Cigarett smokers need not look for cheaper cigarets since Congress has by a large majority raised the tax from $3.00 to $6.00 per thousand.

A pole faced boy will pay $29.20 a year on cigarettes alone if he smokes a pack a day. I make no effort about the quality of the brand mentioned; number one, two, three or choice cuts. Now don't write me some note of time that the price grades goes.

The fact is the poor fellow is lots of time he pays when he buys and when he is asked to pay he breathes out words that make the cats and wives of the land cover up their ears and run for places of safety. The same way.

Mr. Miller says before the income tax his policy will help less than 200 people in Martin County but it will increase the load of the people of the county.

The very latest offering of the Republican government orators is that you Democratic people don't show your investigation there is going to be a panic.

Of course they are trying to scare us all so give us a panic. There is a panic in America at 40 years intervals manufactured and thrust on the country to exactly the same influences turned over control to the party in favor.

Whatis a better sign for advancement and prosperity than interest taking? The meeting held by the Martin County Agricultural Society held at Sandy Ridge school house Tuesday night was one of real interest. The attendance was good for the kind of weather. There are yet many meeting to be held by the Society and we hope that each will be well attended.

Old Folks' Ailments

"I began taking Black-Draught over fifty years ago and my experience with it stretches over a good long time," says Mr. Joe A. Blakemore, a Civil War veteran and former Virginian, who is now a prominent citizen of Floyd, Texas. "It is the best laxative I know of for old people. . . A good many years ago, in Virginia, I used to get bilious and I found that

Thedford's BLACK-DRAUGHT

was the best and quickest relief I could get. Since I came to Texas I have these bilious attacks every now and then—a man will get bilious anywhere, you know—and I find that a little Black-Draught soon straightens me out. After a few doses, in little or no time I'm all right again."

Thedford's Black-Draught is a purely vegetable liver medicine, used in America for over eighty years. It acts on the stomach, liver and bowels in a gentle, natural way, assisting digestion and relieving constipation. Sold everywhere.
