TEACHERS MEET IN SCHOOL HOUSE SATURDAY

(Continued from page one) appeal to the teachers—this time that they advise High School graduates that three years of college work with three summer terms will be equivalent to four years' credit at East Carolina Teachers' College.

Following up this thought, Mr. Pope said that he would give the necessary information to any one who wished to write for catalogues or other information concerning the various Summer Schools of the State.

With the compliments of the Martin-County Savings and Trust Company, Mr. John S. Pope presented forty or more thermometers to the teachers. He then insisted that they deposit their savings with them.

As no further business was proposed, the general-session adjourned so that the Reading Circle might hold short meetings. These groups separate and adjourned after brief discussions.
