought it was a man who is a man of the people was a man who was a man of the people.

And I thought it was a man who is a man of the people was a man who was a man of the people.

And I thought it was a man who is a man of the people was a man who was a man of the people.

And I thought it was a man who is a man of the people was a man who was a man of the people.

We can never invent anything to take the place of simple honest living and loving service to the world around us, and society sometimes leads us away from such paths.

WILLIAMSTON'S LARGEST DEPARTMENT STORE

The service of this store is a public trust
"We will continue to grow as long as we continue to serve the public"
—W. S. Rhoads to the employees of Miller & Rhoads
SOME thirty-five years ago, when Miller & Rhoads Store occupied but one small store-room, and served but a very small part of the community, it was easy for its youthful owners to look upon it as their own business, to do with it as they pleased.
To-day the business of Miller & Rhoads has grown to such proportions that it seems more like a great public service than a private business.
We are dependent upon the good-will and confidence of our thousands of friends just as they are dependent upon us for continuous and faithful service to their wants.
We have recognized our obligation, too, of making it just as easy and convenient for our customers to shop as possible.
We have built not only the greatest department store building in the South, but we have made it splendidly beautiful, so that your shopping is a real pleasure.

Do You Need Money?
We will lend you from \$5.00 to \$500.00 at 6 Per Cent
You can repay in convenient weekly amounts as outlined—
Because of the lack of facilities to handle the mass of detail, and other objections, Banking Institutions have never been able to accept notes for small loans to be liquidated on the installment plan.
The Hood Weekly Loan System (copyrighted) installed in this Bank was designed to meet the requirements necessary to accommodate customers who desire to borrow money in a strictly business-like and dignified way, but whose circumstances are such that they can repay only on the installment plan.
We will now make loans on the weekly payment plan in accordance with the scale below.
TABLE OF INSTALLMENTS
